**Spiritual Gifts** Sam Storms, 2020-09-01 What are spiritual gifts Storms has spent several decades teaching on the topic of the spiritual gifts and equipping believers in the faithful practice of God's gifts Yet there remains a great deal of confusion about the nature of the gifts and how they best function in the body of Christ In this comprehensive guide to the spiritual gifts Storms addresses the many bizarre and misleading interpretations while confronting the tendency to downplay the urgency of spiritual gifts for Christian living and ministry He explains how spiritual gifts both the more miraculous and the everyday are given to build up the body of Christ God has graciously provided these manifestations of the Spirit so that believers might encourage edify strengthen instruct and console one another all with a view to an ever increasing incremental transformation into the image of Jesus Christ Throughout this guide Sam Storms unpacks the glorious truth that there is a supernatural and divine energy or power that fills and indwells the body and soul of every Christian believer Understanding Spiritual Gifts is useful as a reference to address common questions about the gifts but it also serves as a training manual for using and exercising the gifts in ministry It is perfect for any individual or group who wants to grow in their understanding of spiritual gifts for today      **First and Second Corinthians** John Proctor, 2015-03-23 Books in the
