**The Letter Kills, but the Spirit Gives Life** Sky Takemoto, 2025-02-16 The divine life is not knowledge doctrines or anything else but the Spirit The letter kills but the Spirit gives life As the Redeemer Christ Himself became a life giving Spirit We receive Christ as the Savior the Redeemer and also as the life giving Spirit He alone gives us the Spirit of life In order to receive life we need to contact the Spirit as the pneuma by breathing Him in Romans 8 2 says The law of the Spirit of life has freed me in Christ Jesus from the law of sin and of death The Spirit is the releasing Spirit who sets us free Second Corinthians 3 17 says The Lord is the Spirit and where the Spirit of the Lord is there is freedom This law of life releases us from Moses law the law of sin and of death The function of the law is to expose transgressions Without the law we would not know what sin is But whenever our heart turns to the Lord who is the releasing Spirit the veil is taken away The mind set on the spirit is life By setting our mind on the spirit spontaneously the divine life sets us free **The Collected Works of**

**The Spirit of Truth** Haitham A. Issak, 2023-09-12 The fourth century was different than the previous centuries due to two big heresies The first one was the heresy of Arius who denied the divinity of the Son This heresy led to the Council of Nicaea in 325 in which the church fathers affirmed the divinity of the Son of one substance with the Father The second heresy was that of the Tropicici who denied the divinity of the Holy Spirit and said that the Holy Spirit was a creature or an angel At that time Athanasius was one of the most important leaders in the life of the church He wrote against the Tropicici as he addressed them in his letters to Serapion These letters are the major work of Athanasius concerning the Holy Spirit The Spirit of Truth explains the way that Athanasius dealt with the heresy and elucidates the pneumatology of Athanasius s use of the Gospel of John and 1 John It also discusses Athanasius s understanding of tradition Scripture and hermeneutical principles in his defense of the Godhead particularly the divinity of the Holy Spirit For Athanasius the Holy Spirit is eternal divine uncreated and one with the Father and the Son

Reeves,2022-09-16 From the beginning God created men and women in his own image as the objects of his love His intention has been to father mankind raising us as his children While the intimacy of this

relationship was broken through the fall our Father has never stopped loving us His faithful lovingkindness is unchanged And through Jesus we not only see the intimate relationship of Father and Son as the divine pattern but we find ourselves restored as children in his household Through Jesus we can experientially live in relationship with our Father and through the working of the Holy Spirit within affectionately call him our Abba The greatest opportunity is now afforded to us to walk in loving intimacy with our Father as he raises us teaches us his ways and matures within us his divine nature of other centered love Our Father Our Teacher is a biblical exploration of how God is drawing men and women to himself in an experiential relationship of love and learning **The Teacher; The Free Choice of the Will; Grace and Free Will (The**

Thomas C. Oden, 2013-07-04 The Ancient Christian Commentary on Scripture is a unique twenty eight volume series encompassing all of Scripture and offering contemporary readers the opportunity to study for themselves the key writings of the early church fathers Arranged by the books of the Bible each portion of commentary allows the living voices of the church in its formative centuries to speak as they engage the sacred page of Scripture rendered throughout the series in English in the ecumenically accepted Revised Standard Version of the Bible The Ancient Christian Commentary on Scripture does what very few of today's students of the Bible could do for themselves With the aid of computer technology the vast array of

writings from the church fathers including much that is available only in the ancient languages have been combed for their comment on Scripture From these results scholars with a deep knowledge of the fathers and a heart for the church have hand selected material for each volume shaping annotating and introducing it to today's readers Each portion of commentary has been chosen for its salient insight its rhetorical power and its faithful representation of the consensual exegesis of the early church The Ancient Christian Commentary on Scripture is an ecumenical project promoting a vital link of communication between today's varied Christian traditions and their common ancient ancestors in the faith On this shared ground we listen as leading pastoral theologians of the church's first several centuries gather around the text of Scripture and offer their best theological spiritual and pastoral insights Today the historical critical method of interpretation has nearly exhausted its claim on the biblical text and on the church In its wake there is a wide spread yearning among Christian individuals and communities for the wholesome the deep and the enduring The Ancient Christian Commentary on Scripture seeks not to replace those excellent commentaries that have been produced in the twentieth century It supplements them framing them with interpretive voices that have long sustained the church and only recently have fallen silent It invites us to listen with appreciative ears and sympathetic minds as our ancient ancestors in the faith describe and interpret the scriptural vistas as they see them The Ancient Christian Commentary on Scripture is a postcritical revival of the early commentary tradition known as the *glossa ordinaria* a text artfully elaborated with ancient and authoritative reflections and insights An uncommon companion for theological interpretation spiritual reading and wholesome teaching and preaching
