**Spirit Transformed** Roy Henry Vickers, Brian Payton, Michael Carroll, 1996 *Spirit Transformed* tells the amazing story of a majestic cedar's journey from the forest to totem as well as Vickers' own conquering of personal difficulties and the marvelous way he has combined modern technology with the art of carving.

**Union with the Resurrected Christ** G. K. Beale, 2023-04-25 *Southwestern Journal of Theology* 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years. But not much consideration has been given to this union and its benefits in light of Jesus's resurrection and ascension. In this follow-up to his monumental *A New Testament Biblical Theology* G. K. Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension. Beale explains that Christ's resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom. Specifically, Christ is the fulfillment of a cluster of nineteen Old Testament end-time expectations. These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him. Through careful exegesis, Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new. Students of the New Testament will benefit from this important contribution to New Testament theology.

**Spirit-empowered Christianity in the Twenty-first Century** Vinson Synan, 2011 What does a re-vision of the Charismatic Pentecostal Spirit-empowered movement look like in the coming years of this millennium? The first century of this revival seems to attest that the Lord raised up the holiness and Pentecostal movements not only to be custodians of these distinctive truths but the perpetuators of them as well. If any generation ceases to accentuate this emphasis, the movement likely will forfeit the right to be recognized as such. When the Pentecostal message is preached, published, and proclaimed through triumphant song, an atmosphere is sustained for people to experience anew and again the reality of salvation, holiness, charismata, wholeness, and hope. Such a revival will be biblically based, rationally sound, traditionally accurate, and experientially real.

**Spirit Empowered Christianity in the 21st Century** is an authoritative compilation of the presentations from thirty leaders in the Charismatic Pentecostal movement given at the Empowered 21 Conference in Tulsa, OK, in April 2010. These chapters share emerging insights on how the next generation will handle the profound issues facing Christians within the Charismatic Pentecostal movement in the 21st century. For example, one portion covers the topic of the 21st-century renewal, while another discusses how we can protect our Charismatic distinctive. Another portion will highlight Charismatic adaptations for reaching this present age, discussing issues of social and economic justice, prosperity, and suffering, challenges to urban ministry, the future of the next generation, Oneness Pentecostalism, and missiological aims in North America.

*Transformation in Christ* David A. Ackerman, 2019-06-06 Although Paul used language similar to the religions and cultures of his time, he had a unique understanding of the mystery of God. The once-hidden plan of God was

revealed and fulfilled in the person of Jesus of Nazareth Saul of Tarsus experienced a fundamental change when he encountered the risen Jesus on the road to Damascus This vision gave him new direction and purpose and profoundly changed his understanding of God s plan for humanity Paul often uses the phrase in Christ or its variations to describe this plan Being in Christ results in transformation into Christ s likeness of holiness and love through the indwelling Holy Spirit Those in Christ form a new community that crosses ethnic barriers is bound together in fellowship with the Triune God and fulfills its purpose of holiness before him Paul s answer to the struggles people face is simple when one is united with Christ by dying to the old self and committing to his supremacy one will find victory over any force opposed to us in this world This book explores one of the most profound claims in the New Testament that demands a response of its readers The Ethnographic Character of Romans Susann M. Liubinskas,2019-02-05 In this work Susann Liubinskas provides a coherent reading of Paul s letter to the Romans in light of ancient ethnography Paul like his contemporaries harnesses the apologetic power of this genre in order to fortify the members of the Roman house churches to maintain their distinctiveness by arguing for the historical legitimacy of the Christ movement s laws customs and way of life When the law faith dichotomy is considered within the larger context of Paul s ethnic discourse its primary function as the means by which Paul draws lines of continuity and discontinuity between the Christ movement and its venerable Jewish roots comes to light Rather than viewing Paul as dealing with two different religions we see Paul working to position believing Jews and Gentiles in relationship to Israel s history with God particularly as it finds its climax in Jesus Christ Thus Paul utilizes the law faith dichotomy not to describe two paths of salvation but to redefine the people of God in the new age as ethnically inclusive **A God Who Speaks and Acts** Malcolm I. Bartsch,2013 This book contains the theological essentials for Lutheran educators and is written in a way which is not only understandable but can be applied in the daily challenges of school teaching learning and planning I strongly encourage chaplains teachers and principals to read and consider these theological essentials to enhance their understandings discussions and daily work *Experiencing The Holy Spirit* Larry Keefauver,2000-08-06 While most Christians have an awareness of the third person of the Trinity they have little experience of this personhood or power Experiencing the Holy Spirit shows readers how to welcome the Holy Spirit s presence into their lives and grow in intimate relationship with Him through hearing and obeying His voice praying and walking in the Spirit operating in His power gifts signs and wonders and receiving His anointing Includes more than 50 interactive exercises **Stumbling over the Cross** Joni S. Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They

wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world **J. Oswald Sanders: Three Spiritual Classics in One Volume** J. Oswald Sanders, 2024-12-03

Three classics for every Christian s library Over 1 million copies sold The influence of J Oswald Sanders is known far and wide across the globe In this new edition readers engage with Sanders most essential and influential work *Spiritual Leadership* *Spiritual Maturity* and *Spiritual Discipleship* *Spiritual Leadership* is a proven classic presenting the key principles of leadership in both the temporal and spiritual realms Sanders illustrates his points with examples from Scripture and biographies of eminent men of God such as Moses Nehemiah the apostle Paul David Livingstone Charles Spurgeon and others Featured topics include the cost of leadership the responsibility of leadership the qualities and criteria of leadership the art of reproducing leaders and the one indispensable requirement of leadership Sanders holds that even natural leadership qualities are God given and their true effectiveness can only be reached when they are used to the glory of God Let this classic be your guide for leadership and watch how God works through you to do great things for His glory *Spiritual Maturity* Spiritual maturity is not a level of growth Christians achieve but the passion to press on in Christ In these chapters J Oswald Sanders explores the primary source of continual growth In three parts structured around the persons of the Trinity Sanders explores matters like how we should view God why our weakness is God s strength what it means that Christ prays for us how to live like an heir of the King and the role of the Spirit in a Christian s life *Spiritual Maturity* provides clear direction for those desiring to grow strong spiritually *Spiritual Discipleship* True disciples pursue their Master They know that God is watching over their faith but they also take Scripture s command seriously work out your own salvation with fear and trembling for it is God who works in you They take pains by His power to look more and more like Jesus This book will help you to be such a disciple It examines Jesus teaching on what it means to follow Him helping you become the kind of Christian Jesus wants you to be not one devised by man or even other Christians You ll learn conditions for discipleship the tests that disciples endure how disciples pray and grow the posture and practices of a disciple and more **The Life of a**

**Galilean Shaman** Pieter F. Craffert, 2008-01-01 Historical Jesus research remains trapped in the positivistic historiographical framework from which it emerged more than a hundred and fifty years ago This is confirmed by the nested assumptions shared by the majority of researchers These include the idea that a historical figure could not have been like the Gospel portrayals and consequently the Gospels have developed in a linear and layered fashion from the authentic kernels to the elaborated literary constructions as they are known today The aim of historical Jesus research therefore is to identify the

authentic material from which the historical figure as a social type underneath the overlay is constructed Anthropological historiography offers an alternative framework for dealing with Jesus of Nazareth as a social personage fully embedded in a first century Mediterranean worldview and the Gospels as cultural artifacts related to this figure The shamanic complex can account for the cultural processes and dynamics related to his social personage This cross cultural model represents a religious pattern that refers to a family of features for describing those religious entrepreneurs who based on regular Altered State of Consciousness experiences perform a specific set of social functions in their communities This model accounts for the wide spectrum of the data ascribed to Jesus of Nazareth while it offers a coherent framework for constructing the historical Jesus as a social personage embedded in his worldview As a Galilean shamanic figure Jesus typically performed healings and exorcisms he controlled the spirits while he also acted as prophet teacher and mediator of divine knowledge

Scripture Dianne Bergant,2016-03-24 Ignorance of Scripture is ignorance of Christ What Saint Jerome said centuries ago is surely still true today any serious theological study must be grounded in Scripture While there are plenty of biblical scholars today few authors are able to introduce Scripture to students the way Dianne Bergant does Bergant invites readers to genuinely engage Scripture to enter the world of the text and explore some of the age old questions that arise in every generation What does it mean to say that the Word of God is both divine and human Why is biblical history so important to the study of Scripture and theology Why are there different literary forms in the Bible Why the competing voices and apparent contradictions In language that is clear and compelling Bergant explores the answers to these and other questions She surveys the world of the Bible and biblical scholarship in an introduction that is sure to spark enthusiasm and further interest This volume in the Engaging Theology series instills solid knowledge of Scripture and thereby knowledge of Christ demonstrating that the Bible is an inexhaustible source of challenge and delight of inspiration and guidance and a testimony to ultimate meaning and value
