The Holy

Spirit as Person and Power Rob Yule, 2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by a transforming experience of the Holy Spirit He has been a hands on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical theology he has produced a book with ecumenical implications for all branches of world Christianity Women of Fire and Spirit Cynthia Hoehler-Fatton, 1996-04-11 The African Christian Roho religion or Holy Spirit movement is a charismatic and prophetic movement that arose in the Luo region of western Kenya This movement has fascinated students of history and religion for more than sixty years but surprisingly has not been extensively studied This book fills that lacuna In Women of Fire and Spirit Cynthia Hoehler Fatton uses the extensive oral histories and life narratives of active participants in the faith giving them full voice in constructing the history of their Church In doing so she counter balances the existing historical literature which draws heavily on colonial records Hoehler Fatton's sources call into question the paradigm of schism that has dominated the discussion of African independent Christianity Faith rather than schism or politics emerges here as the hallmark of Roho religion Hoehler Fatton's book is doubly unusual in foregrounding the role of women in the evolution and expansion of their Church She traces the gradual transformation of women's involvement from the early years when drawing on indigenous models of female spirit possession women acted as soldiers headed congregations and served as pastors to the present condition of Western style institutionalization and exclusion for women Despite this marginalization women members continue to be inspired by the defiance of past heroines **Talking to Spirits** Sterling Moon, 2025-08-05 Safely Communicate with Any Kind of Spirit and Enjoy Good Stories Along the Way Through step by step guidance and fascinating tales from her decades of experience Sterling Moon teaches you how to develop your own spirit communication practice She shows that everyone can connect with spirits you too can enrich your life find peace and make the world more fun and interesting through mediumship This comprehensive book reveals how to identify and interact with many different types of spirits including ancestors deities shadow people and elementals Sterling Moon provides journal prompts in every chapter as well as techniques for managing haunted people places and objects You'll also explore a variety of communication tools such as scrying mirrors and ghost boxes From ethical considerations to protection against negative entities this book

A Baptism of Judgment in the Fire of the Holy Spirit Daniel W. McManigal, 2019-05-23 Daniel W McManigal provides a fresh analysis of the meaning of the baptism in the Holy Spirit and fire and John s baptism as a prophetic sign act Expanding upon the sources grammar and meaning of the Logion analysing Old Testament and Second Temple texts and discussing the prevalent theme of judgment in baptism McManigal offers the first extended treatment of the baptism in the Holy Spirit in Matthew s gospel As a backdrop for the prevalence of judgment in baptism McManigal locates Matthew s eschatological judgment within the broader Old Testament and apocalyptic literature of the Second Temple drawing upon texts such as Isaiah 11 and the Isaiah Targum Malachi 3 Daniel 7 1 Enoch and 4 Ezra This volume s analysis aids deeper understanding of how the themes of the Old Testament are woven throughout Matthew s narrative

capitalizing on John's role as the last of the prophets sent to Israel. McManigal focuses in particular on Matthew's foretelling the coming of the Messiah and his call for repentance in order to prepare people for the arrival of the kingdom of God. Drawing out the unique Matthean meaning of the baptism of the coming one, McManigal's study offers readers a new insight into the nature of repenting and prophetic baptism whether through water, fire, or Spirit. **Fire in the Word Volume 8** Dr. D. Talking Dogs Sam Mason, 2012-03-30 Dog lovers of all stripes will enjoy the captivating stories of the author's pets and his thoughtful musings about them and their lives with him and his family. Convinced that his pooches have all been blessings from God, Sam further sees the Creator using them to graphically illustrate vital life principles. In *Talking Dogs*, those principles emerge from a new perspective as you catch an over-the-shoulder view of Sam's experiences with his beloved furry companions and the wonderful Scriptural insights that have flowed from those relationships. Every pet lover will enjoy this great book by my friend Sam Mason. It's a page-turner filled with refreshing scriptural insights on living the life God wants each of us to enjoy. BOB GASS, author of *The Word for You Today*. This book is full of great lessons about how the way dogs interact with us can teach us about our relationship with God. I really enjoyed reading it. I'm not aware of any other book like this. As a great dog lover all my life, I highly recommend *Talking Dogs*. JOHN P. MCTERNAN, author of *As America Has Done to Israel*. As I read Sam's book, I was reminded of a line from the greatest of all dog book authors, Albert Payson Terhune. Terhune said that humans were unlucky because they didn't see their God until they died, while a dog saw his God each time he looked into his master's face. This book might just help you find a deeper relationship with God by getting to better know Him through the canines. He sends into your life I know that has been true for me. ACE COLLINS, best-selling author.

A Mouth Full of Fire Andrew G. Shead, 2012-10-04 In this *New Studies in Biblical Theology* volume, Andrew Shead examines Jeremiah's commissioning, embodiment of the word of God, covenant preaching, and oracles of hope. He shows how a differentiation between the divine word and the prophet's words enables the word of God to function as an organizing center for the book's theology. **Victory and Discernment Through the Fruit of the Spirit** Bruce Salisbury, 2020-04-06 Victory and Discernment: Though the Fruit of the Spirit, this reality can be our hope and encouragement for living with a winning strategy in our lives if we repent and accept God's forgiveness in our hearts. As individuals now, in the past, and in the future, we are involved in a spiritual battle of good versus evil. Satan and his cohorts are our enemy. Jesus is our Savior and Provider who loves us unconditionally. As we battle daily against false beliefs and philosophies promoted by false Christ's teachers and those who are uninformed regarding the truth of God's Word, we can have victory in our lives. We do not need to be deceived or led astray. Understanding the fruit of the Spirit prevents us from being confused or deceived and enables us to defeat our enemies spiritually. Victory is winning a battle, struggle, or contest. It is being successful in defeating an enemy. Discernment is being able to see or recognize. With discernment and victory, we can have good judgment and understanding of God's Word and will for us. The purpose of this book is to help those who read it.

to distinguish the difference between true believers in Christ and false believers in Christ and to recognize the difference between true and false apostles regarding their teachings There is clarification of how the fruit of the Spirit operates in a person s life This clarification is accomplished by the discernment given to us by the Holy Spirit When you look at the opposite fruit of each of the good fruit love vs hate you will see the truth that by their fruits you will know them The knowledge here is geared to those who have accepted Christ and to those who have not accepted Christ as their Lord and Savior

Spirit and Manners of the Age ,1827 Strange Fire John F. MacArthur,2013-11-19 In *Strange Fire* bestselling author and pastor John MacArthur chronicles the unsavory history behind the modern Charismatic movement What would God say about those who blatantly misrepresent His Holy Spirit who exchange true worship for chaotic fits of mindless ecstasy who replace the biblical gospel with vain illusions of health and wealth who claim to prophesy in His name yet speak errors and who sell false hope to desperate people for millions of dollars The charismatic movement has always been a breeding ground for scandal greed bad doctrine and all kinds of spiritual chicanery As a movement it is clearly headed the wrong direction And it is growing at an unprecedented rate From the Word of Faith to the New Apostolic Reformation the Charismatic movement is being consumed by the empty promises of the prosperity gospel Too many charismatic celebrities promote a Christianity without Christ a Holy Spirit without holiness And their teaching is having a disastrous influence on a grand scale as large television networks broadcast their heresies to every part of the world In *Strange Fire* MacArthur lays out a chilling case against the modern Charismatic movement that includes Rejecting its false prophets Speaking out against their errors Showing true reverence to the Holy Spirit Clinging to the Bible as the inerrant authoritative Word of God and the one true standard by which all truth claims must be tested
