Spiritual Revivals:

Holy Spirit Revivals Charles G. Finney, 2016-03-04 The Power of God at Work Charles Finney's ministry led to some of the most amazing revivals that have ever occurred in the United States or England In *Holy Spirit Revivals* Finney recalls those events revealing the secrets that led to the mass conversions of lost souls in his meetings throughout upstate New York as well as in Boston Philadelphia and London Finney was unafraid of offending delicate ears by addressing the problem of sin head on and his dedication to prayer his understanding of Scripture and his radical reliance on the power of the Holy Spirit are a great template for believers today This treasured account of one of the greatest Christian preachers in history is an outstanding resource for anyone interested in seeing a revival of faith in the church *Six Steps to Spiritual Revival* Pat Robertson, 2002 Have you lost sight of the dreams God placed in your heart long ago Revival will bring back to life those brittle bruised or dormant areas within you Examining the steps to revival that God gave to King Solomon Pat Robertson reveals an amazing Scriptural pattern He describes radical transformations that occur when people hunger for God's presence and become living sacrifices of praise Now as you radiate knowledge of God others will be drawn to the fire of His presence The unique qualities God placed within you before you were born will begin to bloom and bear fruit for His glory

Revival Now James Burns, 2018-03-06 In Christian history no phenomenon is clearer than the recurrence of revivals A passion for repentance sweeps across a city and those who had been unaware of the supernatural are now keenly aware of God's presence Gripped by conviction of wrongdoing they throw everything aside and desperately search for a way of salvation Our spiritual instincts are often clouded by worthless pursuits but God is working through His laws for the salvation of His people and for the world's good In **Revival Now** learn about God's laws of revival including the laws of progress spiritual growth ebbing tide fullness of time awakening variety and more Edited for today's reader by Tom Phillips **Revival Now** originally written by James Burns in 1909 **Revivals Their Laws and Leaders** traces common characteristics of past revivals and shows how our world today is ripe for a new profound move of God's Spirit Also included are inspirational prompts and prayers to help you experience Scripture and encounter Jesus A Jesus awakening is here DR TOM PHILLIPS is a farm boy from Mississippi whose grandfather was a circuit riding preacher His family's spiritual heritage originated in the great awakenings throughout the Southeast beginning in Kentucky in the early 1800s Today Tom is vice president of the Billy Graham Evangelistic Association BGEA Tom and his wife Ouida have three grown children and make their home in Charlotte North Carolina

Revival If... Rod Parsley,2022 Could it be that God is giving us one last opportunity to allow His Spirit to be poured out upon the earth before the return of Jesus This book will stir you to fan the flames of revival in your own heart so you can partner with the Holy Spirit and fellow believers to see a sweeping move of God transform America and the world Are we living in the last days Is it possible that God is getting ready to pour out His Spirit on the earth one last time before Jesus returns In *Revival IF* best selling author Rod Parsley gives readers a road map for cultivating renewal in their own hearts and minds and for participating in spiritual revival on a national scale Drawing from over forty years of experience with revival personally and in ministry Parsley Clarifies what revival is and what it is not Explains the difference between revival and awakening Includes historical accounts and current perspectives on various revivals While the methods of revival may change the message remains the same This book shares timeless biblical truths that will empower believers to seize the moment and experience true lasting revival and personal renewal *The Spirit of Revival (With the Complete, Modernized Text of The Distinguishing Marks of a Work of the Spirit of God)* R. C. Sproul,Archie Parrish,Jonathan Edwards,2008-01-14 A

key figure during the Great Awakening Jonathan Edwards wrote this important discourse *The Distinguishing Marks of a Work of the Spirit of God* in 1741 just after the revival had reached its peak In his thorough exploration of the true and false signs of revival drawn from 1 John 4 Edwards concludes that while a movement may be accompanied by excesses and questionable actions these signs do not necessarily disqualify it as authentic In a refreshing way Edwards embraces a genuine enthusiasm in these manifestations while stressing the need for biblical discernment His critique is kind and gentle as he points to the true marks of revival love and humility In *The Spirit of Revival* Parrish makes Edwards's entire work more accessible by modernizing the text and adding explanatory notes R C Sproul's extended introduction compares the great theologian's time to our own and the preface by Edwards's contemporary William Cooper rings resoundingly to the people of God today Edwards's message provides more than just insight into the Great Awakening It is a map to follow for all revivals in all times

Seasons of Refreshing Keith Hardman, 1994 Now at last a full length treatment of revivals in America from the earliest settlement to the present Instead of focusing narrowly on an isolated period or specific evangelist *Seasons of Refreshing* traces the entire development of modern mass evangelism and the spiritual awakenings associated with it After a brief review of the church's growth from Pentecost to the Puritans the author leads us on an errand in the wilderness and examines the early harvests under Stoddard Frelinghuysen Edwards Whitefield and the Wesleys Finney Moody Sunday all forming an unbroken chain leading up to the present activities of Billy Graham and Luis Palau *Victorian Religious Revivals* David Bebbington, 2012-05-31 Revivals are outbursts of religious enthusiasm in which there are numerous conversions In this book the phenomenon of revival is set in its broad historical and historiographical context David Bebbington provides detailed case studies of awakenings that took place between 1841 and 1880 in Britain North America and Australia showing that the distinctive features of particular revivals were the result less of national differences than of denominational variations These revivals occurred in many places across the globe but revealed the shared characteristics of evangelical Protestantism Bebbington explores the preconditions of revival giving attention to the cultural setting of each episode as well as the form of piety displayed by the participants No single cause can be assigned to the awakenings but one of the chief factors behind them was occupational structure and striking instances of death were often a precipitant Ideas were far more involved in these events than historians have normally supposed so that the case studies demonstrate some of the main patterns in religious thought at a popular level during the Victorian period Laymen and women played a disproportionate part in their promotion and converts were usually drawn in large numbers from the young There was a trend over time away from traditional spontaneity towards more organised methods sometimes entailing interdenominational co operation **Revival Fires and Awakenings, Thirty-Six Visitations of the Holy Spirit** Mathew Backholer, 2018-01-31 Updated in 2020 *Revival Fires and Awakenings* features thirty six of the most powerful revivals and awakenings from world history as well as little known visitations of the Holy Spirit These revivals span eighteen countries on six continents and

whilst each move of God is different the author reveals the common characteristics and reoccurring experiences which come to the fore during times of God's showers of blessing Throughout the book there is a watermark and undercurrent of the influences of the British Awakening 1739 1791 and the Welsh Revival 1904 1905 and how Christians were stirred and encouraged by past visitations of the Holy Spirit or encouraged and inspired by the lives of revivalists to see the blessing of revival in their own town or nation Read about the glorious workings of God during times of heavenly visitations Revived Christians saved sinners transformed communities and nations healings physical phenomena conviction of sin miracles signs and wonders deliverance from demons prayer and intercession Including visions and prophecies of revival for the United Kingdom and beyond Learn from the past be challenged for today and be inspired for the future **Revival Culture**

Michael Brodeur, Banning Liebscher, 2013-01-17 We all want revival We talk about it pray for it and devise every evangelism strategy imaginable We read about the Great Awakening and recall the Jesus Movement And today we stand at the precipice of another sweeping spiritual outbreak that could reach the ends of the earth But are we ready Revival Culture is an inspirational biblical and empowering manual for the next generation of revivalists Michael Brodeur and Banning Liebscher have been witnessing a spiritual renewal at Bethel Church in Redding California and through Jesus Culture that goes beyond slogans and high hopes to actually reaching They have learned that transformation happens when we see the unreached as Jesus sees them and when we make revival a part of our lives rather than an event This is the full picture of revival culture
