Educating for Meaningful Lives Scott Webster, 2009-01-01 Why are students becoming disengaged from schooling Many teachers administrators and designers of policy and curriculum are expressing concern over this issue Current approaches to schooling are dominated by a perceived need to enable learners to particulate in the knowledge economy Both knowledge and learning how to learn knowledge have become the primary discourses in schooling rather than education School curricula rarely offer any sense of personal significance and for many learners such an approach to the curriculum is meaningless *Educating for meaningful lives* must be a central aim for educative curricula This book offers curriculum designers and teachers a greater understanding of this relation that

education has with living significantly meaningful lives and it does so through the notion of existential spirituality Spirituality is not to be reduced to something religious but rather pertains to how a life is lived An existential perspective enables the meaningfulness of life to provide the necessary significance which is required of a curriculum if it is to be understood as offering personal meaning for learners Approaching the design and teaching of curricula through this perspective of existential spirituality enables learners to live a meaningful life in an uncertain world **Using Spirituality in EMDR**

Therapy Alexandra Dent,2025-03-10 Using Spirituality in EMDR Therapy offers a means for EMDR therapists to integrate a spiritual perspective into their own lives as well as their clinical practice The book offers a valuable alternative to traditional forms of psychotherapy by placing an emphasis on purpose and meaning Taking a spiritually informed model Heart Led Psychotherapy HLP which is applicable to anyone regardless of their spiritual beliefs the book uses a BioPsychoSocioSpiritual approach to treat psychological distress The book provides a comprehensive guide on how to incorporate spirituality into each of the 8 phases of EMDR therapy and beyond It will increase your confidence to work spiritually with clients to deepen their transformative healing process and support them to live a more authentic heart led life Illustrated with case studies to highlight key points and including a range of practical resources exercises scripts and strategies this engaging book will be of great interest to EMDR therapists **Ethical and Spiritual Dimensions of Social**
