Holy Listening Margaret Guenther, 1992-01-25 Guenther uses the images of the spiritual director as host teacher and midwife to describe the ministry of spiritual direction today She pays particular attention to spiritual direction for women and addresses such down to earth questions as setting time and privacy The stories of real people bring the practice of spiritual direction alive In the pages that follow I will attempt to describe the shape that spiritual direction might take for people of our time aware that the subject is an elusive one I am speaking to the beginner those persons lay or ordained with or without formal theological training who find themselves drawn to this ministry Perhaps they feel the stirring of their own unacknowledged gifts Or perhaps they wonder about receiving direction whether it is a ministry available to ordinary people or reserved for the especially holy I hope some dark corners will be illuminated and some questions answered

Barry, 2004 Is what we call the encounter with God merely a depth experience of the psyche or does it have a specific theological character In this revised edition of his best selling book William Barry shows how it is possible to understand an encounter with the Triune God in this world and how that process can be interpreted and aided by a spiritual director Using the insights of John Macmurray and John Smith Barry describes how a relationship with God develops and how one can discern whether a particular experience is from God or not This understanding of religious experience comes from a theology of community communal discernment and ministry in the church This book will be helpful to spiritual directors educators and theologians as well as all educated seekers desiring a deeper relationship with God In this revised edition the author has added reflections on God's presence to suffering and evil and to evildoers updated the bibliography and freshened his examples for the 21st century reader
