Spiritual Legacies Isaac Klein, 1981 [A Set of Holiday Sermons](#), 1926 [My Spiritual Legacy](#) Oscar

Kastner, 2014-07-18 Oscar Kastner didn't have the opportunity to have a relationship with his grandparents to hear what their lives were like and the insights they had learned. To help ensure that his grandchildren would know his thoughts and experiences he composed this account to share his journey in life. Focusing on science, religion, and everyday experiences, Kastner invites his grandchildren and others to examine his legacy and the wisdom he gained from investigating the meaning of life, his relationship to his Creator, and his Creator's purposes for him. Although not expecting everyone to share his views, Kastner hopes his account will spark discussion and curiosity. [A Set of Holiday Sermons](#) Alfred G. Moses, Abraham Cronbach, Leonard J. Rothstein, Harry William Ettelson, Israel Bettan, Joseph Silverman, Samuel Felix Mendelsohn, Harry S. Margolis, Solomon Landman, Ismar Freund, Joseph Stolz, Yisra'el Kaplan, Harry R. Richmond, 1929. Jewish Book Annual Solomon Grayzel, 1983 **Evangelical Spirituality** James McMillan Gordon, 2006-07-10 Of the twenty two Evangelicals who have been studied some have been so widely influential that they are obvious inclusions others though less prominent are still remembered while a few are all but forgotten Selection was controlled by several considerations The period covered spans from the eighteenth century Revival to the present day Figures are included from only Britain and America The aim throughout has been to provide an appreciative exposition of Evangelical spirituality with some evaluative comment In Evangelicalism there is extraordinary diversity in spiritual experience doctrinal emphasis and

personal temperament to the enrichment of the whole Church It has its share too of weaknesses blind spots and inner tensions But judged by its best representatives some of them to be found in this book the Evangelical spiritual tradition is a continuing witness to the power of the gospel and the mission of the Church from the Preface *Longing* Justin David,2018-01-03

Longing is a universal human experience born of the inevitable gulf between dream and reality what we need and what we have While the experience of longing may arise from loss or the awareness of a void in one s life it may also become a powerful engine of spiritual growth prompting one to draw closer to the hidden yet present Other Across the range of Jewish teachings longing takes center stage in one s spiritual life From the Bible through current frontiers in Jewish belief and practice God is both known and unknown immediate and remote present and in constant eclipse This book captures the sense of longing in Jewish tradition by creating a dialogue between the author s own struggles with an estranged father and a wide range of traditional and contemporary sources Focusing on the story of the Hebrew prophet Elisha the book takes the reader through a journey of abandonment creative destruction and ultimately repair and healing engaging with currents in biblical theology rabbinic thought Kabbalah and contemporary Jewish philosophy Written in a familiar yet probing style this book is an accessible introduction to Jewish thought and spirituality as well as a thoughtful companion for more experienced students

Books in Print ,1982 **The Jazz of Preaching, 20th Anniversary Edition** Kirk Byron Jones,2025-03-04 Learn to preach from your soul What if preachers were as contagiously joyful in their preaching as Louis Armstrong was in his playing and singing As rich in their sermonic renderings as Sarah Vaughn was in her virtuosic vocals As honest about heartache as Billie Holiday every time she sang the blues As alluringly clear as the voice of Ella Fitzgerald As tenaciously uninhibited in the action of creating as Duke Ellington This may be too much ask even of persons who are called by God However as Kirk Byron Jones demonstrates preaching can be enhanced by an understanding of the inner dynamics of jazz The forms rules and styles of jazz can inform one s practice of preaching and its simultaneous structure and spontaneity can help preachers better understand their own art In his classic text for students and practitioners Jones explains how preaching is dramatically improved with the application of key elements of jazz including innovation improvisation rhythm call and response honesty about heartache and delight This 20th Anniversary Edition includes a new element preaching from your genuine soul Chapters include instruction and exercises for applying the jazz elements to preaching preparation and performance This edition also includes an Introduction in which the author sets the context for the new material and articulates his conviction that this approach to preaching is needed now more than ever The Jazz of Preaching 20th Anniversary Edition introduces the rich and rewarding possibilities that arise when preachers tap into their own creativity and their own soul when constructing and delivering the sermon Preaching Through the Christian Year: Year B Fred B. Craddock,John H. Hayes,Carl R. Holladay,Gene M. in a New Key Mark R. Glanville, 2025-03-11 As perceptions about pastors change and doubt increases post Christian generations find themselves looking less for a charismatic authority figure and more for healthy leaders Scholar and pastor Mark Glanville provides a fresh look into the art of crafting sermons for both new and experienced pastors seeking to preach in sustainable and resonant ways
