## **Spiritual Meditations:**

*Spiritual meditations* Thomas Goyder,1863      **Divine Breathings: Or, Spiritual Meditations Suited to the Occasion of Breaking Bread, Or Communicating in the Lord's Supper. By John Beart ..** John Beart,1761      *Spiritual Meditations for Teenagers* - Dianna Miller,2010-10-07 These meditations have helped many teenagers grow in their faith and love for God It teaches them the importance of spending time in prayer and living a meaningful Christian life I used them on a weekly basis and received much positive feedback from the students In the front of the book is a letter from one student whose life was changed by the meditations      Twenty-One Days of Spiritual Meditations Elder Dr. Jinkie JW Corbin,2024-08-24 While there are many books on spiritual meditation or devotion this book is simply designed to encourage and enrich the reader in keeping one s focus on the Word of God for just twenty one days The goal is to provide additional insights and wisdom into God s words as one takes the time to allow God to reveal Himself in a more intimate way through these fellowship meditations with the Father God This volume brings two inspired books which contain scriptures spiritual meditations and a focus prayer for others Each day has its own unique special message to bring to one s attention and to challenge one s faith in Christ Jesus The entire volume offers a twenty one day experience which can be used at any time of one s life It is the prayer of the author that each day would bring excitement and elevation to one s faith as one reads and meditates on God s words The author s overall purposes of sharing her spiritual meditations are simple 1 to be a blessing and 2 to bring a source of spiritual strength to the reader for many many years to come These spiritual meditations have indeed been a wealth of growth and power from her It has been her pleasure to be able to write them as well as to apply the knowledge and wisdom from them May the living God richly bless you as He continues to make you a blessing to many in this world Go forth in building up the kingdom of God Amen      *Meditation as Spiritual Therapy* Matthew McWhorter,Matthew R. McWhorter,2024 Christian persons today might seek spiritual development and ponder the benefit of mindfulness exercises but also maintain concerns if they perceive such exercises to originate from other religious traditions Such persons may not be aware of a long tradition of meditation practice in Christianity that promotes personal growth This spiritual tradition receives a careful formulation by Christian monastic authors in the twelfth century One such teaching on meditation is found in the treatise *De consideratione* written by St Bernard of Clairvaux d 1153 to Pope Eugene III d 1153 In textual passages where St Bernard exhibits a clear concern for the mental health of the Pope due to numerous ongoing ecclesial political and military problems St Bernard reminds Eugene III of his original monastic vocation and the meditation exercises associated with that vocation The advice that St Bernard gives to Eugene III can be received today in a way that provides a structure for Christian meditation practice which is relevant for personal development spiritual direction and civil psychotherapy that integrates a client s spirituality into the course of treatment St Bernard thus might be interpreted as a teacher of a kind of Christian mindfulness that can benefit both a person s mental health as well as a person s relationship with God Meditation

as Spiritual Therapy examines the historical context of Bernard's work his purpose for writing it as well as the numerous Christian sources he drew upon to formulate his teaching Bernard's teaching on the course of meditation itself is explored in depth and in dialogue with his other treatises letters and sermons Lastly a contemporary summary of Bernard's teaching is provided with reflections concerning the relationship of this teaching to contemporary spiritual direction and spiritually integrated civil psychotherapy
