Smitten Rodney Hessinger, 2022-12-15 In *Smitten* Rodney Hessinger examines how the Second Great Awakening disrupted gender norms across a breadth of denominations The displacement and internal migration of Americans created ripe conditions for religious competition in the North Hessinger argues that during this time of religious ferment religious seekers could in turn play the missionary or the convert The dynamic of religious rivalry inexorably led toward sexual and gender disruption Contending within an increasingly democratic religious marketplace preachers had to court converts in order to flourish They won followers through charismatic allure and making concessions to the desires of the people Opening their own hearts to new religious impulses some religious visionaries offered up radical dispensations including new visions of how God wanted them to reorder sex and gender relations in society A wide array of churches including Methodists Baptists Mormons Shakers Catholics and Perfectionists joined the fray Religious contention and innovation ultimately produced backlash Charges of seduction and gender trouble ignited fights within and against churches Religious opponents insisted that the newly converted were smitten with preachers rather than choosing churches based on reason and scripture Such criticisms coalesced into a broader pan Protestant rejection of religious enthusiasm *Smitten* reveals the sexual disruptions and subsequent domestication of religion during the Second Great Awakening

Against Sex

Kara M. French,2021-04-27 How much sex should a person have With whom What do we make of people who choose not to have sex at all As present as these questions are today they were subjects of intense debate in the early American republic In this richly textured history Kara French investigates ideas about and practices of sexual restraint to better understand the sexual dimensions of American identity in the antebellum United States French considers three groups of Americans Shakers Catholic priests and nuns and followers of sexual reformer Sylvester Graham whose sexual abstinence provoked almost as much social moral and political concern as the idea of sexual excess Examining private diaries and letters visual culture and material artifacts and a range of published works French reveals how people practicing sexual restraint became objects of fascination ridicule and even violence in nineteenth century American culture Against Sex makes clear that in assessing the history of sexuality an expansive view of sexual practice that includes abstinence and restraint can shed important new light on histories of society culture and politics

Confessions of a Scottsdale Cougar Victoria Phillips,2009-11-25 The media perceptions of a COUGAR an oversexed desperate older woman on the prowl for nave younger meat could not be more misleading Every ripened woman I know to be a real COUGAR is so diverse so deep and so much more The COUGAR today has evolved from a woman that has truly suffered to grow and mature Life has dealt her a hard blow at least once in her youth to teach her what her lifes purpose is truly about Those lessons that are the most painful are the lessons we grow the most from and everything is as it should be Life has taught her with pleasure and anguish those lessons so she can discover the real mystery of life and so she as a spiritually minded soul can connect to the divine divinity of life I have been all things unholy if God can work through me he can work through anyone St Francis of Assisi So if the COUGAR has chosen a sinful lifestyle why is she so mysterious and why have so many now look upon her as the new sexual icon and matron of the mystery of life Perhaps it is from her past sins that she has grown and gained the wisdom of the purpose of life and that is what makes her the most desirable of all Lets explore the fascinating lives of COUGARS Lets get to know about these extraordinary women who fully embrace the COUGAR lifestyle What makes them so astonishing Who are they and where have they come from What lessons has life taught them to make them so amazing What have they been through and where are they going Why do they love dating younger men What keeps them so viral How did they suddenly become so successful smart sexy and powerful How do they exhume such confidence Why have COUGARS become such centers of attention How have they made their middle age the new sexual icon How have these women redefined age and relationships as well as themselves And lastly what is it that makes them so astonishingly desirable

Voices from the Pagan Census Helen A. Berger, Evan A. Leach, Leigh S. Shaffer, 2021-11-24 A compelling portrait of an emerging religious group Voices from the Pagan Census provides unprecedented insight into the expanding but largely unstudied religious movement of Neo Paganism in the United States Helen A Berger Evan A Leach and Leigh S Shaffer present the findings of The Pagan Census which was created and distributed by Berger and Andras Corban Arthen of the Earthspirit Community Analyzing the most comprehensive and largest scale survey of Neo Pagans to date the authors offer a portrait of this emerging religious community including an examination of Neo Pagan political activism educational achievements family life worship methods experiences with the paranormal and beliefs about such issues as life after death A collection of religious groups whose practices evolved from Great Britain's Wicca movement of the 1940s Neo Paganism spread to the United States in the 1960s While the number of people who identify themselves with the religion has continued to rise quantitative study of Neo Paganism has been difficult given the movement's lack of centralized leadership and doctrine and its development as scattered independent groups and individuals Endorsed by all major Neo Pagan leaders The Pagan Census generated a demographically diverse response In contrast to most previous surveys which were limited to Neo Pagan festivals this survey incorporates input from the large population of practitioners who do not participate in such events Keenly anticipated by the academic and Neo Pagan communities the results of the census provide the most in depth information about the group yet assembled Comparing Neo Pagans with American society at large Berger Leach and Shaffer show that although the two groups share certain statistical characteristics there are differences as well The scholars also identify variations within the Neo Pagan population including those related to geography and to the movement's multiple spiritual paths

Seeing the Light Through Black Death Laurence W. Trotter II, 2020-07-19 The bull thought I was dead He looked up from the shattered mess he made of my bow and arrows and stared directly into my eyes His empty gaze pierced through me while he prepared to mount his final charge I knew my life was over This was the day I was going to die Only a miracle could change that As it turned out that was exactly what happened This is a true story Not your typical outdoor exploits set in the wilderness pitting good guys against bad but rather a metamorphosis that would question virtually everything I knew about my life who I was what I needed to change and how I was supposed to live It's a story about redemption and working out my salvation a story about how I seemingly had it all a successful string of businesses a long term marriage four loving children and more friends than I could count The only part of the equation missing was me my true purpose for being on this planet and a deeper relationship with God
