ONENESS with God The Truths of Our Eternal Oneness Giving us Awareness that we need Jesus is Our ONENESS Spirits cannot normally be seen by human eyes yet they exist We have to understand that God is the Spirit of Love our creator We are created in His Likeness and Image meaning we are spirits of Love We have to believe in the Love of God even though we cannot see God the Love that flows from Him we feel it inside us We have to think spiritually **75 GREAT BIBLICAL AND SPIRITUAL TRUTHS** GODSWORD GODSWILL ONU, **Spiritual Truths and Experiences of Life after Death** Gert Niemand,2013 Most of the information in this book came from Angels and Spiritual Masters who are living in the greater World of Spirit Therefore I would like to thank all the Angels and Masters who came down to do their work for God in Love and with Love and all their helpers who helped me to fulfill an oath I made During an out of the body experience while standing at Mountain Zion in the Presence of God I promised Him that I would tell all the people the truth about Him and His Spiritual Messengers the Angels and other life in the Spirit World All the Angels and Masters spoken to have nothing but Love for God their fellows spirits all of Mankind and the Animal Kingdom Life as we know it continuo after death in a slightly different format and regardless of what we say or believe every one of us knows deep in our inner being that we came from the world of spirit and we knows deep inside ourselves that that world is real and that we must one day return to it Regardless of what we say or believe we know within ourselves about the Presence of God I have used most of these short stories as talks during church services because Angels advised me what to write down and to use what they have shown me in the world of spirit as the talk Therefore most of the information in this book is from spiritual beings they are the real authors of this book I am just an instrument used by them as a voice box in the wilderness of Babel to explain some of the wonderful stories we read of in the bible In this way am I also complying with the vow I made to God **Spiritual Truths in Search for Higher Levels of Well-Being** Raul Llanos MD,2020-11-17 This book is an expression of the maturity of my vocation as a healer and my profession as a medical doctor that has given me the tools and the opportunity to find and to share more wellbeing in our lives If we become more conscious of our awareness we will be able to get in touch with an infinite capacity to create richer stages of being During the passages of my book I will share with you spiritual truths that I consider very important to be conscious in the pursue of higher stages of wellbeing Throughout the chapters of the book we will get in touch with our capacity to always expand our conscious reality I include concepts that will help us to be conscious of who we are and how to experience with more easiness and elegancy our holographic reality We explore concepts of the importance of been more in charge of our day and night dreams but mainly to be able to accept that we are experiencing a real illusion reality The power of forgiveness the love and the celebration of the gifts of life are also included with the main goal of helping us to be more aware of our capacity to consciously create our own reality To expand it in an un limited way all at our disposition You will be able to understand that always will be more and that we are a precious conscious gem who co creates precious gems realities **Spiritual Truths for Overcoming Adversity** Greg Hinnant,2024-05-05 Jesus said

Tribulation or persecution arises because of the word Matthew 13 21 NKJV This implies while everyone has troubles committed Christians have them for different reasons Because of the word means we are learning God s Word living it and spreading its saving light Christian difficulties are adversities Satan sends to destroy our faith and usefulness to God Yet God permits them to build Christian character if we respond properly Spiritual Truths for Overcoming Adversity explores the deep ministry of adversity revealing God s loving guidance and wise purposes in all our difficulties Its biblical insights illuminate God s path through every shadowy valley and help us stop fighting and start cooperating with God so He can mature our faith draw us nearer and use us more fruitfully Search this Word light and let it search you Obey it and it will change you Share it so it can shine through you Book Review 1 Words fail me to express how much the Lord spoke to me through this book and comforted me and strengthened me and guided me to withstand my sufferings and adversities Evangeline Spurgeon India Book Review 2 Using Scriptures this book will teach you how to understand and overcome your spiritual battles This book is full of Godly wisdom I praise God for using it to open my heart and mind to know how to overcome E Brennan **Bringing Home Our Spiritual Truths** Barbara Johnston M.A. MNFSH,2019-10-31 I have written this collection of poems over many years From my own experience I find that lyrics are often a very simple way of bringing home to us important messages and spiritual truths My deepest wish is that the contents of these poems will awaken the human mind of our spiritual essence We are all Spirit living in a human body and when we allow the Divine essence within us to rise to the surface we find that we will automatically start to think and act in a spiritual manner and that our life here doesn t change but the method in which we interact with life will So my innermost aspiration is that the words written through my poems might stir a curiosity within us that will affirm that the soul is eternal and that we do not die Our consciousness does survive our body and we continue to exist after our death from this physical world at varying levels of awareness in a greater dimension **The Spiritual Truth Series** Lucian Phoenix-Wolf,2004-10 Have you ever had anything weird or unusual happen to you You are not alone Most people use religion to explain anything supernatural that may have happened to them The author did this and he soon found out how wrong he was Finding the truth is a very freeing experience This book is about opening your mind and finding out the power you have in your beliefs I bet you would be surprised at what you could do if you just change how you think That s right you control what you believe When you uncover the power that you have in your beliefs you could do almost anything All you have to do is accept the fact that truth is stranger than fiction Publisher description **From the Depths** Carol Bass,2019-09-25 From the Depths is a book of spiritual quickening s inspired prayers nuggets life observations and poems Each originating from Spirit given inspirations which bubble up from within the depths of knowledge gained from the Word of God As a result of reading studying gaining knowledge and meditating on God s Word His Truth reveals itself in precise and pointed sayings that quicken the conscience **An Endless Quest for Spiritual Truth: A Practical Guide to Everyday Spirituality** Eric Chifunda,2017-07-20 Would you like a fresh

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spiritual Truths books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spiritual Truths books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spiritual Truths versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spiritual Truths books and manuals for download are incredibly convenient. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spiritual Truths books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spiritual Truths books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spiritual Truths books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
