**William Howitt**

## **Spiritualism For The Enquirer:**

Spiritualism for the Enquirer Harry Ernest Hunt,1931      **Spiritualism in the American Civil War** R. Gregory Lande,2020-07-27 America s Civil War took a dreadful toll on human lives and the emotional repercussions were exacerbated by tales of battlefield atrocities improper burials and by the lack of news that many received about the fate of their loved ones Amidst widespread religious doubt and social skepticism spiritualism the belief that the spirits of the dead existed and could communicate with the living filled a psychological void by providing a pathway towards closure during a time of mourning and by promising an eternal reunion in the afterlife regardless of earthly sins Primary research including 55 months of the weekly spiritual newspaper Banner of Light and records of hundreds of soldiers and family members spirit messages reveals unique insights into battlefield deaths the transition to spirit life and the motivations prompting ethereal communications This book focuses extensively on Spiritualism s religious political and commercial activities during the war years as well as the controversies surrounding the faith strengthening the connection between ante and postbellum studies of Spiritualism      The Key to Theosophy by H.P. Blavatsky H.P. Blavatsky,2007-08-11      *British Spiritual Telegraph* ,1859  
An Encyclopædia of Occultism Lewis Spence,1920      The British Spiritual Telegraph ,      *The British Spiritual Telegraph being a General Record of Spiritual Phenomena* Anonymous,2023-02-16 Reprint of the original first published in 1859 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost  
*The Key to Theosophy* H. P. Blavatsky,2019-01-09 This masterwork by H P Blavatsky traces the broad outlines of the Wisdom Religion and explains its fundamental principles meeting at the same time the various objections raised by the average Western inquirer and endeavoring to present unfamiliar concepts in a form as simple and in language as clear as possible That it should succeed in making Theosophy intelligible without mental effort on the part of the reader would be too much to expect but it is hoped that the obscurity still left is of the thought and not of the language is due to depth and not to confusion To the mentally lazy or obtuse Theosophy must remain a riddle for in the world mental as in the world spiritual each man must progress by his own efforts The writer cannot do the reader s thinking for him nor would the latter be any the better off if such vicarious thought were possible      **An Outline of Spiritualism for the Enquirer** ,1990      **Spiritualism Exposed, Showing Its Origin, Immoral Tendency, Etc** ,1875      *Pamphlets on Spiritualism* ,1870      **The Outsider: The Life and Work of Lafcadio Hearn** Steve Kemme,2023-09-12 Step into the extraordinary life of the man who made an impact as an observer wherever he lived and went on to become the leading western interpreter of Japan and Japanese culture a position he still occupies today Born in Greece and abandoned as a child Lafcadio Hearn lived the life of an exile He travelled the world and became a famous writer but always felt like an outsider in Dublin London Cincinnati New Orleans and French speaking Martinique To him none of these places felt like home Hearn s life in America was punctuated by a

string of successes and failures In Cincinnati he became the city's best known crime reporter but was fired after marrying a black woman Devastated he moved to New Orleans where he championed French Creole and Caribbean culture and created the city's image as a place of voodoo and debauchery the image which many Americans still hold today Hearn arrived in Japan at a time of historic change Sent there as a correspondent he soon found himself alone and jobless He settled in the remote town of Matsue firmly believing that Japan would provide him with an endless supply of rich writing material perhaps enough to last a lifetime Over the next dozen years Hearn published 15 books which were lauded by the likes of Mark Twain William Butler Yeats Albert Einstein and Charlie Chaplin Hearn's books made him famous as the leading writer on Japan and Japanese culture Discover the fascinating journey of Hearn's life and the series of events from peaks to pitfalls that shaped his remarkable story including His troubled childhood and emigration to America with no job or money His career as a popular newspaper writer and essayist in Cincinnati and New Orleans His life in Japan where he became a Buddhist married the daughter of a Samurai and took the Japanese name Yakumo Koizumi Hearn's worldwide fame as a writer especially for his works on ghosts demons monsters and the supernatural world of Japanese folklore Author Steve Kemme is president of the Lafcadio Hearn Society USA and a leading expert on Hearn's life and writings This book includes a foreword by Bon Koizumi Hearn's great grandson and director of the Lafcadio Hearn Memorial Museum in Matsue Japan along with 30 images which portray the pivotal people and places in Hearn's amazing life
