The Allure of Gentleness Dallas Willard,2015-02-10 The revered Christian author whose bestselling classics include *The Divine Conspiracy* and *The Spirit of the Disciplines* provides a new model for how we can present the Christian faith to others When Christians share their faith they often appeal to reason logic and the truth of doctrine But these tactics often are not effective A better approach to spread Christ s word Dallas Willard suggests is to use the example of our own lives To demonstrate Jesus s message we must be transformed people living out a life reflective of Jesus himself a life of love humility and gentleness This beautiful model of life this allure of gentleness Willard argues is the foundation for making the most compelling argument for Christianity one that will convince others that there is something special about Christianity and the Jesus we follow

Transcendental Spirituality, Wisdom and Virtue Douglas Charles Hodgson,2023-05-26 In the face of potentially cataclysmic challenges and existential threats to both humanity and the planet it is timely for this generation to recall and then live by forgotten or ignored universal ethical principles and virtues **Transcendental Spirituality Wisdom and Virtue** *The Divine Virtues and Treasures of the Heart* identifies and explores 36 such principles that represent divine virtues or universal ethical principles Supported by relevant scriptural passages from various faiths such as Baha i Buddhism Christianity Confucianism Hinduism Indigenous spiritual beliefs Islam Jainism Judaism Shintoism Sikhism Taoism and Zoroastrianism each chapter is devoted to exploring

and synthesizing the essence of the scriptural meaning and scope of one Divine Virtue While previous works have focussed generally on ancient wisdom this book extends beyond wisdom to include 35 additional virtues or spiritual principles that underpin these great and diverse religions **What is Born of the Spirit is Spirit** Mark G. Boyer,2019-11-05 What is Born of the Spirit is Spirit provides reflections on Scripture texts associated with Holy Spirit and human spirit Various aspects of Spirit and spirit are explored in one hundred five entries The subtitle A Biblical Spirituality of Spirit indicates the ways biblical authors are inspired to present imaginatively what cannot be pictured Spirit and spirit This book attempts to recover the spirituality of biblical stories that narrate how the Spirit connects to spirit and the results of such connectivity By exploring the use of biblical metaphors and similes we develop a spirituality of Spirit the way human spirit is in the presence of the divine Spirit Spirituality is Spirit connecting to spirit It is Spirit giving birth to spirit John 3 6 **Gentleness** Phyllis J. Le Peau,2001 This best selling and award winning Bible study series has been completely updated and revised for the new millennium This volume helps readers learn how to persuade rather than force be self giving rather than self assertive offer a kind word rather than defensive remarks and discover the strength to be tender 6 SESSIONS An Exposition of Galatians, Third Edition Don Garlington,2007-04-15 The present commentary seeks to be a kind of halfway house between highly technical and popular treatments of Galatians Its purpose is to make the exposition as user friendly as possible with only as many technicalities as necessary to accomplish that end The emphasis of the work is decidedly theological with attention focused on the salvation historical argument of Paul s letter Its main target audience includes pastors students and Pauline scholars The exposition assumes a modified form of the New Perspective on Paul and Second Temple Judaism as its framework of interpretation and for this reason a premium has been placed on the letter s historical context as attested by the literature of Second Temple Judaism as well as the Greco Roman environment However far from being inimical to the foundational concerns of the Reformation this reading of the Galatian letter is fully supportive of the great mottoes of the Reformers themselves Sola Scriptura Sola Fide and especially Solus Christus and all the more as the present work endeavors to honor an oft neglected slogan of the Reformation Ad Fontes to the sources The previous subtitle A New Perspective Reformational Reading has now been changed to A Reading from the New Perspective in order to underscore the author s appreciation of what has been learned from such scholars as J D G Dunn N T Wright and numerous others Twelve Months of Spiritual Fruit Maturing Dr. Catherine Braswell,2021-07-28 When talking to many Christians I have noticed that they are having problems maturing in their spiritual walk They speak of their love for the Lord but cannot seem to be able to love one another or get along with others as being a Christian Many will say it takes a lot to get along with people and they don t think that they can do it The truth of the matter is without Christ working through the Holy Spirit in us it will not happen When you and I allow the Holy Spirit to mature the Fruit of the Spirit in us we will be able to do all the things Christ wants us to do It is the power of God and not of ourselves that the fruit of the Spirit matures In this book I would like to use the Holy Scriptures

through the Spirit of God to help us work on maturing The Fruit of The Spirit in our lives *Gentleness* Debbie Henne, Deborah M. Questions About the Holy Spirit S. Michael Houdmann, 2013-08-22 Every person in the world has felt the influence of the Holy Spirit at one time or another For some its the conviction of sin and righteousness and judgment John 16 8 For others its the comfort guidance and strength He gives To some the Spirit is as mysterious and unknowable as a night wind passing through the treetops To others He is as close and inviting as a friend across the table But even those who know the Holy Spirit personally have questions about Him As Oswald Chambers said The Spirit is the first power we practically experience but the last power we come to understand Thats the reason for this book What gifts does the Spirit give How can I be filled with the Spirit Will the Spirit ever leave me Weve received all these questions and more since GotQuestions.org was founded in 2002 To find the answers we opened the Bible the one book inspired by the Holy Spirit Himself In searching the Scriptures we learn of the Spirits nature His work and His will May the Holy Spirit use the questions and answers in this volume to increase your awareness of His presence encourage your heart and empower your faith

Agents without Empire Antónia Szabari, 2024-03-05 It is well known that Renaissance culture gave an empowering role to the individual and thereby to agency But how does race factor into this culture of empowerment Canonical French authors like Rabelais and Montaigne have been celebrated for their flexible worldviews and interest in the difference of non French cultures both inside and outside of Europe As a result this period in French cultural history has come to be valued as an exceptional era of cultural opening toward others Agents without Empire shows that such a celebration is at the very least problematic Szabari argues that before the rise of the French colonial empire medieval categories of race based on the redemption story were recast through accounts of the Ottoman Empire that were made accessible in a sudden and unprecedented manner to agents of the French crown Spying performed by Frenchmen in the Ottoman Empire in the sixteenth century permeated French culture in large part because those who spied also worked as knowledge producers propagandists and artists The practice changed what it meant to be cultured and elite by creating new avenues of race and gender specific consumption for French and European men that affected all areas of sophisticated culture including literature politics prints dressing personal hygiene and leisure Agents without Empire explores race making in this period of European history in the context of diplomatic reports travel accounts natural history propaganda religious literature poetry theater fiction and cheap print It intervenes in conversations in whiteness studies race theory theories of agency and matter and the history of diplomacy and spying to offer a new account of race making in early modern Europe
