## **Spitting Images:**

**The Spitting Image** Jerry Lembcke, 2000-05 How the startling image of an anti war protester spitting on a uniformed veteran misrepresented the narrative of Vietnam War political debate One of the most resilient images of the Vietnam era is that of the anti war protester often a woman spitting on the uniformed veteran just off the plane The lingering potency of this icon was evident during the Gulf War when war supporters invoked it to discredit their opposition In this startling book Jerry Lembcke demonstrates that not a single incident of this sort has been convincingly documented Rather the anti war Left saw in veterans a natural ally and the relationship between anti war forces and most veterans was defined by mutual support Indeed one soldier wrote angrily to Vice President Spiro Agnew that the only Americans who seemed concerned about the soldier's welfare were the anti war activists While the veterans were sometimes made to feel uncomfortable about their service this sense of unease was Lembcke argues more often rooted in the political practices of the Right Tracing a range of conflicts in the twentieth century the book illustrates how regimes engaged in unpopular conflicts often vilify their domestic opponents for stabbing the boys in the back Concluding with an account of the powerful role played by Hollywood in cementing the myth of the betrayed veteran through such films as *Coming Home* *Taxi Driver* and *Rambo* Jerry Lembcke's book stands as one of the most important original and controversial works of cultural history in recent years **Spitting**

**Image** Kara van de Graaf, 2018-03-14 Kara van de Graaf's debut collection heralds the arrival of an essential new voice in contemporary poetry Through poems that balance personal recollection with ekphrasis science and meditation Van de Graaf searches for answers in the fluctuating relationship between the body and the self Taking as its primary theme the exploration of the female body in current culture *Spitting Image* considers the myriad intersections of the body and gender desire relationships and otherness Van de Graaf interrogates underrepresented elements of the female experience especially the physical rhetorical and aesthetic limitations of fatness in poetry and other arts She then complicates those limitations through her use of innovative forms and imaginative verse implicitly calling for poetry to engage with the female form in fresh ways Throughout Van de Graaf's poems ask In a time where we have more agency to define ourselves than ever before what barriers still remain What do our bodies mean to who we are At turns oblique and direct Van de Graaf's poems strive to create space for themselves not only in the field of contemporary poetry but also in a larger world that has been prone to ignoring or shaming women for their bodies That these poems succeed on both counts is a testament to this remarkable new poet who claims That millimeter of space that means all of us are apart that means we can never really touch anything Yes I want that too

**Creative Virtualities in Human Self-Interpretation-in-Culture** Anna-Teresa Tymieniecka, 2012-12-06

It would seem that modern humanity has unthroned the human spirit undercutting the very foundation of the validity of truth moral values and principles There appears to be no attempt to discern what is beautiful and true it is functional and pragmatic usefulness that seem to dominate human evaluations and transactions with other humans and indeed animals Humanity is becoming detached from the higher aesthetic moral and intellectual works of the human spirit and thus the life of the spirit is often situated on the other side of a gulf opposed to science with its rationality Culture is in danger of becoming reduced to science In other words the great metaphysical questions those of telos of sense often are answered in terms of scientific conceptions But these are at least incomplete if not fragmentary and in principle hypothetical which still leaves the questions unanswered But it is culture that is the manifestation of the human spirit being the historical process of human self interpretation in existence All manifestations of the creative forge of the human being find a role in the fabric of culture which involves progressively widening circles of the human community demanding an integration and attunement with others in their changing conditions of life This consideration of culture involves all areas of philosophical reflection moral aesthetic metaphysical epistemological semiological cognitive and more

*Spitter* David Vaught, 2022-11-17 Finalist for the 2023 CASEY Award Gaylord Jackson Perry was born in 1938 as the younger son of a tobacco sharecropper in Martin County North Carolina He and his older brother Jim grew up against a background of backbreaking work six days a week in a community that boasted not a single paved road until the 1950s Their only relaxation was playing baseball first with their father and later at school While both brothers would go on to succeed as pitchers in major league baseball for Gaylord success would require a lot of perseverance and an almost equal amount of subterfuge After a couple of lackluster seasons with the San Francisco Giants he learned from bullpen mate Bob Shaw how to throw the illegal spitball More importantly he learned to control the tricky pitch and to conceal it from suspicious umpires opposing managers and baffled batters When he finally broke out the spitter in a victory by attrition in a marathon 32 inning nine hour doubleheader against the Mets in May 1964 his destiny was set The Hall of Famer would go on to a 314 265 win loss record with a 3 11 earned run average and 3 534 career strikeouts becoming the first pitcher in major league history to win the Cy Young Award in both leagues Sports historian David Vaught has mined archival and public records game statistics media accounts and previously published works including Perry's 1974 autobiography to compile the first critical biography of a player as famous for his wry humor and downhome banter as for his trademark illegal pitch Written for baseball fans and American sports historians *Spitter Baseball's Notorious Gaylord Perry* provides new insights and genuine enjoyment of the game for a wide range of readers **Alan Hollinghurst and the Vitality of Influence** Allan Johnson, 2014-04-09 Alan Hollinghurst and the Vitality of Influence proposes a striking approach for reading the influences that interlace twentieth century gay British writers Focusing on the role of the textual image in literary influence this book moves toward a new understanding of the interpenetration of literary and visual culture in the twentieth century **Hero in the Mirror** Todd Shorack, 2010-05 In his grandparents attic 12 year
