Comics and Power Rikke Platz Cortsen, Erin La Cour, Anne Magnussen, 2015-02-05 Many introductions to comics scholarship books begin with an anecdote recounting the author s childhood experiences reading comics thereby testifying to the power of comics to engage and impact youth but comics and power are intertwined in a numbers of ways that go beyond concern for children s reading habits Comics and Power presents very different methods of studying the complex and diverse relationship between comics and power Divided into three sections its 14 chapters discuss how comics
