Splendid Wayfaring:

The Splendid Wayfaring John Gneisenau Neihardt, 1920-01-01 With the publication of *The Splendid Wayfaring* in 1920 John G Neihardt sought to restore the reputation of a mountain man who went far in opening up the American West The exciting narrative begins in 1822 when Smith ascended the Missouri River in the first fur trading expedition of William H Ashley and Andrew Henry and ends in 1831 when he was killed by Comanche Indians on the Cimarron River In the intervening years Smith became the first explorer to recognize South Pass as the gateway to the Far West the first overlander to reach California and travel up the coast to the Columbia River and the first white man to cross the Sierra Nevada and the Great Basin from west to east *The Splendid Wayfaring* follows in novelistic detail the history making adventures of Smith and his companions *The Splendid Wayfaring* John Gneisenau Neihardt, 1970 *The Splendid Wayfaring* John Gneisenau Neihardt, 2019-02-25 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *The Splendid Wayfaring* Haldane Macfall, 1929 *The Splendid Wayfaring: The Story of the Exploits and Adventures of Jedediah Smith and His Comrades, the Ashley-Henry Men, Discoverers and Exp* John Gneisenau Neihardt, 2018-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *SPLENDID WAYFARING* John Gneisenau 1881-1973 Neihardt, 2016-08-28 This work has been selected by scholars as being culturally

Neihardt, 2017-10-11 Excerpt from *The Splendid Wayfaring* The Story of the Exploits and Adventures of Jedediah Smith and His Comrades the Ashley Henry Men Discoverers and Explorers of the Great Central Route From the Missouri River to the Pacific Ocean 1822 1831 The student of American History in our schools is given an opportunity to become well acquainted with the early explorations of the Great North west and the Great Southwest he is taught little or nothing of the real discoverers of the central route from the Missouri River to the Pacific Ocean This is due to the fact that until very recently our historians have been concerned too much with governmental acts too little with the activities of the people themselves The official explorers of the Northwest and the Southwest were actually pioneers but the official exploration of the great central region beyond the Rockies was undertaken twenty years after the actual discoverers and explorers had set out from St Louis Considering the fact that it was by way of the central route that the tide of migration flowed across the Rockies and possessed the Far West it would seem that the discovery and exploration of that route might now at last be given some attention in our schools About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Splendid Wayfaring Haldane Macfall, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1912 edition Excerpt TO THE STUDENT THE PROFESSOR THE CRITIC AND THE MAN IN THE STREET OW your ordinary man what time he can spare from the fantastic business that he has set up as his calling or object in life gives a certain serious consideration in his day to phases of his mind which he calls religion or recreation or culture or sport or getting on or the like His religion tis true he keeps at solemn arms length shrinks from being on too familiar a footing with it

treats with aloof and reverential respect lest it overstep decorum be guilty of familiarity and enter too intimately into his conduct though he compel it upon his neighbour with dogged resolution His recreation he takes more whole heartedly or as wholeheartedly sees to it that his neighbours shall not take it which is only another if greyer form of recreation But the most vital faculty that is granted to him whereby he alone may increase the splendour of life he thrusts aside among the lesser things accounting it of less significance in his day than his sport to say nothing of food and drink and money Nay the very word Art which is the next most important in his short wayfaring to Life itself he associates with a painting in a gilt frame by some long dead artist which he does not understand but respects as a fetish because in some vague way he realises that large sums of money are needed to purchase it by people who understand the art of it perhaps as little as he The Great and the heirs to the once Great living in a palatial atmosphere are surrounded by masterpieces of painting of antique days for which they care or do not care and they that are new come to wealth being at their wits end often as not to know what to do with
