Splendid Legacy Virginia M. Esposito, 2002-01-01 *Splendid Legacy 2* Virginia M. Esposito, Peter Panepento, 2017

Creating a Private Foundation Roger D. Silk, James W. Lintott, 2010-05-27 Imagine all you'd like to accomplish with your philanthropy. Now picture a large portion of your resources never reaching their intended use due to poor strategies, mismanagement or unnecessary taxes. Today the opportunities in the philanthropic sector are greater and more varied than ever. Private foundations, which offer several estate and tax planning advantages as well as unparalleled donor control, have become the vehicle of choice for more than sixty thousand individuals and families and may be ideal for you. *Creating a Private Foundation* introduces the issues you need to understand and gives the big picture on how foundations work. It tells you exactly what is involved for you for the causes you care about for your finances and taxes and for your heirs. Chapters address the practicalities as well as the implications of founding, funding, organizing and operating an effective foundation, including growing its endowment, allocating its assets and selecting professional foundation management help. Roger Silk, James Lintott and their colleagues, leaders in the foundation consulting arena, have pooled their wisdom in this comprehensive guide for donors and your advisers. If you're looking to make a difference, there is no better guide.

Advising Ultra-Affluent Clients and Family Offices Michael M. Pompian, 2009-04-22 A timely guide for financial professionals looking to tap into the lucrative world of the ultra-affluent. The ultra-affluent, defined here as those having 50 million or more in liquid assets, are an elite class who expect their financial advisors to not only preserve and grow their assets but also help them with soft issues such as philanthropy and family governance. One of the biggest factors to success in this field is the relationship between the client and the advisor. In *Advising Ultra-Affluent Clients and Family Offices*, author and practicing investment consultant Michael Pompian provides a practical introduction to who the ultra-affluent actually are and reveals what it takes to build and maintain a solid relationship with them. Filled with in-depth insights and expert advice, this unique resource offers valuable information on issues that every advisor to the ultra-affluent must be familiar with.
