Splendors of the Past , 1981 EXPLORES LOST CITIES OF THE ANCIENT WORLD **Lost Cities** Giles Laroche, 2020
Describes life in settlements from the Temple of Karnak in ancient Egypt Herculaneum and Great Zimbabwe to Fatepur Sikri in India and Jamestown Virginia and explains how they became lost cities how they were found and what is unusual about them **Lost Civilizations** Sharon Linnea, 2009 Suspenseful intriguing simply irresistible since its debut just a year ago
Mysteries Unwrapped has captivated kids Even reluctant readers love the appealing high interest topics and cool secret file design that they just have to open The newest entry to the series introduces children to some of the world s most fascinating but now long gone civilizations Find out about Ur a thriving ancient city that disappeared under sand Learn about the Maya and the lengths they went to to appease the gods Puzzle out the clues to the legendary lost city of Atlantis Read the graffiti written on the walls of Pompeii before Vesuvius erupted and preserved intact See the city hidden by the Gods Angkor Wat a Khmer temple and religious center in Cambodia **Ancient Cities** Charles Gates, 2013-04-15 Well illustrated with nearly 300 line drawings maps and photographs Ancient Cities surveys the cities of the ancient Near East Egypt and the Greek and Roman worlds from an archaeological perspective and in their cultural and historical contexts Covering a huge area geographically and chronologically it brings to life the physical world of ancient city dwellers by concentrating on evidence recovered by archaeological excavations from the Mediterranean basin and south west Asia Examining both pre Classical and Classical periods this is an excellent introductory textbook for students of classical studies and archaeology alike **The Diviner's Chronicle** Frank DuPont, 2013-12-17 Enlil Bani stood up from the royal palanquin and looked over the crowd his wrist discreetly shackled to the seat His head buzzed from deep sorrow weariness and lack of sleep yet he was concerned that he might be recognized by anyone he knew He also felt ashamed to have been substituted for the king destined to be hung at the end of the day as a murderer His face and scalp itched from the false wig and beard he wore designed to make him resemble the genuine king of Isin city The year is about 1860 B C E Sumeria If the soothsayers predicted that a calamity would happen to the real king it was a common practice to create a substitute king in his place By executing the substitute the gods would be fooled and the prediction would come true This day was unique because Enlil Bani is known to have survived and remained on the throne for twenty four years Called a real page turner and a total immersion in Sumerian life The Diviners Chronicle is based on history and reveals a range of emotions including ambition and avarice jealousy and revenge lust and love plus loyalty and compassion Reading Programs for Young Adults Martha Seif Simpson, 2015-11-16

No Greater Loss: Memoirs of a Green Beret Under Two Flags Saren Thach, MST, CPA,2024-08-12 The war in Cambodia 1970 1975 pitching the unprepared Cambodian army against the battle tested communist Vietcong North Vietnamese troops who had fought for over a decade against the mighty American army was a lopsided brutal conflict Soon after the communist Khmer Rouge added to their rank The heroic sacrifice by the Cambodian fighters the populace and the dedicated small Khmer Special Forces units all supported by the United States meager financial and logistic assistance were not enough to overcome the fatal pre war

shortfall created by the Khmer leader namely Prince Norodom Sihanouk who joined the enemy in the war fighting his own people for the sake of power The book highlighted crucial military operations some known only to very few personalities which the author participated in and the resulting triumph and defeat The American Congress's refusal in late March 1975 to continue further military assistance sealed the fate of the country The Cambodian sentiment is that America callously betrayed its friend and ally whose paramount aspiration is freedom and liberty This abandonment was also the American trademark in Vietnam and decades later in Afghanistan The book provides the plausible causes of the decline of the ancient Khmer civilization near the end of the Angkor era in the fourteenth century C E the era that produced a powerful Kingdom in the entire Southeast Asia decline within the context of religious conflict and the geopolitical emergence and evolution of neighboring nations The fall of Prince Norodom Sihanouk in March of 1970 gave communist Vietnam the Khmer's traditional adversary pretext to invade the country at will against international law The Cambodians will never forgive nor forget the tremendous sufferings levied upon them in which all Khmer families were affected In the shadow of his enormous tragedy early in life and likewise that of his current wife and considering the autumn of his existence the author's wish is for the sake of humanity if he can do something good let him do it now for he will pass this planet earth only once *The Achievement of Genius* Lawrence F.
