of fashion AngloMania examines aspects of English culture such as class sport royalty pageantry eccentricity the gentleman and the country garden which have fuelled the European and American imagination This beautiful book presents historical costumes juxtaposed with late 20th and early 21st century fashions by Hussein Chalayan John Galiano Stephen Jones Shaun Leane Alexander McQueen Philip Treacy and Vivienne Westwood As with the hugely successful exhibition Dangerous Liaisons Fashion and Furniture in the 18th Century at the Metropolitan Museum the clothing is styled as a series of thematic vignettes in the Museum s English Period Rooms This book comprises photographs of the installations along with text written by Andrew Bolton From AngloMania we learn that Englishness is a romantic construct based on fictive and imaginary narratives In terms of fashion these narratives emerge as ones that are satirical nostalgic theatrical and like the English weather at once indomitable and unpredictable

Jefferson on Display G. S. Wilson, 2018-06-26 When we think of Thomas Jefferson a certain picture comes to mind for some of us combining his physical appearance with our perception of his character During Jefferson s lifetime this

image was already taking shape helped along by his own assiduous cultivation In Jefferson on Display G S Wilson draws on a broad array of sources to show how Jefferson fashioned his public persona to promote his political agenda During his long career his image shifted from cosmopolitan intellectual to man of the people As president he kept friends and foes guessing he might appear unpredictably in old worn and out of date clothing with hair unkempt yet he could as easily play the polished gentleman in a black suit as he hosted small dinners in the President s House that were noted for their French inspired food and fine European wines Even in retirement his image continued to evolve as guests at Monticello reported being met by the Sage clothed in rough fabrics that he proudly claimed were created from his own merino sheep leading Americans by example to manufacture their own clothing free of Europe By paying close attention to Jefferson s controversial clothing choices and physical appearance as well as his use of portraiture architecture and the polite refinements of dining grooming and conversation Wilson provides invaluable new insight into this perplexing founder [Encyclopedia of Interior Design](#)
