## **Split Second:**

*The Split Second* M. R. D. Meek, 1987      *Split Second* David Baldacci, 2003 All it took was a split second for Secret Service Agent Sean King to avert his glance and leave an opening for an assassin's bullet. The result: presidential candidate Clyde Ritter was shot dead right beside him.      *Split Second* Dennis McIntyre, 1984      The Seems: The Split Second John Hulme, Michael Wexler, 2009-09-01 Becker Drane, a Fixer in the parallel universe called the Seems, is called upon to repair the damage caused by a bomb planted in the Department of Time, an act of terrorism perpetrated by the evil members of the Tide.

**God of the Splitsecond** Trudy Morrow, 2012. *God of the Splitsecond* relates to events that are more than mere coincidences. The book of short stories starts with Emma on the Road as the first event the author remembers as a child seeing God in action. The other event is Babushka in the Field, which happened 50 years and 5 seconds later, from which she coined the title of this book. The most dramatic is the Berlin Exodus through the Red Sea, where over a thousand Mennonites escaped in a freight train unnoticed by the Soviets to get to Paraguay. The book covers the period from World War II to the present. It includes many other *God of the Splitsecond* events in the lives of Corrie ten Boom, Livingstone Squanto, Dayuma of the Aucas, Schaeffer's L. Abri, and others. It encourages the readers to see the hand of Providence in their own lives. The original version of this book was written for the grandchildren of the author's family for whom she made some 300 drawings to illustrate each story. Trudy Morrow M.A. was born in 1933 in a 200-year-old German colony in Eastern Europe. In the upheaval of 1940, Hitler had multitudes of ethnic people removed from their homeland and resettled in Poland and the so-called Reich. She remembers wartime experiences and life as refugees in West Germany but values the blessings of her American home in New England for over 40 years. The author has a Masters degree in social psychology from the University of New Haven, worked as secretary, administrator, educator, and medical translator for many years. She is the widow of an Anglican pastor and was involved in Christian education, art, and philosophy. She developed the Otaspeed Writing System™, [www.otaspeedwriting.com](http://www.otaspeedwriting.com), and is the founder of Otawit Institute™, Apologetics for Teens, [www.otawit.com](http://www.otawit.com).      **Flying**

**Angry?** Jerry Campbell, 2011-07-01. The *Who Me* series of books offer words that are different than what we hear most often. Daily we are hearing Go Go Go, but for Dr. Campbell, he hears Stop, Look, and Listen. His *Who Me Angry* book places a parenthesis of time devoted to putting on the brakes and of all things to stop, look, and listen. His truth is as old as the human race, except for his profound wisdom emanating from his thesis on life and anger, which may be the one sound investment into everyone's life that will make the difference.      Blue Book, Tiffany and Company, 1906      **Hyperbodies**, Kas Oosterhuis, 2003. *Hyperbodies* are buildings and environments which can continuously change shape and content. The mutations of such buildings depend on the input coming from their user as well as from the surroundings. This interaction between user and

building is determined by a data flow which the hyperbody uses and converts into a hypersurface structure which then alters our perception of space in and around the hyperbody The architect programs this interaction and can thereby define the specific character of the building In this book the author provides a concise overview of this latest digital tool Kaas Oosterhuis is Professor at the Technical University Delft and is a well known Dutch architect *Split Second*, 1992 *Are We Winning?* Will Leitch, 2025-05-01 A hilarious tribute to baseball and to the fathers and sons who share the love of the game *Are We Winning* is built around a trip to Wrigley Field to watch the St Louis Cardinals play the Chicago Cubs the lovable losers to most fans but the hated enemy to the Leitch men Along for the ride are both Will s father the gregarious but not exactly demonstrative Midwestern titan who despite being a die hard Cards fan and living his whole life just 200 miles south of Chicago had never been to Wrigley Field before this game and Will s college friend a lifelong Cubs fan The Cardinals have recently fallen out of the pennant race and the Cubs as it turns out are attempting to clinch the division on this Saturday afternoon in September The pitchers are Ted Lilly for the Cubs and Joel Pineiro for the Cardinals It s just a regular game Play ball The book unfolds in half inning increments where Will gives one of a kind insight on the past present and future of the game from Pujols unrivaled greatness to the myth that steroids have ruined baseball Along the way he shares memories of his father and growing up in the small town of Mattoon including the year his dad coached his Little League team and nicknamed a scrawny kid Bulldog and an unlikely postgame episode involving a biker bar and Mr Holland s Opus And there is beer Lots and lots of beer *Are We Winning* is a book about the indelible bond that links fathers and sons For the Leitch men it s baseball that holds them together not that either of them would ever be so weak as to admit it No matter how far apart they are or what s going on in their lives they ll always be able to talk about baseball It s the story of being a fan a story about fathers sons and legacies And one perfect game *Boys' Life*, 1955-05 *Boys Life* is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *A Stay of Execution* Tom Janikowski, 2015-05-11 *A Stay of Execution* is a collection of 91 pieces of short fiction ranging in length from the form known as flash or sudden to the short story In this second collection of Janikowski s often bizarre work the stories span a wide expanse of subject matters and moods which has contributed to his style being likened to *A Prairie Home Companion* on shrooms Tales of good and evil are set against nightmarish stories some bordering on the psychedelic some unashamedly tongue in cheek *Twerp* Mark Goldblatt, 2013 In Queens New York in 1969 twelve year old Julian Twerski writes a journal for his English teacher in which he explores his friendships and how they are affected by girls a new student who may be as fast as Julian and especially an incident of bullying *When Texas Prison Scams Religion* Michael G. **The Substitute Bridegroom** Charlotte Louise Dolan,2013-06 Elizabeth Goldsborough was enjoying a London season that promised marriage to that handsome gentleman Simon Bellgrave But an accident involving arrogant Captain Darius St John stole her happiness She was forced to accept St John s honorable offer of marriage though she knew he had no interest in her How was she to bear being married in name only when she found herself falling in love with her bridegroom Regency Romance by Charlotte Louise Dolan originally published by Signet     Subconscious Mind Emily Wilds,2020-09-27 This is a 2 book combo which has the following titles Book 1 The power of our minds stretches far beyond our current comprehension No matter how much science keeps progressing they still find new wonders of the human brain One of the reasons for this is that the subconscious mind suppresses and exposes many impulses and neural pathways that we don t generally notice in our daily lives Therefore in this book we focus on several things which include how to decrease fears phobias and anxiety through the subconscious mind how to use curiosity conscientiousness and creativity to our advantage the inner language and monologue in our brains and the difference between subconscious and unconscious thoughts and ideas Book 2 Do you know what the seven keys are to think better And do you understand the advantages of creative visualization Many people have no clue what s going on inside their minds And even though I cannot promise that this book can explain every thought and every idea or imagination it will definitely give you new insights that help you get a firmer grasp of the neurological connections your brain is making The questions just mentioned will be answered as well as other questions related to consciousness subtle mistakes we make when we buy into different brands the three potential ways to develop conscientiousness and what you secretly know even though you may not realize it
