Krishna Bansal,John Brian Harrison,1994-01-01 **Spoken English Phrases (book - 3)** A Mustafaoglu,Robert Allans,2023-04-23 Care to have a good command of spoken English If you re willing to look no further You re in good hands now As a matter of fact listening comes on top of the list when it comes to mastering a second language this is how we learned our first language in the first place Thus exposing ourselves to extended periods of audible language input can never be underestimated Besides if we re keen to take our spoken English to the next level we are expected to focus on the language as a whole In other words it pays to study the grammar the vocabulary the phrasal verbs the idioms as well as the slang form of the language Accordingly the more engaging and effective the material is the faster we re going to learn and develop and here where this book comes into play *Spoken English Phrases* is a carefully selected collection of handy and

commonly used phrases in English that need to be carefully considered if the learner is serious about being confident and fluent in English. In fact, there are a must learn phrases that can never be acquired unless they are learned in practice i.e. in conversations. For example, we say "I owe you one" to thank someone for helping us and as a way of saying that we will do something for them in the future. The optimal method to master such phrases is through the dialogues and interactions that are presented in a very engaging and appealing manner in this book.

English Ken Xiao, 2017-04-17 Spoken English Learned Quickly Lynn Lundquist, 2002-01-01 Are you frustrated with your English study? You want to speak English. Instead, you are taught to write English sentences and memorize grammar rules. There is a better way. The best way for you to learn a language is to speak it. Therefore, the author of SPOKEN ENGLISH LEARNED QUICKLY developed a method so that you can learn English by speaking it even when you do not yet know the language. Two U.S. patent applications have been filed on the method. This new method allows even the beginning student to speak grammatically correct English for two or more hours each day. The Fluency Builder Course provides enough audiotape material for nine months of spoken English study. Through repeating grammatically correct English sentences, you will quickly learn to speak fluently. The course emphasizes correct use of the English verb.

SPOKEN ENGLISH LEARNED QUICKLY uses neither beginning nor advanced levels of study. All students use the same course and are immediately immersed in normal spoken English. This is a self-taught course for highly motivated students. Fluency is achieved at almost twice the rate attainable with typical ESL courses.

Teaching of English in India has been traditionally grammar based. The teacher teaches a good deal of grammar, assigns exercises in class or as homework, and makes a lot of corrections. Such painstaking efforts on the part of the teacher are of course helpful in learning the language but do not much help the student to use the language in day to day conversation. Leaving aside the traditional method of dealing with grammar as an isolated subject, the present book offers a specific course in spoken English that focuses on the language of interaction and social exchanges. Its main emphasis is on developing communicative ability of the learner.
