

SPORT DANCE AND EMBODIED IDENTITIES

Edited by Noel Dyck and Eduardo P. Archetti

Sport Dance And Embodied Identities

Juliet E. McMains

Sport Dance And Embodied Identities:

Sport, Dance and Embodied Identities Noel Dyck, 2003 Sport and dance command the passions and devotion of countless athletes dancers and fans worldwide Although conventionally thought to reside within separate social realms these two embodied cultural forms are revealed in this benchmark volume to share a vital capacity to constitute and express identities through their practiced movements and scripted forms Thus the work of choreographers and coaches along with the performances of dancers and athletes offer not merely entertainment and aesthetic accomplishment but also powerful means for celebrating existing social arrangements and cultural ideals or alternately for imagining and advocating new ones Drawing on a wide selection of sport and dance activities from around the world this book elucidates the ways in which embodied performances both mirror and reshape social life It traces for example how football salsa and tango can each be employed to articulate or rewrite national and gender identities Also examined are children's sport and the dynamics by which immigration and cultural integration along with the socialization of children and youth may be directed through the organization of community sport The volume investigates the marshalling of sport and dance in settings from Africa to Ireland as vehicles for framing moral issues that revolve around the appropriate use protection and exhibition of the body This innovative study establishes the paradoxical fashion in which dance and sport can unite certain people and communities while at the same time serving exclusionary and nationalistic purposes

Routledge Handbook of the Sociology of Sport

Richard Giulianotti, 2015-07-24 The sociology of sport is a core discipline within the academic study of sport It helps us to understand what sport is and why it matters Sociological knowledge implicit or explicit therefore underpins scholarly enquiry into sport in every aspect The Routledge Handbook of the Sociology of Sport is a landmark publication that brings together the most important themes theories and issues within the sociology of sport tracing the contours of the discipline and surveying the state of the art Part One explores the main theories and analytical approaches that define contemporary sport sociology and introduces the most important methodological issues confronting researchers working in the social scientific study of sport Part Two examines the connections and divisions between sociology and cognate disciplines within sport studies including history anthropology economics leisure and tourism studies philosophy politics and psychology Part Three investigates how the most important social divisions within sport and in wider society are addressed in sport sociology including race gender class sexuality and disability Part Four explores a wide range of pressing contemporary issues associated with sport including sport and the body social problems associated with sport sport places and settings and the global aspects of sport Written by a team of leading international sport scholars including many of the most well known respected and innovative thinkers working in the discipline the Routledge Handbook of the Sociology of Sport is an essential reference for any student researcher or professional with an interest in sport

The Discipline of Leisure Simon

Coleman, Tamara Kohn, 2008-01-01 The burgeoning social scientific study of tourism has emphasized the effects of the post

industrial economy on travel and place However this volume takes some of these issues into a different area of leisure the spare time carved out by people as part of their everyday lives time that is much more intimately juxtaposed with the pressures and influences of work life and which often involves specific bodily practices associated with hobbies and sports An important focus of the book is the body as a site of identity formation experience and disciplined recreation of the self Contributors examine the ways rituals sports and forms of bodily transformation mediate between contemporary ideologies of freedom choice and self control

Sport and Identity in Ancient Greece Zinon Papakonstantinou,2019-04-24 From the eighth century BCE to the late third century CE Greeks trained in sport and competed in periodic contests that generated enormous popular interest As a result sport was an ideal vehicle for the construction of a plurality of identities along the lines of ethnic origin civic affiliation legal and social status as well as gender Sport and Identity in Ancient Greece delves into the rich literary and epigraphic record on ancient Greek sport and examines through a series of case studies diverse aspects of the process of identity construction through sport Chapters discuss elite identities and sport sport spectatorship the regulatory framework of Greek sport sport and benefaction in the Hellenistic and Roman world embodied and gendered identities in epigraphic commemoration as well as the creation of a hybrid culture of Greco Roman sport in the eastern Mediterranean during the Roman imperial period

Anthropologica ,2004 **Sport, Culture and Society** Grant Jarvie,2006-04-18 This exciting accessible introduction to the field of Sports Studies is the most comprehensive guide yet to the relationships between sport culture and society Taking an international perspective Sport Culture and Society provides students with the insight they need to think critically about the nature of sport and includes a clear and comprehensive structure unrivalled coverage of the history culture media sociology politics and anthropology of sport coverage of core topics and emerging areas extensive original research and new case study material The book offers a full range of features to help guide students and lecturers including essay topics seminar questions key definitions extracts from primary sources extensive case studies and guides to further reading Sport Culture and Society represents both an important course resource for students of sport and also sets a new agenda for the social scientific study of sport

Men's Health Alex Broom,Philip Tovey,2009-02-24 This book explores the social political and theoretical underpinnings of the men s health field Written by experts in the field it provides a comprehensive understanding of the relationships between cultural understandings and health related issues It looks at important issues such as prostate cancer chest pain and heart disease and how men experience such problems It examines sexuality mental illness and ethnicity as well as the role that sport can play in men s health outcomes

Disciplining Bodies in the Gymnasium Patricia Anne Vertinsky,Sherry McKay,2004 The prize winning War Memorial Gymnasium at the University of British Columbia is discussed here examining what the building s design construction and shifting functions reveal about the university s values during the post war years

When Men Dance Jennifer Fisher,Anthony Shay,2009-10-09 When Men Dance explores the intersection of dance and perceptions of male

gender and sexuality across history and different cultural contexts Chapters tackle the history and dilemmas that revolve around dance and notions of masculinity from a variety of dance studies perspectives and are accompanied by fascinating personal histories that complement their themes

Sports around the World John Nauright, 2012-04-06 This multivolume set is much more than a collection of essays on sports and sporting cultures from around the world it also details how and why sports are played wherever they exist and examines key charismatic athletes from around the world who have transcended their sports Sports Around the World History Culture and Practice provides a unique global overview of sports and sports cultures Unlike most works of this type this book provides both essays that examine general topics such as globalization and sport international relations and sport and tourism and sport as well as essays on sports history culture and practice in world regions for example Latin America and the Caribbean the Middle East and North Africa Europe and Oceania in order to provide a more global perspective These essays are followed by entries on specific sports world athletes stadiums and arenas famous games and matches and major controversies Spanning topics as varied as modern professional cycling to the fictional movie Rocky to the deadly ball game of the ancient Mayans the first three volumes contain overview essays and entries for specific sports that have been and are currently practiced around the world The fourth volume provides a compendium of information on the winners of major sporting competitions from around the world Readers will gain invaluable insights into how sports have been enjoyed throughout all of human culture and more fully comprehend their cultural contexts The entries provide suggestions for further reading on each topic helpful to general readers students with school projects university students and academics alike Additionally the four volume Sports Around the World spotlights key charismatic athletes who have changed a sport or become more than just an outstanding player

Children Dancing in Bali Jonathan McIntosh, 2025-05-01 The question of power and agency between children and adults within the context of traditional Balinese dance remains multilayered While adults exercise authority over children in formal settings an alternative dynamic exists outside the confines of traditional performance contexts where children operate as artistic agents In this illuminating ethnographic study of Balinese dance traditions Jonathan McIntosh examines how children navigate the nexus of practice performance and power through the medium of Balinese culture From structured dance classes to gatherings that embrace popular music Children Dancing in Bali spotlights the creative potential of Balinese performance practices to negotiate identity and society

Spinning Mambo Into Salsa Juliet E. McMains, 2015 Arguably the world's most popular partnered social dance form salsa's significance extends well beyond the Latino communities which gave birth to it The growing international and cross cultural appeal of this Latin dance form which celebrates its mixed origins in the Caribbean and in Spanish Harlem offers a rich site for examining issues of cultural hybridity and commodification in the context of global migration Salsa consists of countless dance dialects enjoyed by varied communities in different locales In short there is not one dance called salsa but many Spinning Mambo into Salsa a history of salsa dance focuses on its

evolution in three major hubs for international commercial export New York Los Angeles and Miami The book examines how commercialized salsa dance in the 1990s departed from earlier practices of Latin dance especially 1950s mambo Topics covered include generational differences between Palladium Era mambo and modern salsa mid century antecedents to modern salsa in Cuba and Puerto Rico tension between salsa as commercial vs cultural practice regional differences in New York Los Angeles and Miami the role of the Web in salsa commerce and adaptations of social Latin dance for stage performance Throughout the book salsa dance history is linked to histories of salsa music exposing how increased separation of the dance from its musical inspiration has precipitated major shifts in Latin dance practice As a whole the book dispels the belief that one version is more authentic than another by showing how competing styles came into existence and contention Based on over 100 oral history interviews archival research ethnographic participant observation and analysis of Web content and commerce the book is rich with quotes from practitioners and detailed movement description

Sport and Performance in the Twenty-First Century Kelsey Blair, 2022-12-30 Analyzing sport through the lens of performance and theorizing performance through the lens of sport Sport and Performance in the Twenty First Century offers a field intervention a series of in depth performance analyses and an investigation of the intersection between sport performances and public life in the historical present in the global north The objectives of this book are three fold First the book advocates for the study of sport in the fields of Theatre and Performance Studies and through in depth performance analyses demonstrates how the critical language and methods of performance studies help illuminate the manifold impacts of the practices activities and events of sport Second the book introduces new critical language that was originally developed in conjunction with sport but is also designed for cross genre performance analysis In introducing novel terminology the book aims to simultaneously facilitate analysis of sport performances and to demonstrate how the study of sport can contribute to the fields of Theatre and Performance Studies Finally the book investigates the epistemological affective and socio political effects of sport performances in order to illuminate how sport performances influence and are influenced by their historical conditions This study will be of great interest to students and scholars in Theatre and Performance Studies Physical Culture Studies and Socio Cultural Sports Studies

Stadiums in Calcutta: A New Genre of Sports Culture Md Abu Nasim, 2021-04-17 Stadiums in Calcutta A new Genre of Sports Culture is set in the format of micro study which deals with different aspects of sports life We know that that sports culture is an important aspect of history which has been borrowed from the West The indigenous people accepted this new culture of games in Bengal The native middle class of Calcutta was showed an eagerness for Western games such as Football and Cricket When they saw the English of white town playing such as an engaging game The adopted game of Cricket and football in course of time introduced new institutions and new avenues the stadium being the most important among them The book reflects on the politics around the stadium

Routledge Companion to Sports History S. W. Pope, John Nauright, 2009-12-17 The field of sports history is no longer

a fledgling area of study There is a great vitality in the field and it has matured dramatically over the past decade Reflecting changes to traditional approaches sport historians need now to engage with contemporary debates about history to be encouraged to position themselves and their methodologies in relation to current epistemological issues and to promote the importance of reflecting on the literary or poetic dimensions of producing history These contemporary developments along with a wealth of international research from a range of theoretical perspectives provide the backdrop to the new Routledge Companion to Sports History This book provides a comprehensive guide to the international field of sports history as it has developed as an academic area of study Readers are guided through the development of the field across a range of thematic and geographical contexts and are introduced to the latest cutting edge approaches within the field Including contributions from many of the world's leading sports historians the Routledge Companion to Sports History is the most important single volume for researchers and students in and entering the sports history field It is an essential guide to contemporary research themes to new ways of doing sports history and to the theoretical and methodological foundations of this most fascinating of subjects

Gender Performativity in Sports and Physical Education Håkan Larsson, 2024-06-12 The purpose of Gender Performativity in Sports and Physical Education is to explore a perspective of gender called gender performativity as an alternative to the tendency in sports and physical education to think about gender in terms of naturalness and how girls and boys men and women are The Notion of gender performativity which was coined by Judith Butler in the early 1990s starts from the idea that gender is something people do rather than something they are Such a perspective offers new ways of understanding gender and therefore also gender equity in sports and physical education It offers new ways to think about how inequitable practices can change The notion of gender performativity was developed as a tool to challenge taken for granted ideas about gender gender differences and sexual orientation which have contributed to reproducing power orders where men are valued more than women where heterosexuality is valued more than other sexualities and where cisgender cis people are valued more than transgender trans and intersex people Empirical illustrations of the gender performativity in sports and physical education are mainly drawn from Håkan Larsson's thirty year research on the matter but connections are also made to other research in the field

Social and Cultural Diversity in a Sporting World Chris Hallinan, Steven J. Jackson, 2008-10-01 Examines a range of cultural issues related to nationalism gender race ethnicity indigenous culture sexuality disability and even religiosity This volume explores the dimensions of cultural diversity that relate to many of the aforementioned dimensions as they are located within the context of sport

National Identity and Global Sports Events Alan Tomlinson, Christopher Young, 2012-02-01 National Identity and Global Sports Events looks at the significance of international sporting events and why they generate enormous audiences worldwide Focusing on the Olympic Games and the men's football soccer World Cup the contributors examine the political cultural economic and ideological influences that frame these events Selected case studies include the 1936 Nazi Olympics in Berlin the 1934 World Cup Finals in Italy the

unique case of the 1972 Munich Games the transformative 1984 Games in Los Angeles and the 2002 Asian World Cup Finals among others The case studies show how the Olympics and the World Cup Finals provide a basis for the articulation of entrenched and dominant political ideologies encourage persisting senses of national identity and act as barometers for the changing ideological climate of the modern and increasingly globalized contemporary world Through rigorous scholarly analyses the book s contributors help to illuminate the increasing significance of large scale sporting events on the international stage

Physical Culture, Power, and the Body Patricia Vertinsky, Jennifer Hargreaves, 2006-11-28 During the past decade there has been an outpouring of books on the body in society but none has focused as specifically on physical culture that is cultural practices such as sport and dance within which the moving physical body is central Questions are raised about the character of the body specifically the relation between the natural body the constructed body and the alien or virtual body The themes of the book are wide in scope including physical culture and the fascist body sport and the racialised body sport medicine health and the culture of risk the female Muslim sporting body power and politics experiencing the disabled sporting body embodied exhibitions of striptease and sport the social logic of sparring sport girls and the neoliberal body Physical Culture Power and the Body aims to break down disciplinary boundaries in its theoretical approaches and its readership The author s multi disciplinary backgrounds demonstrate the widespread topicality of physical culture and the body

Women and Exercise Eileen Kennedy, Pirkko Markula, 2011-01-12 Exercise for women is a heavily laden social and embodied experience While exercise promotion has become an increasingly visible part of health campaigns obesity among women is rising and studies indicate that women are generally less physically active than men Women s lack of exercise therefore has become a public concern and physiological and psychological research has attempted to develop more effective exercise programs aimed at women Yet women have a complex relationship with embodiment and physical activity that is difficult for quantitative scientific approaches to explore This book addresses this neglect by providing a much needed feminist qualitative social analysis of women and exercise The contributors drawn from across Europe and North America investigate the ways women experience exercise within the context of the global fitness industry All the authors take a specifically feminist perspective in their analysis of the fit feminine body exploring media images and the global branding of fitness products the relationship between exercise and fat the construction of physical activity within health discourse and the lived experience of the exercising body The collection explores the diversity of women s experiences of exercise in relation to age ethnicity and body size The book is essential for anyone interested in health promotion sport and exercise or the social and cultural study of gender and embodiment

Sport Dance And Embodied Identities Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sport Dance And Embodied Identities has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sport Dance And Embodied Identities has opened up a world of possibilities. Downloading Sport Dance And Embodied Identities provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a

button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sport Dance And Embodied Identities has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sport Dance And Embodied Identities. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sport Dance And Embodied Identities. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sport Dance And Embodied Identities, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sport Dance And Embodied Identities has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Sport Dance And Embodied Identities Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read

eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sport Dance And Embodied Identities is one of the best book in our library for free trial. We provide copy of Sport Dance And Embodied Identities in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sport Dance And Embodied Identities.
