Sports Law Russ Versteeg, Jack P. Sahl, 2019-11-14 This book is designed to introduce students to broad topics in sports law rather than just focusing on sports agency Sports agency comprises only a small portion of sports law so students will benefit greatly from learning about sports law with a broader perspective *The Oxford Handbook of American Sports Law* Michael A. McCann, 2018 The Oxford Handbook of American Sports Law is a timely and engaging compilation of commentaries by leading experts on the most significant issues in US sports law The book blends analysis of historical and contemporary controversies with prescriptions for how courts and lawmakers can reconcile the competing interests of leagues owners and players The Handbook also establishes a foundation for future research on sports law issues As technology and social media alter the ways fans athletes and team officials interact legal doctrine will be challenged to adapt and the Handbook both forecasts these debates and outlines where the law may be headed

Sports Law Simon Gardiner, Roger Welch, Simon Boyes, Urvashi Naidoo, 2012-03-12 Long established as the market leading textbook on sports law this much anticipated new edition offers a comprehensive and authoritative examination of the legal issues surrounding and governing sport internationally Locating the legal regulation of sport within an explicit socio economic context this refocused edition is divided into four core parts Governance Commercial Regulation Sports Workplace and Safety in Sport Recent developments covered in this edition include EU competition law interaction with sport under arts 101 and 102 of the Treaty on the Functioning of the European Union the current World Anti Doping Agency code analysis of the recent Court of Arbitration for Sport Jurisprudence reforms of the transfer system in team sports anti discrimination provisions in sport engagement with match fixing a focus on the legal context of 2012 London Olympics Essential reading for students studying sports law or sports related courses this textbook will also prove useful to sports law practitioners and sports administrators in need of a clear companion to the field

Essentials of Sports Law Glenn M. Wong, 2010-08-18 In this thoroughly revised Fourth Edition Glenn Wong provides a comprehensive review of the various sports law issues facing professional intercollegiate Olympic high school youth and adult recreational sports Major topics include tort liability

contracts waivers antitrust law labor law constitutional law gender discrimination drug testing intellectual property law broadcasting laws pertaining to sports agents business and employment law Internet gambling and athletes with disabilities Significant additions here include new court decisions agreements contracts and collective bargaining agreements and legislation federal state association and institutional rules and regulations Discussions of legal concepts are supplemented with summaries and excerpts from hundreds of actual sports cases Wong cites a variety of books law review articles newspaper articles and Web links for those requiring further information on particular topics This text professional guide serves as an invaluable resource to those involved or studying to become involved in the vast industry of sports
