Unguarded Scottie Pippen,2022-10-04 An unflinching memoir from the six time NBA Champion two time Olympic gold medalist and Hall of Famer revealing how Scottie Pippen the youngest of twelve overcame two family tragedies and universal disregard by college scouts to become an essential component of the greatest basketball dynasty of the last fifty years So how did the youngest of twelve go from growing up poor in the small town of Hamburg Arkansas enduring two family tragedies along the way to become a revered NBA legend How did the scrawny teen overlooked by every major collegiate basketball program go on to become the fifth overall pick in the 1987 NBA Draft And perhaps most compelling how did Pippen set aside his ego and his own limitless professional ceiling in order for the Bulls to become the most dominant basketball dynasty of the last half century In Unguarded Pippen reveals never before told stories about some of the most famous games in league history including the 1994 playoff game against the New York Knicks when he took himself out with 18 seconds to go He discusses what it was like dealing with Jordan on a day to day basis while serving as the facilitator for the offense and the anchor for the defense On the 30th anniversary of the Bulls first championship Pippen is finally giving millions of adoring basketball fans what they crave a raw unvarnished look into his life and role within one of the greatest most popular teams of all time

The Universal Sport Thomas Hauser,2023-11-20 Readers writers and critics alike look forward to each new collection of Thomas Hauser's articles about today's boxing scene Reviewing these books Booklist has proclaimed Many journalists have written fine boxing pieces but none has written as extensively or as memorably as Thomas Hauser Hauser remains the current champion of boxing He is a treasure Hauser's newest collection meets this high standard The Universal Sport features Hauser's coverage of 2021 and 2022 in boxing As always Hauser chronicles the big fights and gives readers a behind the scenes look at boxing's biggest stars He offers a cogent look the rise of women's boxing and shines a penetrating

light on the murky world of illegal performance enhancing drugs and financial corruption at the sport's highest levels. He explores how boxing has become a tool in the high stakes world of sportswashing by Saudi Arabia and a flash point for discussions about Russia's brutal invasion of Ukraine. The book culminates in a memorable four part essay on the craft of writing coupled with reflections on Hauser's own induction into the International Boxing Hall of Fame. *The Best American Sports Writing 2003* Glenn Stout, H. G. Bissinger, Buzz Bissinger, 2003. Bissinger gathers together stellar prose on a dizzying array of sporting endeavors: triathlon, tennis, wrestling, bookmaking, basketball, boxing, chess, golf. Any reader's favorite game can be found in these pages. But every piece here transcends its subject; every piece crystallizes the emotions. All great competitions evoke joy, fear, heartache, affection, surprise in both players and fans. David Grann weighs the burden of superstardom with Barry Bonds. Susy Buchanan explores demolition derby, possibly the most Darwinian sport in America. Gary Smith examines the baseball that ignited a lawsuit. Josh Senses tees up with the ultimate Zen golfer, a Tibetan lama. S. L. Price looks back at Pancho Gonzalez, one of the greatest and likely the most irascible tennis player ever. Michael Agovino recalls life with a bookmaking father. Stephen J. Dubner hangs out with NFL draftees at their league mandated rookie symposium, a mix of motivational seminar, boot camp, and Scared Straight. These pieces and many more delve beneath the stats and the hype to unveil the raw, compelling essence of sport. Since its inception in 1915, the Best American series has become the premier annual showcase for the country's finest short fiction and nonfiction. For each volume, a series editor reads pieces from hundreds of periodicals, then selects between fifty and a hundred outstanding works. That selection is pared down to the twenty or so very best pieces by a guest editor who is widely recognized as a leading writer in his or her field. This unique system has helped make the Best American series the most respected and most popular of its kind. This American sportswriting series is a venerable institution. Boston Globe Buzz Bissinger selects the very best writing on a vast variety of competitive endeavors from baseball to weightlifting, skating to demolition derby. Herein, today's foremost journalists throw revealing light on a pantheon of stars: Shaquille O'Neal, Bobby Fischer, Mike Tyson, the San Diego Chicken, and more. Rene Chun, Stephen J. Dubner, Elizabeth Gilbert, Mark Kram Jr., Rebecca Mead, Bill Plaschke, S. L. Price, Gary Smith. *The 50 Most Dynamic Duos in Sports History* Robert W. Cohen, 2012-11-15. Using various selection criteria, *The 50 Most Dynamic Duos in Sports History* attempts to ascertain which twosome truly established itself as the most dominant tandem in the history of the four major professional team sports: baseball, basketball, football, and hockey. Arranged **Baseball with a Latin Beat** Peter C. Bjarkman, 2010-07-27. Since Cuba's Esteban Bellan made his debut for the Troy Haymakers of the National Association in 1871, Latin Americans have played a large role in the major leagues. Nearly 15 percent of big league rosters are made up of Latinos, while the region's colorful and competitive winter leagues have been a proving ground for up and coming major league players and managers. Early Latin American stars were barred purely because of the color of their skin from playing in the major leagues. Players such as Jose Mendez and Martin Dihigo, the only player elected to the U.S. Cuban and Mexican halls

of fame made their marks on the Negro Leagues turning the leagues barnstorming tours into major attractions in many Caribbean countries This history of the players and events that make up the rich tradition of Latin American baseball gives a unique insight to this long neglected area of baseball Scottie Pippen Fred McMane,2015-05-27 Examines the life and
