Spot On My Bum:

Who's My Bottom? Christopher Gillett, 2011 Very funny painfully honest and invariably true A real insight into a working opera singer's life Nicholas Hytner The descriptions of rehearsals are very funny Ian Hislop It's no exaggeration to say that Who's My Bottom made me laugh out loud abruptly and in public places many times and brought tears to my eyes at others Steven Blier LOVED it It was a terrific can't put it down read It arrived two days ago and is already dog-eared I loved his style of writing and his frankness and honesty were both refreshing and beguiling Great Graham Clark I loved it I laughed till I cried and I think you are a bloody genius Susan Bullock Terrific By turns hilarious and touching Clive Bayley **Mind is the Ride** Jet McDonald, 2019-05-16 When Jet McDonald cycled four thousand miles to India and back he didn't want to write a straightforward account He wanted to go on an imaginative journey The age of the travelogue is over today we need to travel inwardly to see the world with fresh eyes Mind is the Ride is that journey a pedal powered antidote to the petrol driven philosophies of the past The book takes the reader on a physical and intellectual adventure from West to East using the components of the bike as a metaphor for philosophy which is woven into the cyclist's experience Each chapter is based around a single component and as Jet travels he adds new parts and new philosophies until the bike is built the ride to India is completed and the relationship between mind body and bicycle made apparent **Find a soft spot to land on** Michael Coatesworth, 2019-12-16 Another wonderfully warm and addictive tale from Michael Coatesworth We accompany him on a journey which takes us from him growing up in the 1950s through very testing times to almost present day A thought provoking tale of one man's sometimes difficult and traumatic journey through life and those people who touched his life along the way Discipline at home was strict and harsh and when his father decides that it's time that he stood on his own two feet he turns him out on to the streets at the tender age of 14 It is heart warming that after so much heartache and upset the author finds a woman to marry and share his life with Without her unwavering support from the good times to the sometimes very bad a new family unit is formed to provide the love support and companionship which was sometimes lacking in his earlier years The Lonely Detective Charles E. Schwarz, 2001-08 Four absolutely funny culturally outrageous who done it stories whose unique detective a lonely disrespected anti hero sees sacred beliefs turned upside down as he solves the mysterious deaths of a rich Tasty Cake deliveryman a woman supporting the correct causes a bum exposing the correct causes and a disillusioned volunteer involved in the correct causes *Father's Milk* Marko Vignjevic, 2011-07-15 Yet another tasteful and superbly written offering from the pen of one of the most talented and erudite writers of our time With his unique ability the author delves into the depths of his poor hapless protagonist a lost and plagued soul drowning in his own miseries Undermined by his wife and son driven to distraction by the miserable circumstances over which he appears to have no control the wretched Isav can endure no more of his depressingly dark existence and so abandoning all he has known sets off without direction on a desperate journey from place to place looking to regain his status in the world as a man Father's

The Best Place on Earth Ayelet Tsabari, 2016-03-08 Reminiscent of the early work of Jhumpa Lahiri Ayelet Tsabari's award winning debut collection of stories is global in scope yet intimate in feel beautifully written and emotionally powerful From Israel to India to Canada Tsabari's indelible characters grapple with love violence faith the slipperiness of identity and the challenges of balancing old traditions with modern times These eleven spellbinding stories often focus on Israel's Mizrahi Jews featuring mothers and children soldiers and bohemians lovers and best friends all searching for their place in the world In *Tikkun* a man crosses paths with his free spirited ex girlfriend now a married Orthodox Jew and minutes later barely escapes tragedy In *Brit Milah* a mother travels from Israel to visit her daughter in Canada and is stunned by her grandson's upbringing A young medic in the Israeli army bends the rules to potentially dangerous consequence in *Casualties* After her mom passes away a teenage girl comes to live with her aunt outside Tel Aviv and has her first experience with unrequited love in *Say It Again Say Something Else* And in the moving title story two estranged sisters one whose marriage is ending the other whose relationship is just beginning try to recapture the close bond they had as kids Absorbing tender and sharply observed *The Best Place on Earth* infuses moments of sorrow with small moments of grace a boy composes poetry in a bomb shelter an old photo helps a girl make sense of her mother's rootless past Tsabari's voice is gentle yet wise illuminating the burdens of history the strength of the heart and our universal desire to belong Praise for *The Best Place on Earth* It's impossible not to be awestruck by the depth and power rendered in Tsabari's stories Elle Tsabari creates complex conflicted prickly people you'll want to get to know better Kirkus Reviews starred review There's remarkable scope in Ayelet Tsabari's *The Best Place on Earth* which interweaves stories of discrimination loss displacement sex death religion and a host of other issues And yet despite the range of viewpoints and the different facets of Israeli society explored this is a collection that always stays intensely personal the broader forces of history moving not merely across nations but within the souls of her beautifully conceived characters Phil Klay National Book Award winning author of *Redeployment* With incredible compassion and a delicate touch Ayelet Tsabari explores the heartbreak inherent in forming bonds whether with another person or with a whole country *The Best Place on Earth* a complicated love song to Israel is a sure footed and stunningly skillful debut Shelly Oria author of *New York 1 Tel Aviv 0* Powerful brilliant These stories depict minorities so skillfully with such a light and accurate touch *The Daily Beast* Highly recommended Compelling and compassionate Tsabari's stories speak out from the heart of Israeli society and experiences The stories of *The Best Place on Earth* leave you wishing they wouldn't end *The Times of Israel* This short story collection is a fiction debut for Tsabari but

it demonstrates that she is already a talented storyteller Her writing has an immediacy and power that invites readers into her characters psyches Publishers Weekly *Around the World in Fifty Sites!* Susan Battersby, 2019-03-15 Many people create a bucket list of things to do before they die But how many of these are chosen by other people in particular by the British public In 2002 the BBC aired a programme entitled Fifty places to see before you die a list of cities natural wonders and ancient sites chosen as the best places to see from around the world This hour long programme changed my life I met my husband Richard on holiday in Venezuela in 2000 and like everybody else we would trawl through the travel brochures looking for inspiration for our holidays After watching this television programme I made the decision that we would make every effort to visit all the fifty sites listed It took us twelve years to complete our journey and this is my story based on your chosen itinerary *Sheisty* T.N.
