## Spotlight On Love:

**Spotlight on Love** Denise Colby,1995      **The Torch of Love** Kay Burn,2012 Despite the fact that the story contains a number of unusual and sometimes fantastical plots it is completely true Those who read this book with the heart instead of the head can accept it as it is This is my story and the main character Kay actually represents me Some characters were also modelled after people in real life and many events have really taken place in my life If something seems impossible don't jump to conclusions perhaps there's more than meets the eye I didn't write this story I made a record of it It was sent to me in the most difficult moments of my life See the story And now no matter how my story will end more importantly the story of Kay is going on God knows better where I am needed most here or at Home and I depend only on Him in my earthly Path One thing I know for sure now is that He is out there I would like my torch to light up as many people as possible and to give them warmth May Fire of Love always burn inside your heart Angel of Love will be there to help you Your Kay Burn      Love is Blind Karen Wiesner,2014 Working with local private investigators Den McHart and Sylvia Price Briar's Point Police Department Detective Orlando Bateman solves a missing person case Keeya Nilsen visually impaired from the plane crash that took her parents lives comes to him and has a justifiably bad attitude about love since all the men she's ever loved have cheated on her and robbed her including the last one who absconded with her most prized possession her grandfather's unpublished Blues compositions when he flew the coop As together they search for her last boyfriend and her missing legacy Orlando reminds Keeya of the faith she'd had before the plane crash that changed her life and makes her see love as God intends      **Boys Love Media in Thailand** Thomas Baudinette,2023-10-05 Over the past several years the Thai popular culture landscape has radically transformed due to the emergence of Boys Love BL soap operas which celebrate the love between handsome young men Boys Love Media in Thailand Celebrity Fans and Transnational Asian Queer Popular Culture is the first book length study of this increasingly significant transnational pop culture phenomenon Drawing upon six years of ethnographic research the book reveals BL's impacts on depictions of same sex desire in Thai media culture and the resultant mainstreaming of queer romance through new forms of celebrity and participatory fandom The author explores how the rise of BL has transformed contemporary Thai consumer culture leading to heterosexual female fans of male celebrities who perform homoeroticism becoming the main audience to whom Thai pop culture is geared Through the case study of BL this book thus also investigates how Thai media is responding to broader regional trends across Asia where the economic potentials of female and queer fans are becoming increasingly important Baudinette ultimately argues that the center of queer cultural production in Asia has shifted from Japan to Thailand investigating both the growing international fandom of Thailand's BL series as well as the influence of international investment into the development of these media The book particularly focuses on specific case studies of the fandom for Thai BL celebrity couples in Thailand China the Philippines and Japan to explore how BL series have transformed each of these national contexts queer consumer cultures      *The Green*

**You Give Good Love** J.J. Murray, 2015-02-12 It's been eight years since Hope Warren had her heart broken on Christmas Eve but she still detests the holiday and celebrations in general Wasting her time and her art degree at a job she clearly hates the only thing she's longing for is a dream home way out of reach So when outgoing Irishman Dylan Healy keeps getting in her face she's sure there's a catch He's kind charismatic and challenging her idle creativity It may be her least favorite time of year but suddenly she's willing to try everything and anything especially Dylan himself Dylan has enough on his plate between launching his online greeting card company at the height of the season and starting an art-themed daycare center But he can't resist teasing Hope out of her holiday cynicism turning her ideas into crazy profits or wanting more of the vibrant sensual woman she truly is And with the days counting down to Christmas Eve he's willing to put everything on the line to convince her that what they have is the gift of a lifetime
