Forget Not God's Benefits (Psalm 103:2) Barbara E. Reid, 2025-04-28 Leslie Hoppe OFM has had a distinguished career in biblical studies. He is known for his work on the book of Deuteronomy and the Deuteronomistic History but his interests have ranged over many areas of the Scriptures including the prophets, biblical geography, archaeology, history and biblical perspectives on poverty. In his writing and research he has broken new ground and advanced the discipline time and again. For many years Hoppe served as the editor of the Catholic Biblical Quarterly and he oversaw the publication of numerous articles that have impacted the study of both the Old and New Testaments. A capstone to Hoppe's illustrious career, his editorship of the CBQ is reflected in the design of this volume which comprises works by scholars of both testaments. The chapters here range from Genesis to the Gospels and Pauline letters.

Leslie Hoppe's colleagues have given him a fitting tribute: a Festschrift with breadth as well as depth. **Reading**
