## Spread Too Thin:

**English Resultatives** Seizi Iwata, 2020-03-15 The objective of this book is to develop a force recipient account of English resultatives Within this approach the post verbal NP is a recipient of a verbal force whether it is a subcategorized object or not and the verbal force being exerted onto the post verbal NP is responsible for bringing about the change as specified by the result phrase It is shown that many apparent puzzles posed by English resultatives are due to the complex interplay between the verb meaning and the constructional meaning or between the verb meaning and the semantics of the result phrase Thus the proposed account can provide answers to the question Which resultatives are possible and which are not in a coherent way Also the proposed account reveals that English resultatives are not a monolithic phenomenon and that some resultatives cited in the literature as such are not resultatives at all This book is of interest not only to practitioners of Construction Grammar but also to everyone interested in English resultatives **Journal of the American Peat Society**

**American Peat Society, 1921** **The One Year Book of Inspiration for Girlfriends** Ellen Miller, 2010-10-05 If you're living a perfect charmed life well then this book isn't for you But if like the rest of us you are at times broken confused lonely or scared if you're struggling with problems that you think good Christians don't have then welcome girlfriend and pull up a chair This quirky friendly and gut honest devotional comes straight from the heart of Ellen Miller CEO marketing executive mom and unapologetic glorious mess Despite the serious struggles she's faced Ellen today lives a life of profound joy and The One Year Book of Inspiration for Girlfriends contains 365 days worth of the principles and philosophies that have gotten her there There's no subject she's afraid to tackle Her quick daily doses of encouragement will make you laugh give you something to look forward to help you to stay somewhat sane and remind you that you're never alone **General Technical**

**Report SO.**, 1977 **The Philosophy of Dare: Are You One of the Daring Ones?** Dave Sinclair, 2023-02-19 The Philosophy of Dare the Daring Philosophy is all about being willing to take risks to rise to challenges to leave behind comfort zones and safe spaces and seek out storms and wildernesses and mountaintops and all extreme daring environments One must always escape mediocrity and wherever the mediocre congregate Mediocrity is the original sin The mediocre are the opposite of the daring Danton said We must dare and dare again and go on daring Machiavelli said Never was anything great achieved without danger Andre Gide said Man cannot discover new oceans unless he has the courage to lose sight of the shore The daring don't stand around They're active proactive the people doing things making things happen shaking things up They're not the reactive masses those that love to sit and wait for Godot Godot isn't coming Haven't you heard William Makepeace Thackeray said Let the man who has to make his fortune in life remember this maxim Attacking is his only secret Dare and the world always yields or if it beats you sometimes dare again and it will succumb The attackers always have the initiative The world reacts to them The daring decide the agenda They force the issue They are the organ grinders Everyone else dances to the tune of the daring ones Who Dares Wins is the motto of the Special Air Service Britain's elite special forces unit

Theodore Roosevelt said Far better is it to dare mighty things to win glorious triumphs even though checkered by failure than to take rank with those poor spirits who neither enjoy much nor suffer much because they live in the grey twilight that knows neither victory nor defeat The mediocrities avoid conflict They duck out They bale out They opt out They don't want to exert themselves Too much effort Are you afraid of losing it all Then you are not one of the daring Goethe said Rest not Life is sweeping by go and dare before you die Something mighty and sublime leave behind to conquer time The daring are absolutely committed to leaving behind the mighty and sublime They are the only ones who conquer time They are the immortals The great French revolutionary Saint Just said Dare this word contains all the politics of our revolution Will you risk it all Do you dare Trigger Warning for those of a sensitive disposition This content contains heavy satire irony sarcasm and black comedy Keep your wits about you **Work Simplification Program** United States.
