American Eldercide Margaret Morganroth Gullette,2024-10-18 A bracing spotlight on the avoidable causes of the COVID 19 Eldercide in the United States Twenty percent of the Americans who have died of COVID since 2020 have been older and disabled adults residing in nursing homes even though they make up fewer than one percent of the US population Something about this catastrophic loss of life in government monitored facilities has never added up Until now In American Eldercide activist and scholar Margaret Morganroth Gullette investigates this tragic public health crisis with a passionate voice and razor sharp attention to detail showing us that nothing about it was inevitable By unpacking the decisions that led to discrimination against nursing home residents revealing how governments doctors and media reinforced ageist or ableist biases and collecting the previously little heard voices of the residents who survived Gullette helps us understand the workings of what she persuasively calls an eldercide Gullette argues that it was our collective indifference fueled by the heightened ageism of the COVID 19 era that prematurely killed this vulnerable population Compounding that deadly indifference is our own panic about aging and a social bias in favor of youth based decisions about lifesaving care The compassion this country failed to muster for the residents of our nursing facilities motivated Gullette to pen an act of remembrance issuing a call for pro aging changes in policy and culture that would improve long term care for everyone

Tina Turner Mark Bego,2005 This revealing detailed biography not only gives the full story of Turner s dazzling professional career but also thoroughly explores her turbulent personal battles and ultimate discovery of inner peace through Buddhism From her modest beginnings as a backup singer for Ike and their debut single A Fool in Love to her successful 1980s comeback and the conferring of her rock goddess status during the last decade of the twentieth century Tina Turner is the authoritative portrait of the flamboyant superstar with unmistakable voice *New York Magazine* ,1983-03-28 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Wisconsin Agriculturist* ,1909
