Spring Storm:

Spring Storm Tennessee Williams, 2016-03-03 A crucible of so many elements that would later shape and characterize Williams's work World Literature Today When Tennessee Williams read Spring Storm aloud to his playwriting class at the University of Iowa in 1938 he was met with silence and embarrassment His professor the renowned E C Mabie remarked as he got up and dismissed the seminar Well we all have to paint our nudes Tom's earlier comment in his journal that the play is well constructed no social propaganda and is suitable for the commercial stage seems accurate enough in 1999 but woefully naive deep in the Depression when the play's sexual explicitness particularly its matter of fact acceptance of a woman's right to her own sexuality would have been seen as not only shocking but also politically radical Spring Storm would later be disavowed by the author as simply a study of Sex a blind animal urge or force like the regenerative force of April gripping four lives and leading them into a tangle of cruel and ugly relations But the solid and deft characterizations of the four young people whose lives intertwine the sexually alive Heavenly Critchfield her earthy lover Dick Miles Heavenly's wealthy but tongue tied admirer Arthur Shannon and the repressed librarian Hertha Nielson who loves Arthur are archetypes of characters we will meet again and again in the Williams canon Epic in scope a bit melodramatic in execution tragic in outcome Spring Storm created a wave of excitement among theatre insiders when it was given a staged reading at The Ensemble Studio Theatre's Octoberfest 96 This edition has been prepared with an illuminating introduction by Dan Isaac who initiated the Octoberfest production The Air Reservist, 1959 **Meteorology of Flood-producing Storms in the Mississippi River Basin** George A.
