The Green Man David Russell Mosley, 2021-06-15 The Green Man is a collection of poetry that looks to the world around us and asks what lies behind the things we can see smell taste touch and hear Poetry can help us see through what Coleridge called the film of familiarity These poems attempt to help the reader pierce that veil and see the world around them in a new light Spring Alexandra Crivici-Kramer, Noah Klipin, Jack Miles, Kirk Eckstine, Nina Keen, Grace Hamman, Adam Mckee, Patrick Williamson, Sheetal Gupta, Ken Patterson, Brian Giddens, Georgia Riordan, Niv K, Susan Bloch-Welliver, Rebecca Vernak, Charles Venable, Brooke Taylor, Mary Rosen, Asacia Hernandez, Ana Fortuna, Casey Jordan, Dessie Ross, Frank DiLuzio, Oanh Nguyen, Lauren Gray, Eliza Davis, April Federico, Nicole Rissmiller, Julie Lewis, Stacie Eirich, 2022-07-13 Spring Renew Your Thoughts Spirit and Feelings This Spring themed anthology collects poems from a variety of different authors all exploring the themes of renewal awakening and growth The wide range of topics covered in these verses includes life friendship love memories and more Whether you are looking for something to read to celebrate the arrival of the new season or simply to reflect on your own journey thus far this anthology has something for everyone Here s a sample of the poems you ll find inside the book Know These Woods Alexandra Crivici Kramer Nothing Like a Bit of Spring Patrick Williamson I Am the Sun Julie Lewis Return To the Garden Brian Giddens Grounded As Trees Sheetal Gupta Far Enough Mary Rosen The Rains of Spring Grace Hamman And a whole lot more Get Spring A collection of poems from multiple authors about the time of renewal and awakening covering a wide range of topics about life friendship love memories and more **Spring Will Be Ours** Andrzej Paczkowski, 2010-11-01 The Spring Will Be Ours focuses on the turbulent half century from the outbreak of World War II in 1939 which started the chain of events that would lead to the communist takeover of Poland to 1989 when futile attempts to reform the communist system gave way to its total transformation Andrzej Paczkowski shows how the communists captured and consolidated power describes their use of terror and propaganda and illuminates the changes that took place within the governing elite He also documents the political opposition to the regime both inside Poland and abroad that resulted in upheavals in 1956 1968 1970 1976 and 1980 His narrative makes evident the pressures that the elite felt from above from Moscow and from below from the population and from within the party The history of Poland and the Poles is of special interest because on numerous occasions in the twentieth century this relatively small country influenced developments on a global scale SPAGHETTI & SAUNA Irene De Benedictis, 2020-05-27 What happens when you move to a country that is in just about everything at the opposite poles of your own culture Spaghetti Sauna is the humorous story of the adventures of Irene a young Italian woman from Rome who had decided to move to a small town in Finland She did not know anything about the local culture prior to moving and the process to understand and adapt to the Finnish culture was surely not an easy ride In the first part of the book you will take a deep dive with Irene into the most emblematic cultural differences between Italy and Finland The dive will be accompanied by entertaining and embarrassing situations that she

found herself into before she finally understood how things worked in Finland In the second part of the book things will get personal Irene will take you to the backstage of what it felt to go through a culture shock before she managed to eventually adapt and learn a new way of living Enjoy the journey Catalog of Copyright Entries Library of Congress. Copyright Office,1949 Somewhere, Sometime, Somehow JulesVerne Orion,2008-09-29 These poems and short stories are arranged in chronological order as they were inspired by a long term love affair and written from 1989 to 2007 For the perceptive reader one can trace the ups and downs of our relationship These 18 years were filled with love and passion Perhaps it was fantasy perhaps it was the most real thing we will ever experience These inspired poems were written mostly during the first ten years As it became obvious that my dream would never come true the inspiration dwindled and fewer poems were written in later years The heartbreaking part of this 18 year love affair is that I am not sure my lover ever really understood or appreciated my unconditional deep love for her I opened my heart to her through poetry but I never knew what was in her heart Perhaps it was a one sided love affair but I think and hope not I was convinced that she loved me through her words and actions At least I experienced a love that I had only dreamed possible Each image carefully placed in this book carries a very special meaning for the poem and for our love journey Even the clock photo carries a meaning related to the untimely death of US Each word is carefully chosen to convey my feelings While I tried to express my love in poetic words there was an enormous amount left unsaid I can only hope you find meaning and joy in the thoughts and feelings these words convey to you A fuller story of this passionate love affair will be unfolded in an upcoming book **One Good Word a Day** Kristin Demery,Kendra Roehl,Julie Fisk,2021-11-09 If you were to pick one word for the year what would it be Invite Abide Balance Simplify Every January many of us proclaim our word for the year choosing something inspiring that will help us set our intention for the coming months But what would happen if rather than choosing one word for an entire year because let's face it some of us forget by March we focused on one good word each day one thought provoking spiritually relevant and encouraging word that reveals the many lovely and delightful truths of who Jesus is in our lives One Good Word a Day by the creators of the online community The Ruth Experience offers simple but deeply spiritual meditations that will help readers linger on one word each day so they can identify and reflect on how Jesus as the Word influences their daily lives Jesus is more than one word He offers us abundance hope peace kindness courage mercy and so much more One Good Word a Day reminds readers that in Christ we find all we need to live encouraged and uplifted every day **Specifications and Drawings of Patents Issued from the United States Patent Office** United States. The indigenous people to whom it originally belonged and who still live nearby believe the waters of the spring have healing power. It was once used by their ancestors for such until it was taken from them by white settlers who eventually abandoned the area as the spring dried up. Now in the present time miracles are reported by those who visit the newly emergent spring. But there are dark forces that want to claim ownership of the spring in order to control its access, prevent its use for spiritual healing, and who are willing to destroy anyone who gets in the way of their agenda. The people of the larger Safety Harbor community and their indigenous neighbors are challenged to put themselves on the line to risk their lives if necessary in order to preserve this gift that has been restored in their lifetimes. The story is filled with colorful characters and high drama as a spiritual struggle unfolds before our eyes that will inspire all of us to take risks for that which is of ultimate spiritual significance. *The Children's journal* , **Mapeh in Action Iv' 2008 Ed.** , Vegetable Outlook & Situation , 1978 *Vegetable Situation* , 1979 *The Vegetable Situation* , 1974 **Vegetable Situation** United States. jan 7 2022 the design of a low profile high gain substrate integrated waveguide siw cavity backed slot antenna operating in the frequency band of 8 08 8 33 ghz is achieved by using the mtm in the superstrate the peak realized gain of the proposed antenna is 8 22 dbi which is 96 5 of the maximum attainable gain obtained from the harrington limit

chalmers publication library - Nov 11 2022

abstract a wideband 2 2 slot element for a 60 ghz antenna array is designed by making use of two double sided printed circuit boards pcbs the upper pcb contains the four radiating cavity backed slots where the cavity is formed in substrate integrated waveguide siw using metalized via holes

low profile hexagonal siw cavity slot antenna with enhanced gain - Jan 13 2023

apr 3 2020 a novel low profile substrate integrated waveguide siw cavity backed slot antenna with an enhanced gain is proposed by etching four parallel transverse slots at the edges of the hexagonal siw cavi

development of a wideband hexagonal siw cavity backed slot antenna - Aug 20 2023

sep 1 2021 in this paper a novel wideband hexagonal cavity backed slot antenna array waveguide siw is proposed first a single element low profile wideband linearly polarized cavity backed antenna using two slots is designed and analyzed the antenna bandwidth is increased by nrws which makes both hybrid modes of tm input impedance keywords

a high performance siw slot antenna array for mmwave radar - May 17 2023

jul 24 2023 the feed network of the antenna is composed of an air filled rectangular waveguide rwg to substrate integrated waveguide siw transition and a power division feed network finally the array element and the feed network are combined to form an 8 times 16 slot array the overall simulation design is carried out in hfss
