Genghis Khan's Greatest General Richard A. Gabriel,2006 This book tells the story of Subotai the Valiant a warrior for Genghis Khan and one of the greatest generals in military history Subotai commanded armies whose size scale and scope of operations surpassed those led by any other commander in the ancient world Under Subotai s direction Mongol armies moved faster over greater distances and with a greater scope of maneuver than any army had ever done before When Subotai died at age seventy three he had conquered thirty two nations and won sixty five pitched battles according to Muslim historians Had the great Khan not died Subotai likely would have destroyed Europe itself

A Journey In Southern Siberia: The Mongols, Their Religion and Their Myths Jeremiah Curtin,1910-01-01 THE Buriats whose myth tales I have collected and whose beliefs modes of worship and customs I have studied at their source and describe in this volume are Mongols in the strictest sense of the word as men use it They inhabit three sides of Lake Baikal as well as Olkhon its only island The place and the people are noteworthy Lake Baikal is the largest body of fresh water in the Old World being over four hundred miles long and from twenty four to fifty six miles broad its total area covering about thirteen thousand square miles The Buriats living west of that water and those inhabiting the sacred island of Olkhon are the only Mongols who have preserved their own race religion with its primitive usages archaic beliefs and philosophy hence they are a people of great interest to science The region about that immense body of water Lake Baikal is of still greater interest in history for from the mountain land south of the lake and touching it came Temudjin known later as Jinghis Khan and Tamerlane or Timur Lenk the Iron Limper the two greatest personages in the Mongol division of mankind From the first of these two mighty man slayers were descended the Mongol subduers of China and Russia Among Jinghis Khan s many grandsons were Kublai Khan the subjector of China together with Burma and other lands east of India Hulagu who destroyed the Assassin Commonwealth of Persia stormed Bagdad and extinguished the Abbasid Kalifat and Batu who covered Russia with blood and ashes mined Hungary hunting its king to an island in the Adriatic crushed German and other forces opposed to the Mongols at Liegnitz and returned to the Volga region where he established his chief headquarters Descendants of Jinghis Khan ruled in Russia for two centuries and almost five decades In China they wielded power only sixty eight years

From Tamerlane a more brilliant if not a greater leader than Jinghis descended the Mongols of India whose history is remarkable both in the rise and the fall of the empire which they founded These two Mongol conquerors had a common ancestor in Jinghis Khan s great great grandfather Tumbinai hence both men were of the same blood and had the same land of origin the region south of Lake Baikal That Mongol power which began its career near Baikal covered all Asia or most of it and a large part of Europe and lasted till destroyed by Russia and England The histories of these struggles are world wide in their meaning they deserve the closest study and in time will surely receive it When the descendants of Jinghis Khan had lost China the only great conquest left them was Russia and there after a rule of two hundred and forty four years power was snatched from them The Grand Moguls those masters of India the descendants of Tamerlane met with Great Britain and were stripped of their empire in consequence

[Midbar III](#) Lynny Harris,2013-11 When with her family at the age of eight Bathsheba tops a hill and witnesses the bloody and violent stoning of an adulterous woman she does not know that the memory will stay with her and will vividly return to be a threat to her in her early twenties As the granddaughter of an influential man named Ahithophel Bathsheba grows up in a loving home only to lose her mother and her grandmother at a young age Her father Eliam disguises her as a boy and takes her with him as he travels on a camel caravan for several years At the age of fourteen she becomes mistress of Grandfather Ahithophel s household when he is called to be a counselor to King David in Jerusalem When she turns fifteen without her father s knowledge Grandfather Ahithophel marries her off to a widowed man named Uriah Hers is an abusive marriage After years of abuse when Bathsheba goes to Jerusalem for the procession of the Ark which King David has brought to the city she meets a handsome dancer from the

procession Later when Uriah buys a place near Ahithophel's in Jerusalem she moves there with Gebur Uriah's son from his first marriage One day on a visit to the ruins behind Jerusalem where she goes for peace she encounters again the dancer from the procession of the Ark They spend the day talking yet fighting a growing attraction In the heat of the evening she goes to the aliyah the semiprivate rooftop porch to bathe In the dancing moonbeams of a sultry hot night a man stands on his aliyah which overlooks much of the city His eyes fasten upon the movements of a beautifully shaped woman who is innocently bathing in the ivy curtained aliyah below him The next day though she knows she should not Bathsheba plans to return to the ruins where she had met the dancer But it is not to be Her stepson Gebur awakens ill and she does not want to leave him That night as twilight deepens to dark a messenger and soldiers arrive on her doorstep The king has summoned her It is not a request Questions hurtle through her as she is escorted into the palace up the stairs and allowed entrance through walnut double doors Upon entering she is alone except for the shadowed figure who emerges from the folds of golden drapes at the far edge of the aliyah What are you doing here I am waiting for the king bursts forth from her The dancer from the ruins now arrayed in a robe of opulent red and gold silences her as he quietly speaks her name Bathsheba She stops for she knew she had not told it to him Leading her to a divan he explains that he was the dancer in the procession of the Ark but he is also King David Her lord and sovereign she realizes with astonishment aware again of the powerful attraction between them I will be all right as long as he doesn't touch me she thinks Then King David reaches to slowly turn her to him bending to claim her lips in a tender but oh so breathtaking kiss In his eyes is a question she cannot refuse As David lowers himself toward her he realizes that he has gained more than possession of her body He has gained entrance to her soul Four days later Bathsheba comes out of her world of wonder to realize she has broken Yahweh's law of adultery It is Yahweh's law she has broken to Yahweh she must go She sees no one as she enters the women's courtyard The high priest Zadok is the only priest there at that time of day He and the prophet Nathan both enter the women's court silently to witness a depth of sorrow they have seldom seen After Zadok makes his presence known he intercedes and offers absolution for Bathsheba not knowing what the cause of her deep grief is In three months time Bathsheba during the time between sleep and gentle wakefulness as she feels again the morning sickness in her stomach accepts the fact that she is carrying King David's baby Uriah her husband has been soldiering at Ammon for many months She is terrified
