Sprinkled With Ruby Dust:

A Mysterious Something in the Light Tom Williams, 2012-07-17 A remarkably detailed portrait of the famously hard boiled writer and creator of the popular gumshoe Philip Marlowe Publishers Weekly What we know of Raymond Chandler is shrouded in secrets and half truths as deceptive as anything in his magisterial novel *The Long Goodbye* Now drawing on new interviews previously unpublished letters and archives on both sides of the Atlantic literary gumshoe Tom Williams casts light on this most mysterious of writers The Chandler revealed is a man troubled by loneliness and desertion from an early age experiences that fueled his writing as much as they scarred his life Born in Chicago in 1888 his childhood was overshadowed by the cruel collapse of his parents marriage and his father s alcohol fueled violence After his mother fled America Chandler was schooled in London but felt constrained by the stuffy English class system eventually returning to the land of his birth where in corruption ridden Los Angeles he met his one great love Cissy Pascal a married woman eighteen years his senior It was only during middle age after his own alcoholism wrecked a lucrative career as an oilman that Chandler seriously turned to crime fiction although his success was to prove bittersweet An obsessive attitude towards his craft unrealized literary ambitions and a suicidal turn after Cissy s death combined to prevent him from recapturing the verve of his earlier writing But his legacy the lonely ambiguous world of Philip Marlowe endures compelling generation after generation of crime writers to go down mean streets In this long awaited new biography the most thorough and comprehensive yet written Tom Williams shadows one of the twentieth century s true literary giants and considers how crime was raised to the level of art Praise for *A Beautiful Something in the Light* Williams dutifully records these facts but deftly keeps the reader interested *A Beautiful Something in the Light* is well researched but because it is so well written it should be of interest to scholars and mystery fans alike Washington Independent Review of Books Outstanding Williams writes sensitively about the Cissy relationship and delves illuminatingly into the composition of Chandler s masterpieces Thanks to his biography Chandler himself is a less mysterious something than he was Sunday Times UK Precise kindly and necessary Scotland on Sunday UK A clear eyed compassionate biography Kirkus Reviews An Apprehension of Splendor Shawn Sudia-Skehan, 2025-05-31 At the 2017 gathering of the biannual F Scott Fitzgerald Society meeting in St Paul Minnesota a member of the society Shawn Sudia Skehan was asked to mount an exhibit of approximately 60 rare and never before published photographs of F Scott Fitzgerald Zelda Fitzgerald and their daughter Scottie Sudia Skeehan had shared many of the photographs the fruits of her own avocational research with the noted Fitzgerald scholars Jackson R Bryer and Kirk Curnutt who are respectively the president and executive director of the Fitzgerald Society They were astonished by what Sudia Skehan had found a wealth of candid images that seemed to be entirely new to even the most seasoned Fitzgerald scholars and researchers The exhibit was a tremendous success and shortly thereafter both Dr Bryer and Dr Curnutt contacted the Press to suggest that we work with Sudia Skehan on the publication of these newly discovered images The author had in fact discovered almost twice as many as

were exhibited at the conference by combing through archives at Princeton University the University of South Carolina libraries Yale University's Beinecke Library the Alabama Department of Archives and History and a number of other institutional repositories A number of the images had been overlooked or buried many others came from the archives of close friends and associates of the Fitzgeralds whose own papers had never been scrutinized specifically for photographs of the Fitzgeralds These are intimate candid and personal photographs from the childhoods of both Scott and Zelda through their teenage years the tumultuous years of their marriage both in the United States and abroad and through their daughter Scottie's birth and emergence into adulthood The original conception of the book was for a simple selection of 80 to 120 photographs accompanied by the author's captions But as the project evolved through multiple drafts and the discovery of many more new and rare photographs along with the clear need for more detailed contextualization to make sense of each image in the larger arc of the Fitzgeralds' lives the project evolved into a true pictorial biography of the trio The Press now plans to publish a book of approximately 300 photographs Of those 180 have never before been published Most of the others have appeared occasionally but rarely As Jackson Bryer noted in his review of the latest draft she includes almost none of the iconic Fitzgerald photos with which we are all familiar Because the author is neither a credentialed scholar critic or historian but rather a deeply committed avocational student of the Fitzgeralds' art and lives Drs Bryer and Curnutt have reviewed and advised Sudia Skehan at each stage of the project's development correcting factual errors in her narrative suggesting additional context for certain images counseling for the inclusion of certain images and against others With their oversight Bryer has agreed to provide a scholarly introduction to the volume the Press feels assured that we will be publishing a pictorial biography of these legendary figures in American letters that will be a revelation to seasoned Fitzgerald scholars and an ideal accessible introduction to any lay reader with an interest in learning more about these rich complex figures and the storied lives they led

Hitchcock's Partner in Suspense John Charles Bennett, 2014-04-29 The colorful life and creative career of the writer behind six of Hitchcock's thrillers An intriguing and revealing story Times Literary Supplement With a career that spanned from the silent era to the 1990s British screenwriter Charles Bennett lived an extraordinary life His experiences as an actor director playwright film and television writer and novelist in both England and Hollywood left him with many amusing anecdotes opinions about his craft and impressions of the many famous people he knew Among other things Bennett was a decorated WWI hero an eminent Shakespearean actor and an Allied spy and propagandist during WWII but he is best remembered for his commercially and critically acclaimed collaborations with directors Sir Alfred Hitchcock and Cecil B DeMille The fruitful partnership with Hitchcock began after the director adapted Bennett's 1929 play *Blackmail* as the first British sound film Their partnership produced six thrillers *The Man Who Knew Too Much* *The 39 Steps* *Sabotage* *Secret Agent* *Young and Innocent* and *Foreign Correspondent* In this witty and intriguing book Bennett discusses how their collaboration created such famous motifs as the wrong man accused device and the MacGuffin He also takes readers behind

the scenes with the Master of Suspense offering his thoughts on the director's work, sense of humor and personal life. Featuring an introduction and additional biographical material from Bennett's son, editor John Charles Bennett, *Hitchcock's Partner in Suspense* is a richly detailed narrative of a remarkable yet often overlooked figure in film history. [Some Sort of Epic Grandeur](#) Matthew J. Bruccoli, 2022-06-28. Epic indeed, this is the definitive biography of Fitzgerald, plain and simple. There's no reason to own another Library Journal. *The Great Gatsby*, *The Beautiful and Damned*, *Tender Is the Night*, *The Curious Case of Benjamin Button*. These works and more elevated F. Scott Fitzgerald to his place as one of the most important American authors of the twentieth century. After struggling to become a screenwriter in Hollywood, Fitzgerald was working on *The Last Tycoon* when he died of a heart attack in 1940. He was only forty-four years old. Fitzgerald left behind his own mythology. He was a prince charming, a drunken author, a spoiled genius, the personification of the Jazz Age and a sacrificial victim of the Depression. Here, Matthew J. Bruccoli strips away the facade of this flawed literary hero. He focuses on Fitzgerald as a writer by tracing the development of his major works and his professional career. Beginning with his Midwest upbringing and first published works as a teenager, this biography follows Fitzgerald's life through the successful debut of *This Side of Paradise*, his turbulent marriage to Zelda Sayre, his time in Europe among *The Lost Generation*, the disappointing release of *The Great Gatsby* and his ignominious fall. As former US poet laureate James Dickey said, the spirit of the man is in the facts, and these, as gathered and marshalled by Bruccoli over thirty years, are all we will ever need. But more important, they are what we need. **Sprinkles And A Situation** Emmie Lyn, 2022-04-01. A donut a day doesn't keep disasters away. I'm Ellie Hart, and when a dog-walking job falls in my lap, it looks like my luck has changed. Changed for the worst, that is, when the first thing I do is stumble upon a body. And the new detective in town happens to be the most eligible bachelor around. And my new boss's grandson, I've signed on for way more than I'd ever wanted. With my job on the line, my black Lab at my side, and donuts in hand, my only choice is to follow the clues. But when footprints lead to evidence that doesn't add up, I kick my natural nosiness into high gear. My life is a complete mess, but with my new passion for sniffing out clues, I might just solve this dirty whodunit before the wrong person is arrested. Grab yourself a huge helping of this clever new cozy mystery series. You'll fall in love with Ellie Hart, her dog, and the cast of characters who keep her on her toes. [Keeping the Promise](#) Ken Oder, 2020-11-03. *Keeping the Promise* is a collection of fifty stories about the author's personal experiences. From encounters with interesting people like Muhammad Ali, President Clinton, Anna Anderson (who claimed to be the daughter of the Tsar of Russia) and Harold Swanson (Hollywood's first literary agent) to coming to grips with life and death decisions, the trauma of aging, the heartbreak of dementia, the burden of representing a death-row defendant, and the angst of enduring a pandemic, these stories span the spectrum of human emotion. They make you laugh, and they make you cry, often at the same time. As each essay offers a different perspective on the art of living a long, full life. [From the Moment They Met It Was Murder](#) Alain Silver, James Ursini, 2024-04-02. The behind-the-scenes story of the quintessential film noir and cult classic, Billy Wilder's

Double Indemnity its true crime origins and crucial impact on film history is told for the first time in this riveting narrative published for the film's 80th anniversary From actual murder to magazine fiction to movie the history of Double Indemnity is as complex as anything that hit the screen during film noir's classic period A 1927 tabloid sensation crime of the century inspired journalist and would be crime fiction writer James M Cain to pen a novella Hollywood quickly bid on the film rights but throughout the 1930s a strict code of censorship made certain that no studio could green light a murder melodrama based on real events Then in 1943 veteran scriptwriter and newly minted director Billy Wilder wanted the story for his third movie With tentative approval from the studio he hired hardboiled novelist Raymond Chandler to co write a script that would be acceptable to industry censors Director Wilder then cajoled a star cast into coming aboard the incomparable Barbara Stanwyck in her unforgettable turn as the ultimate femme fatale alongside Fred MacMurray going against type as her accomplice and Edward G Robinson as a dogged claims investigator Wilder kept Chandler on for the entire shoot and other key collaborators were cinematographer John Seitz costume designer Edith Head and composer Mikl's R zsa With all these talented contributors the final film became one of the earliest studio noirs to gain critical and commercial success including being nominated for seven Oscars It powerfully influenced the burgeoning noir movement spawned many imitators and affected the later careers of all its cast and crew Double Indemnity's impact on filmmakers and audiences is still felt eight decades since its release Authors Alain Silver and James Ursini tell the complete never before told history of writing making and marketing of Double Indemnity in their latest and most provocative work on film noir From the Moment They Met It Was Murder

Ross MacDonald Tom Nolan, 2015-07-07 When he died in 1983 Ross Macdonald was the best known and most highly regarded crime fiction writer in America Long considered the rightful successor to the mantles of Dashiell Hammett and Raymond Chandler Ross Macdonald and his Lew Archer novels were hailed by The New York Times as the finest series of detective novels ever written by an American Now in the first full length biography of this extraordinary and influential writer a much fuller picture emerges of a man to whom hiding things came as second nature While it was no secret that Ross Macdonald was the pseudonym of Kenneth Millar a Santa Barbara man married to another good mystery writer Margaret Millar his official biography was spare Drawing on unrestricted access to the Kenneth and Margaret Millar Archives on more than forty years of correspondence and on hundreds of interviews with those who knew Millar well author Tom Nolan has done a masterful job of filling in the blanks between the psychologically complex novels and the author's life both secret and overt Ross Macdonald came to crime writing honestly Born in northern California to Canadian parents Kenneth Millar grew up in Ontario virtually fatherless poor and with a mother whose mental stability was very much in question From the age of twelve young Millar was fighting stealing and breaking social and moral laws by his own admission he barely escaped being a criminal Years later Millar would come to see himself in his tales wrongdoers I don't have to be violent he said My books are How this troubled young man came to be one of the most brilliant graduate students in the history of the University of

Michigan and how this writer who excelled in a genre all too often looked down upon by literary critics came to have a lifelong friendship with Eudora Welty are all examined in the pages of Tom Nolan's meticulous biography. We come to a sympathetic understanding of the Millars' long and sometimes rancorous marriage and of their life in Santa Barbara, California, with their only daughter Linda, whose legal and emotional traumas lie at the very heart of the story. But we also follow the trajectory of a literary career that began in the pages of *Manhunt* and ended with the great respect of such fellow writers as Marshall McLuhan, Hugh Kenner, Nelson Algren, and Reynolds Price, and the longtime distinguished publisher Alfred A. Knopf. As Ross Macdonald's *A Biography* makes abundantly clear, Ross Macdonald's greatest character, above and beyond his famous Lew Archer, was none other than his creator, Kenneth Millar.

Sprinkled with Ruby Dust H. N. Swanson, 1989. Hollywood's most famous literary agent recounts his career representing such twentieth-century literary luminaries as F. Scott Fitzgerald and William Faulkner in their efforts to find work as scriptwriters in Hollywood's booming lucrative film industry.

The New Historical Dictionary of the American Film Industry Anthony Slide, 2014-02-25. The New Historical Dictionary of the American Film Industry is a completely revised and updated edition of Anthony Slide's *The American Film Industry*, originally published in 1986 and recipient of the American Library Association's Outstanding Reference Book award for that year. More than 200 new entries have been added, and all original entries have been updated; each entry is followed by a short bibliography. As its predecessor, the new dictionary is unique in that it is not a who's who of the industry but rather a what's what: a dictionary of producing and releasing companies, technical innovations, industry terms, studios, genres, color systems, institutions, and organizations, etc. More than 800 entries include everything from Academy of Motion Pictures Arts and Sciences to Zoom Lens, from Astoria Studios to Zoetrope.

Outstanding Reference Source. American Library Association.

The Great Gatsby Harold Bloom, 2006. This series provides comprehensive reading and study guides for some of the world's most important literary masterpieces.

Please, General Custer, I Don't Want to Go Russell W. Estlack, 2020-01-24. These entertaining stories from Old West history include cowboys, Indians, lawmen, lawbreakers, entertainers, prostitutes, priests, and politicians. They all helped shape the myth and legend of the American West. This book reveals the stories of characters like Mary Fields, Cleophas Dowd, and Judge Roy Bean, and offers glimpses of gunfights, holdups, mining claim battles, and more.

I Wake Up Screening! Frank Daniel Gilroy, 1993. George Stevens was the first to know months before Frank D. Gilroy had even an inkling. As they scouted locations for *The Only Game in Town* in 1968, Stevens repeatedly handed Gilroy his viewfinder to consider possible scenes. Asked to explain why he was so insistent on this procedure, Stevens answered with certainty: "You're going to direct some day." Gilroy recalled Stevens' words two years later, when unhappy with the limited role of screenwriter, he optioned *Desperate Characters* by Paula Fox, determined not only to adapt her novel for the screen but to direct the film. Fortunately for film buffs, film historians, film students, and prospective independent film producers, Gilroy is a compulsive diarist who wrote *I Wake Up Screening* while he made four independent

feature films each accorded three stars in Leonard Maltin's TV Movies and Video Guide for a total investment of two million dollars for all four films. These intimate logs of the making of *Desperate Characters*, *Once in Paris*, *The Gig*, and *The Luckiest Man in the World* show clearly that a film school that doesn't include in its curriculum discussions of negotiating with the Teamsters and of raising money by independent producers is leaving out vital parts of the film making process. Because Gilroy wrote the scripts, raised the money, assembled the production team, directed, opened each of the four films, and even ventured into the murky world of distribution, *I Wake Up Screaming* is a vast repository of information about film making in general and independent film making in particular. It is not recommended for anyone who wishes to preserve a fairy tale notion about feature film making. When Gilroy first considered publishing these logs, his wife encouraged him. "Do it," she said. "If it stops one person from following in your footsteps, it will be worthwhile." *Raymond Chandler* Tom Hiney, 1999-06-02. A New York Times Notable Book of the Year, *Raymond Chandler* is an uncensored look at the tortured man who wrote the classic mystery novels *The Big Sleep* and *The Long Goodbye*. Using recently uncovered archival materials, including personal papers and correspondence, biographer Thomas Hiney vividly evokes Chandler's early years in Nebraska, his education in England, and on the corrupt streets of Los Angeles, and his later years as a novelist and screenwriter in the heyday of the Hollywood studio system. Along the way, he provides illuminating insights into the writer's inspirations and work, as well as accounts of Chandler's battles with alcohol addiction and his friendships with Howard Hawks, Lucky Luciano, S. J. Perelman, and Alfred Hitchcock. This book is also the first to fully detail the significance and complexities of his thirty-year marriage to Cissy, a woman seventeen years his senior. *Raymond Chandler* is a personal portrait of an author as extraordinary as the fiction he created, a body of work that has sold more than five million copies, been translated into twenty-five languages, and inspired countless imitators. A discerning portrait of the creator of Philip Marlowe, the archetypal American private eye. *Newsweek*
