another chapter of some favorite pretend stories spun out night after night chapter by chapter Many of these stories led to daytime adventures as the kids lifted up flat rocks in search of Harvey Rabbit s magic hole with the candy factory They made horn toads into pets and few a mouse in box fitted with a running wheel In 1989 I decided to write down some of those favorite stories to give my now grown children as a Christmas present My artist sister illustrated these stories for me The compilation of stories has been sitting in my cedar chest for 30 years until recently when I had them re printed for my now growing family of grandchildren and great grandchildren God bless each and every child out there that they may come to know in their head and heart that we are all God s angels placed here on earth with extraordinary abilities in order to love and bless each other s lives

**From Ruth's Kitchen with Love** Ruth Glasberg Gold,2010-09-30 As a multi faceted author gracious hostess and cook Ruth has long been admired by her many friends who have been invited to her dinners One cannot forget her multi ethnic specialties among them Romanian eggplant salad Colombian Ajiaco potato soup Bukovinian Schmettentorte sour cream cake to name just a small sampling of her culinary repertoire French gastronome Jean Brillat Savarin once remarked that the discovery of a new dish does more for the happiness of the new race

than the discovery of a star George Bernard Shaw also believed that there was no love more sincere than the love of food A sampling of the recipes from this book readily confirms both opinions Vladimir F Wertsman author of What s Cooking in Multicultural America Scarecrow Press 1996 This is an unpretentious cookbook designed for epicurean tastes It is also a tribute to the women of various ethnic backgrounds who left us the legacy of fine cuisine which I hope to pass on to future generations The majority of these recipes are from Bukovina once Northern Romania and other countries which were once part of the Austro Hungarian Empire Some of the Bukovinian dishes are almost legendary in their nostalgia Many have never before been documented and most probably have never been featured on restaurant menus I have wandered across four continents and have experienced life under monarchies communism and fascism all of which I survived These multiple acculturations were extremely difficult but had also some positive effects one of them being the acquisition of a myriad of recipes I am pleased to share with you some of them in the hope that you will enjoy this adventure as much as I did Ruth Glasberg Gold
