que la iglesia debe reinventarse ajustar su mensaje evangélico ser menos dogmática más terapéutica tolerante y entretenida. Además afirman que la iglesia debe complacer a la cultura asumir sus causas sociales incluso adaptarse a ella pero nunca oponerse a ella. Sin embargo tal postura es totalmente ajena a las Escrituras y por lo tanto atenta al poder y la bendición de Dios. Dave Harrell con claridad y convicción guía a los lectores a través de las prioridades de un paradigma bíblico para el ministerio un paradigma que trasciende los caprichos de la cultura moderna y que puede ser aplicado con confianza por ministros y líderes cristianos por igual. Many people today think the most effective means to reach this postmodern world for Christ is for the church to become more attractive and relevant to the culture. It must reinvent itself adjust its gospel message be less dogmatic more therapeutic tolerant and entertaining. It must pander to the culture take up its social causes even conform to it but never oppose it. Yet such a position is totally foreign to Scripture and therefore mitigates the power and blessing of God. With clarity and conviction Dave Harrell guides readers through the priorities of a biblically focused ministry paradigm a paradigm that transcends the vagaries of modern culture that may be applied with confidence by ministers and Christian leaders alike.

El Diálogo de Doctrina Christiana de Juan de Valdés Jorge Orlando Gallor Guarín, 2019-04-08 En esta obra se aplica la rica cultura como instrumento metodológico para el estudio de un diálogo espiritual escrito en el Renacimiento el Diálogo de doctrina cristiana de Juan de Valdés. El haber vivido estudiado y trabajado en el entorno de varias culturas en diferentes continentes le ha permitido al autor tener la firme convicción de la importancia fundamental que posee el conocimiento de una cultura para comprender mejor tanto la lengua como a sus hablantes y cómo no sus expresiones artísticas siendo la literatura una de ellas. La rica cultura permite entender motivadamente la construcción y los contenidos de una obra literaria así como la recepción y el entendimiento que de ella tienen sus lectores. Esa experiencia personal sumada a las lecturas de los trabajos entre otros de los profesores Tomás Albaladejo y Francisco Chico Rico sobre este tema le ha hecho posible al autor descubrir toda la riqueza cultural y discursiva que comporta la obra objeto de estudio.
