Squidgy Dearest:

Dearest Jane... Jane Torday, Roger Mortimer, 2014-03-20 As the eldest daughter of a prolific letter writer Jane Torday received hundreds of letters from her father over the years From irreverent advice and hilarious family anecdotes to moments of great poignancy Roger Mortimer's missives are a touching and witty portrait of his life and relationships over the years Dearest Jane begins with Roger's time as a young army officer in Egypt and then as a POW in the Second World War where his sense of humour endured despite the conditions Jane accompanies her father's letters with her own memories and anecdotes as we meet familiar characters such as Nidnod Lupin and Lumpy and learn more about the extended family friends and pets who leap from the pages of his letters This is an arresting and extraordinary record not only of Roger Mortimer's life but also of the history of an entire family between 1960 and 1991 Sparkling with the dry wit for which Mortimer's letters are famous and accompanied by an affectionate personal portrait this book will delight both old and new readers

Pleasant Vices Laura Daniels, 2015-05-21 The unrivalled partnership of Gerald and Isabel Partridge both on and off the stage had been a sensation and their early and tragic deaths set the seal on a legend which is still enshrined in their old home Mistleaden Ladies Deep in the heart of the Kent countryside the house is open to a public ever eager for details about their idols and run by the Partridges only child the redoubtable Winifred Fleming and her former daughter in law Eve For Eve Mistleaden Ladies and her family are her life and though one Partridge has deserted her Gerald and Isabel remain untarnished Then the chance discovery of a missing miniature drives her into understanding that the Partridges may not be all that they appear The looming publication of a book that will threaten the family's reputation makes Eve determined to seek out the truth even if this means approaching her former husband Rick Eve is pitchforked into a maze where no path is as it seems and at its centre there lies a secret that throws the family into turmoil HOW TO BE A THOUSANDAIRE

Fiedler, 2024-12-01 The letters in Writing Home offer a glimpse into a crucially formative period in the life of Leslie A Fiedler one of the greatest literary critics and American public intellectuals of the twentieth century Written to his wife and two sons between May 1944 and December 1945 while he was serving as a cryptologist and translator for the Office

of Naval Intelligence they contain firsthand accounts of his experiences in various locations in the Pacific Theater including Hawaii Iwo Jima Okinawa Guam and China Constrained by Navy censors from writing directly about his work as an intelligence officer he writes instead on a variety of themes events places and war situations including the ethical contradictions between a war fought for and in the name of freedom on the one hand and the oppression of indigenous Hawaiians and prisoners of war on the other He also questions the mainstream European centered view of the war and provides new insights into the role of Jewish servicemen in World War II Finally the letters document the beginning of the formation of American intellectual life in the years preceding the Cold War forcing us to rethink certain premises of American exceptionalism in the second half of the twentieth century Taken together they offer a unique and fascinating immersion into history through the eyes of one of the makers of post World War II American literary culture *AB Bookman's Weekly*, 1997

Diana and Jackie Jay Mulvaney, 2003-10-21 History has seen only a few women so magical so evanescent that they captured the spirit and imagination of their times Diana Princess of Wales and Jacqueline Kennedy Onassis were two of these rare creatures They were the most famous women of the twentieth century admired respected even adored at times rebuked mocked and reviled at others Separated by nationality and a generation apart they led two surprisingly similar lives Both were the daughters of acrimonious divorce Both wed men twelve years their senior men who needed trophy brides to advance their careers Both married into powerful and domineering families who tried unsuccessfully to tame their willful independence Both inherited power through marriage and both rebelled within their official roles forever crushing the archetype And both revolutionized dynasties And yet in many ways they were completely different Jackie lived her life with an English stiff upper lip never complaining never explaining in the face of immense public curiosity Diana lived her life with an American quivering lower lip with televised tell alls exposing her family drama to a world eager for every detail These two lives have been well documented but never before compared And never before examined in the context of their times Jay Mulvaney author of *Kennedy Weddings* and *Jackie The Clothes of Camelot* probes the lives of these two twentieth century icons and discovers The nature of their personalities forged from the cradle by their relationships with their fathers Black Jack Bouvier and Johnny Spencer Their early years and their early relationships with men Their marriages and the truth behind the lies the betrayals and the arrangements Their greatest achievements motherhood Their prickly relationships with their august mothers in law Rose Fitzgerald Kennedy and Queen Elizabeth II Their lives as single women working mothers Their roles as icons and archetypes Graced with never before seen photographs from many private collections and painstakingly researched *Diana and Jackie* presents these two remarkable and unique women as they have never been seen before *The Poisonous Pixie's Second Book of Poetry - Lockdown Edition* Rachel Rhodes-Puckett, 1901 *The Poisonous Pixie's Second Book of Poetry Lockdown Edition* follows hot on the heels of author Rachel Rhodes Puckett's first poetry collection published in December 2017 entitled *The Pennings Of The Poisonous Pixie's Book Of Poetry* Another eclectic lyrical

regret and a huge sigh of frustration that I am writing this letter For generations you have been taking our goodwill for granted but it behoves me as a representative for my species to say enough is enough You are unpredictable and inconsistent often behaving in a way that is illogical to us and frankly unhygienic all that touching I believe the modern phrase is You just don t get me Well no more My fellow felines and I have put pen to paper and paw to keyboard to write a series of letters that I believe will put you on the path to understanding where you ve gone wrong We feel we have covered most of your most common errors from the food you give us both the lack of quality and quantity and your insistence on having other cats and even dogs in the house to your bizarre toilet habits and our obsession with your socks Consider this your performance review from cats and you don t come out well Yours sincerely Sidney Fishbone Esq **Ever, Dirk** John Coldstream,2011-09-08 The
