NiDS 2025 provided a high-impact platform for scholars, researchers, and practitioners to present original research, exchange ideas, and engage in dialogue across a wide range of disciplines from computational intelligence and data science to smart systems and emerging digital infrastructures. By fostering interdisciplinary collaboration, NiDS 2025 strengthened global research networks and promoted innovation that bridges academia and industry. This collection is a valuable resource for those interested in the future of intelligent digital systems and the evolving challenges of AI-driven development.

**High Moon Vol. 1** David Gallaher, 2017-10-31 The Harvey Award-winning collection of the critically acclaimed webcomic series is reloaded and remastered. Bounty hunter Matthew Macgregor investigates a series of strange happenings in the dusty Texas town of Blest where drought has brought famine and hardship to most of the town and surrounding ranches. Unfortunately, that's the least of the town's worries. While the summer heat pushes the mercury toward further unbearable degrees during the day, the nights are haunted by strange, unnatural creatures roaming the darkness. Macgregor, a former Pinkerton agent, seeks to uncover the town's dark secrets and tries desperately to keep his own past steeped in witchcraft and the supernatural hidden. At sundown, they'll be a showdown at High Moon.

**Intimate leadership** Jayaram Rajaram, 2023-11-15 Intimate Leadership is a book for every corporate leader, startup founder, family business owner, or entrepreneur who wishes to build a long-term, profitable consumer products business. The book is for those looking for simple yet timeless and powerful people-oriented solutions in an ever-changing world. Jayaram draws from his 21 years of experience managing and reinventing Bril, an iconic Indian heritage brand that so many of us have grown up using and loving. Bril has touched the lives of more than 480 million consumers since 1964. The book seamlessly moves from Jayaram's personal leadership experiences and learnings of how he has kept Bril relevant to today's consumers to decoding leadership and branding secrets of legendary brands and nimble new-age startups. The book is easy to read and gives phenomenal insights on how to build world-class consumer products brands that connect emotionally and stick for decades in the minds of consumers. Use this book if you wish to learn how to build a great, profitable and enduring consumer products company in a dynamic, fast-changing world.

**Contemporary Chinese Graphic Design Practice** Yun Wang, 2025-01-09 Drawing from a rich body of archival documents, case studies, and interviews, this book explores the ways in which graphic designers in China sought to establish graphic design as a profession and discipline from

the 1980s to the present day Yun Wang traces the impact of cultural economic and social conditions on China's developing design industry in a period of rapid transformation focusing on Beijing Guangzhou and Shenzhen as industry centres From the influence of the newly implemented reform and opening up policy in 1978 to membership of the World Trade Organization in 2001 and international events such as the 2008 Beijing Olympics Wang maps the increased demand for design talent and the evolution of a creative industry This book provides a critical and extensively researched narrative of how graphic design developed locally and regionally through practice in education and within the publishing landscape and pays particular attention to the ways in which designers in different cities in the People's Republic of China intersected with international networks Including material from interviews with over 50 designers and other stakeholders archival research into graphic work design journals and exhibition catalogues and 100 illustrations and photographs throughout this book provides an in depth exploration of graphic design developments in recent decades It also features personal and institutional accounts in addition to the author's unique insight and reflections on the growing design industry in contemporary China
