## **Super Stocks:**

*Super Stocks* Kenneth L. Fisher, 2007-10-12 Target the Super Stocks that deliver huge returns One of the most successful investing books ever published *Super Stocks* showed investors how to use innovative techniques and fundamental analysis for valuing stocks and predicting future profit margins You ll gain valuable insight into Fisher s original thinkin for valuing stocks and predicting future profit margins A pioneer in the use of the Price Sales Ratio a powerful analytical tool Fisher regales readers with instructive tales of the businesses he invested in and profited from *Super Stocks* gives a historical perspective on how Fisher successfully researched companies and stocks who he saw and what he asked to get a better read on profitable returns As rich in investment war stories as it is in knowledge *The Motley Fool* **Stocks and Exchange**

Ladis Konecny, 2021-08-13 The book *Stocks and Exchange* the only Book you need is intended for the general public from 11 to 85 years Although the book is easily understandable it describes in detail the parameters which are ideal for safe and profitable investments in stocks or companies whether short term or long term When to sell or buy This is technical and fundamental analysis at its finest Which stocks can finance your pension with dividend payments This book is the result of many years of practice and study of relevant literature The book describes the strategies of the most famous investors and also my own experiences with stocks Investment funds and pension insurance are discussed The book contains a little information on business economics for investors and a lot of important information about the business on the stock exchange The courses of three economic crises and crashes are investigated The small lexicon explains 195 technical terms There are some case studies about investors companies and their stocks Also described is the investment in gold commodities and derivatives Because the state expects ever more personal responsibility for your retirement arrangements this book is also a very meaningful gift for your younger family members Unfortunately there are only very few profound and above all honest books on shares thereby making this one all the more valuable **Mopar** Martyn L. Schorr, 2009-07 From the early 1960s

through the mid 1970s Dodge and Plymouth supercars and ponycars defined ultimate performance on the street drag strips and NASCAR s high speed tracks *Mopar The Performance Years* provides detailed specs driving impressions technical data and fantastic period photos of the Chrysler Corporation s greatest muscle cars The books were published originally as part of the Quicksilver Supercar Series Out of print for more than two decades original editions of the books are coveted by collectors and rarely come up for sale Not content to let collectors have all the fun we ve brought them back to provide a unique window into muscle car history For musclecar fans each page in *Mopar The Performance Years* is like finding another present under the Christmas tree Featured cars include Challenger Charger Barracuda Road Runner Daytona and Dart you ll also find coverage of unique cars and racers like the Little Red Wagon Trans Am Challenger the Golden Commandos the Ramchargers Richard Petty Sox Martin A J Foyt and Sam Posey And of course there s wealth of information on Mopar s famous engines from the Hemi to the Wedge and beyond The original Quicksilver Supercar series *Mopar books Volume 1*
