## **Superhero A Biography Of Christopher Reeve:**

**Superhero** Chris Nickson, 2011-04-01 *Superhero* is a book on the life of Christopher Reeve by Chris Nickson author of biographies of David Boreanaz, Melissa Etheridge, and Matt Damon. Reeve was well known for his portrayal of Superman, but his acting career was cut short by a horse riding accident that left him paralyzed. But Reeve continued to live his life as a real world superhero, and this biography tells his remarkable story.

*Superhero* Chris Nickson, 1999-01-01 Details the life of Christopher Reeve from initial fame playing Superman through volunteer work and raising children to the devastating accident that left him paralyzed.

*Still Me* Christopher Reeve, 1999 Through his leading role in the three Superman films, Christopher Reeve became so closely identified with the superhero that he wasn't just seen as the actor who played Superman; he was Superman. Which is why the tragic riding accident which left him paralysed from the neck down shocked the world. Superman was not superhuman. It is also why he is now the world's most recognisable person in a wheelchair. In true superhero style, Christopher Reeve refuses to resign himself to the life of a quadriplegic and is actively campaigning to raise the profile of spinal cord injury victims and research. Although he was initially told that he would only ever be able to move his head, he can now shrug his shoulders and breathe alone for increasing periods of time and is determined that he will walk again. It is this extraordinary courage and determination that has made Christopher Reeve the internationally admired figure that he is, and it is this bravery which makes this autobiography about his paralysis and his journey to recovery such a powerful and moving story.

*Christopher Reeve* Karen Edwards, 2005

**Somewhere in Heaven** Christopher Andersen, 2008-07-08 Dana is my life force. Christopher Reeve: A terrible thing happened. I wish it hadn't. But would I change who I married? Never. Dana Reeve: He was a hero in every sense of the word, the chiseled from granite star of four blockbuster Superman films and the romantic classic *Somewhere in Time*, who after being paralyzed in a freak horseback riding accident became a symbol of hope for millions. Dana Reeve was no less heroic, standing steadfastly by her husband's side until his surprisingly sudden and unexpected death at age fifty-two. When Dana, a non-smoker, passed away from lung cancer just seventeen months after Chris's death, she left behind their thirteen-year-old son, Will, to be raised by friends and family. Dana was only forty-four years old. That fate could have dealt such a cruel hand to this golden couple seemed unfathomable. That they could endure it all with grace, courage, and humor defied belief. Yet for all the millions of words that have been written about their public causes and private struggles following Chris's accident, little is known about the lives they led as passionate young lovers. Now, in the manner of his poignant yet stirring bestsellers *Jack and Jackie*, *Jackie After Jack*, *An Affair to Remember*, *The Day Diana Died*, *After Diana*, and *The Day John Died*, No. 1 New York Times bestselling author Christopher Andersen draws on those who knew them best to examine in touching detail the Reeves' unique partnership and the romance, faith, and fortitude that defined it. Sometimes heartbreaking, often uplifting, always compelling, *Somewhere in Heaven* is more than just a portrait of a marriage. It is the profoundly human story of two souls whose brief lives made a difference.
