**Supernatural Religion: The Acts of the apostles. The direct evidence for miracles. The resurrection and ascension** Walter Richard Cassels,1879     *Supernatural Religion* Walter Richard Cassels,1879     **Supernatural religion [by W.R. Cassels]. Complete ed., revised** Walter Richard Cassels,1879     *The Evidence of Christian Experience* Lewis French Stearns,1890     The Positive Evidences of Christianity Beverly Waugh Bond,1881     Evidences of Christianity William Paley,Robert Lynam,1823     **Jesus: Evidence and Argument or Mythicist Myths?** Maurice Casey,2014-01-16

Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what can t     *Studies in the Christian evidences* Alexander Mair (M.A.),1894     **A Subject Index of the Modern Works Added to the Library of the British Museum in the Years 1885-1890** George Knottessford Fortescue,1891     **Christian Literature: Evidences** John Smythe Memes,1853     **Evidences of Christianity ; Moral and political philosophy** William Paley,1828     Subject Index of the Modern Works Added to the Library of the British Museum in the Years ... British Museum,1891     The Historical Evidence for Jesus G. A. Wells,2010-12-08 In this thoroughly researched study G A Wells has squarely faced the question of whether a man named Jesus lived preached healed and died in Palestine during the early years of the first century of the Christian era or indeed at any time Building on the biblical studies of Christian theologians Dr Wells soberly demonstrates that we have no reliable eyewitnesses to the events depicted in the New Testament He publicizes a fact known to theological scholars but little known in the average Christian congregation that the order of books of the New Testament is not an accurate chronological arrangement Indeed Paul who never saw Jesus wrote his epistles to early Christian congregations before the Gospels of Matthew Mark and John were written It may come as a great surprise to Christians and other monotheists to agnostics atheists and humanists alike that the earliest references to the historical Jesus are so vague that it is not necessary to hold that he ever existed the rise of Christianity can from the undoubtedly historical antecedents be explained quite well without him and reasons can be given to show why from about A D 80 or 90 Christians began to suppose that he had lived in Palestine about fifty years earlier The Historical Evidence for Jesus is not a frontal attack on Christians per se rather it is an easily understood but scholarly examination of the evidence

for many long accepted notions about the biography of the man called Jesus This book takes up and quotes extensively from the Epistles and the Gospels of the New Testament thus letting the evidence speak for itself in words familiar to every Bible reader For example Wells closely compares what Paul said about Jesus with what the author of Matthew who lived later wrote of him Then he explains why these discrepancies apparently exist Startling indeed is his proof that earlier writers sometimes make statements which positively exclude the idea that Jesus worked miracles delivered certain teachings or suffered under Pilate There is also interesting material on the topics of Jesus supposed family the so called Shroud of Turin and the myth making that even today surrounds the figure of Jesus Dr Wells does not however attempt to demolish belief in God or the ethical precepts held by Christians His presentation is always fair and couched in moderate tones The proof of Christianity Julius Wilhelm Kaftan,1894 Christ in the world; or, Christianity in its relation to the life of the world. Donnellan lects. for 1892-93 William M. Foley,1894 *Bishop Butler's Analogy of Religion, Natural and Revealed, to the Constitution and Course of Nature ...* Joseph Butler,1854 **The Christian's Plea Against Modern Unbelief** Robert Ainslie Redford,1881 *Analogy of Religion, Natural and Revealed, to the Constitution and Course of Nature* Joseph Butler (Bishop of Durham),1887 Nineteenth-Century Philosophy of Religion Graham Oppy,N. N. Trakakis,2014-09-19 The nineteenth century was a turbulent period in the history of the philosophical scrutiny of religion Major scholars such as Hegel Fichte Schelling Newman Caird and Royce sought to construct systematic responses to the Enlightenment critiques of religion carried out by Spinoza and Hume At the same time new critiques of religion were launched by philosophers such as Schopenhauer and Nietzsche and by scholars engaged in textual criticism such as Schleiermacher and Dilthey Over the course of the century the work of Marx Freud Darwin and Durkheim brought the revolutionary perspectives of political economy psychoanalysis evolutionary theory and anthropology to bear on both religion and its study These challenges played a major role in the shaping of twentieth century philosophical thought about religion Nineteenth Century Philosophy of Religion will be of interest to scholars and students of Philosophy and Religion and will serve as an authoritative guide for all who are interested in the debates that took place in this seminal period in the history of philosophical thinking about religion

*The Proskynesis of Jesus in the New Testament* Ray M. Lozano,2019-10-17 This book investigates the use of the Greek term proskuneo with Jesus as the object in the New Testament writings Ray M Lozano unpicks this interesting term and examines its capacity to express various degrees of reverence directed toward a superior from a respectful greeting of an elder to homage paid to a king to cultic worship paid to a god Lozano then looks at the term in reference to Jesus in the New Testament writings and carefully considers whether Jesus is portrayed as receiving such reverence in a relatively weak sense as a merely human figure or in a relatively strong sense as a divine figure Lozano highlights how scholars are divided over this issue and provides a fresh thorough examination of the New Testament material Mark Matthew Luke Acts John Hebrews and Revelation and in so doing shows that each of these New Testament writings in their own unique ways presents Jesus as

a divine figure uniquely and closely linked to the God of Israel in making him an object of proskuneo
