Dr. Gordon E. Bradshaw,2015-09-22 I SEE THRONES is a call to spiritual arms and kingship to maturity and wisdom and to cultural relevance engagement and leadership for the modern church and all kingdom citizens globally in the Seven Mountains of Culture It is a call to shift not just attitudinally or behaviorally into a more alert and aggressive and proactive posture and mindset but to shift positionally as well As a theological treatise it is revelatory and scholarly As a roadmap and blueprint for change in tactics and engagement with culture it is strategic and masterful This is an important vital and essential missing piece to the kingdom model that God has released to Dr G E Bradshaw for the benefit of and use by the body of Christ to advance and build His kingdom on Earth as it is in heaven

Radix Naturalis Craig Cramm,2020-10-30 The substance of this present work is liberation semiology The world s own principle is love agape Our fellow creatures are co symbols of emancipation from human violence Creation is not as influential modern thinkers envision mere material mere nature to commodify and dominate for the freedom of an exclusive constituency of our species The ecological crisis emerges from a tragic misfit between experiments with secular sovereignty and the continuance of Christian historicity Either the Christian form of life of time is replaced revealing a new ecological worldview or we revive Christian sovereignty as a creative fit with the actuality of Christian historicity This work wagers on the latter Christian civilization is coextensive with ecological civilization Resolving Water Conflicts Workbook Lynette de Silva,Chris Maser,2021-11-25 This book works to build trust consensus and capacity to enhance understanding through a water conflict management framework designed to bolster collaborative skills Built on case studies analysis and hands on real life applications it addresses issues of water insecurity of marginalized systems and communities global water viability institutional resilience and the inclusion of faith based traditions for climate action The authors assess the complexities of climate challenges and explain how to create sustainable effective and efficient water approaches for an improved ecological and socioeconomic future within the UN s Sustainable Development Goals **Women and Asian Religions** Zayn R. Kassam,2017-06-22 Covering eclectic topics ranging from South Asian religion to motherhood to world dance to

ethnomusicology this book focuses on contemporary selected experiences of women and how their lives interface with religion Religion has often been perceived as the source of constriction for women s roles in society This volume explores how modern women across Asia are mobilizing their faith traditions to address existential issues encountered in both the public and private realms relating to economics public participation politics and culture As such it is revealed that religion can be a powerful force for social change and ameliorating women s lives despite use of religious doctrine in the past to limit women Editor Zayn R Kassam PhD and the contributors cover not only the commonly considered Asian traditions of Hinduism Islam and Buddhism but also Christianity Judaism Bahai and indigenous traditions The book reveals that the challenges and opportunities Asian women face arise both from within and outside whether in terms of developments within their countries or in relation to international political and economic regimes The chapters explore how the issues Asian women face have as much to do with cultural and religious codes as they do with politics economics education and the law consider the varying ways in which family and motherhood are affected by the state s construction of the gendered citizen by social constructs of motherhood and by policies regarding women and children s access to health care and identify the roles played by religion and spirituality in these circumstances
