Superstar Makeover:

Body as Evidence Janell Hobson, 2012-10-11 In *Body as Evidence* Janell Hobson challenges postmodernist dismissals of identity politics and the delusional belief that the Millennial era reflects a postracial and postfeminist world Hobson points to diverse examples in cultural narratives which suggest that new media rely on old ideologies in the shaping of the body politic *Body as Evidence* creates a theoretical mash up of prose and poetry to illuminate the ways that bodies still matter as sites of political cultural and digital resistance It does so by examining various representations from popular shows like *American Idol* to public figures like the Obamas to high profile cases like the Duke lacrosse rape scandal to current trends in digital culture Hobson's study also discusses the women who have fueled and retooled twenty first century media to make sense of antiracist and feminist resistance Her discussions include the electronica of Janelle Monáe M I A and Björk the feminist film odysseys of Wanuri Kahiu and Neloufer Pazira and the embodied resistance found simply in raising one's voice in song creating a blog wearing a veil stripping naked or planting a tree Spinning knowledge out of this information overload Hobson offers a global black feminist meditation on how our bodies mobilize destabilize and decolonize the meanings of race and gender in an increasingly digitized and globalized world

Elizabeth A. Ford, Deborah C. Mitchell, 2004-04-14 The plots of many films pivot on the moment when a dowdy girl with bad hair ill fitting outdated clothing and thick glasses is changed into an almost unrecognizable glamour girl Makeover scenes such as these are examined beginning with 1942 s Now Voyager The study examines whether the film makeover is voluntary or involuntary whether it is always successful how much screen time it takes up where in the narrative structure it falls and how the scene is actually filmed Films with a Pygmalion theme such as My Fair Lady Vertigo and Shampoo are examined in terms of gender relations whether the man is content with his creation and what sort of woman is the ideal Some films publicity capitalizes on a glamorous star s choice to play an unattractive character as discussed in a chapter examining stars like Bette Davis Meryl Streep and Cameron Diaz Topics also include folk literature s Cinderella tale men as the inspiration for makeovers in teen flicks films like Clueless She s All That and Me Natalie and class repositioning in such movies as Working Girl Pretty Woman and Grease Photographs are presented in a before after format showing the change in the makeover character *The Great American Makeover* D. much a project in the United States but not a straightforwardly individual one. A duality of individual free choice and disciplinary institutional governance is the grand national paradox. Simply being leading life without a bumper sticker avowing one's elective institutional affinities seems implausible in a country consumed by the makeover idea that what you were born as need not define you forever. As Toby Miller writes in his introduction, I come neither to bury the makeover nor to praise the makeover but to criticize it even as I stand alternately bewildered, amused, appalled, and attracted by it. In *Makeover Nation* he does just that in a witty no-holds-barred style. Miller looks at the power of various forms of knowledge about people and their emotions as they have been applied to the US population from talk therapy to drug treatment. He is particularly interested in young people in examining how childhood is constructed and pays close attention to the much favored and overused diagnosis and treatment of ADHD/ADD. He also focuses his attention on metrosexuals and right-wing Christians to disclose how these opposing groups manifest their drive toward self-creation. Miller believes that we must question the pleasures of reinvention even as we embrace them. *TV Guide*, 2007 **Nintendo Power**, 2009 The Sleepover Journal Diana Cohn, 2002-07 Whoever put the sleep in sleep over must have never attended one. *The Sleepover Journal* is both the ultimate party planner and a fill-in journal. It includes food recipes, games, and playful group activities, a guest book for friends to fill out when they arrive, truth or dare suggestions, sleepover scrapbook pages, twenty colorful stickers, and a light pen for bedtime note passing. Killer Cuts Elaine Viets, 2018-03-06 From Anthony and Agatha Award-winning author Elaine Viets, the thrilling mystery series about one woman trying to make a living while other people are making a killing. Miguel Angel's chic salon is where Fort Lauderdale's high society hairdos get done. Even though Helen Hawthorne is just a gofer at the upscale salon, she has to admit the fabulous Miguel Angel is a master at the craft of coif. But with great heads of hair come great headaches. Especially when Miguel Angel and Helen try to prepare the pregnant fiancée of Kingman King Oden for her nuptials. King is a bloated loudmouth bully with a gossip blog, a TV show, and a lousy attitude. When King tries to throw his weight around the shop, Miguel Angel delivers a vicious dressing down along with a killer threat. Unfortunately, that's why Miguel Angel is named the prime suspect when King's body is found drowned in a pool at his own wedding. Helen knows her boss might have a temper, but murder? That's just not his style. So it's up to Helen to find out which of King's countless enemies wanted to give him a final fatal rinse. *Transforming Bodies* H. Steinhoff, 2015-05-26 At the turn of the twenty-first century, American media abound with images and narratives of bodily transformations. At the crossroads of American cultural, literary, media, gender, queer, disability, and governmentality studies, the book presents a timely intervention into critical debates on body transformations and contemporary makeover culture. **Ra Ta Ee Ka** Ravi Hanj, 2024-04-17 The term autobiography has been fancifully interpreted as Atma Charitre in Kannada, which loosely means History of Soul or History of Self. Consequently, many Indian autobiographies or Histories of Souls tend to focus more on the self than the soul and portray history as glory, transforming autobiographies into a grandiose celebration of the self. In my

personal opinion it often feels like an exaggerated form of self indulgence resembling a glorified expression of self gratification This self centered narrative of glory does not limit itself to mere me and mine but extends to the whole nine damn chakras and then shoots through the enlightened infinity and beyond Hence it is rare to come across autobiographies that genuinely explore the harmonious interaction between the individual and society offering readers the joy of witnessing the writer s selfless engagement and integration with their community rather than with the self It perplexes me how someone with a profound understanding of the soul can write such egocentric tales in the name of selfless soul philosophy Indeed it is challenging for anyone within a society or community to comprehend such self centered life stories Therefore my tale does not revolve around extraordinary souls or unnatural superhumans It is a familiar story of a curious child who grew up observing the fundamental aspects of society and striving to find their place within the community much like you me or any average individual

The DNA of Customer Experience C. Shaw,2007-05-10 As the World Thought Leaders on Customer Experience Colin Shaw and the team at Beyond Philosophy have undertaken more than 18 months of groundbreaking research to discover the emotions that drive and destroy value in an organization and can now disclose the empirical link between evoking these emotions and substantial financial returns *California Farmer* ,2005
