Supervisor Training Penny Henderson, 2018-03-26 Considering how much experience there now is in providing supervisor training in the UK relatively little has been written about it This book creates a lively and readable resource that will be informative and inspirational for those planning for the future of training for supervisors of counsellors or who create teach on or apply for supervisor training The structure and content will invite reflection on the training issues that the authors address It is intended to be consciously forward looking in a period of rapid development and is designed to highlight differences between providers as well as the approaches and ideas they share It is the work of many authors all of whom are or have been involved in supervisor training in the UK The book should also be of interest to colleagues involved in training supervisors in other contexts and allied professions social work medical and nursing professions coaching and teaching It spans a range of theoretical approaches to supervisor training and authors thus inevitably write from quite different basic assumptions about supervision

Counselling Supervision in Organisations Sue Copeland, 2005 This book brings together the cultures of counselling and supervision and their relation to organisational cultures providing a unique understanding of the employment processes for counselling supervisors working within organisations

Online Supervision Anne Stokes, 2023-04-21 As online therapy becomes more mainstream the importance of using a means of supervision which parallels this is increasingly being recognised by practitioners and the professional bodies Very little has been written about this newly developing way of working so this book is timely Online Supervision A Handbook for Practitioners covers a wide range of issues from the practical aspects of how supervision happens through research legal and ethical issues to specific therapeutic settings and issues Existing models of supervision are considered in the context of the online setting and new models which have been developed specifically for supervising online are explored All chapters are authored by experienced online therapists and supervisors who bring their considerable knowledge from their practice to illuminate this growing area of the profession In many chapters anonymised case examples illustrate the text alongside reflective activities which readers can choose to undertake While the book aims to develop the practice of online supervision of online therapists it is recognised that there are circumstances which mean that some practitioners may choose to engage in online supervision of their face to face work This is recognised and guidelines for

offering and engaging in online supervision are discussed Many practitioners begin to offer online supervision without specialised training and the final chapter centres on a discussion about the value and necessity of undertaking preparation for working in a new medium Online Supervision A Handbook for Practitioners will be highly readable and accessible to both experienced practitioners and newcomers to this field **Taking Supervision Forward** Barbara Lawton, Colin

Feltham, 2000-02-09 Taking Supervision Forward wins unconditional approval There is a throughout a coherent continuing thread of concern comment and information which makes reading this book either as a whole or in its chapter sections a creative and satisfying experience The Journal of Critical Psychology Counselling Psychotherapy This is a thought provoking collection of contributions some critically examining aspects of supervision that have previously been well established and some identifying controversies in working practice Counselling This book lives up to its claim to be a timely and thought provoking evaluation of contemporary supervisory practices and structures in counselling and psychotherapy John Hopton Therapeutic Communities This book evaluates supervisory structures and practices in the light of recent research and experiences It provides counsellors and psychotherapists with a considered examination of the supervision process and draws attention to those aspects of supervision that may benefit from critical analysis and reform The first part of the book explores some inherent difficulties that may impinge upon the effectiveness of supervision while the second part identifies debates relating to working practice and the impact of the cultural environments in which counselling is now taking place In the final chapter key figures in counselling and psychotherapy contribute short pieces outlining what they feel will be significant issues for supervisory practice in its next phase of development **A Different Wisdom** Penny

Henderson, 2018-03-09 Britain has a fine tradition of writing about supervision practice This book connects to this by organising reflection around the practice taken from the author's sixteen years experience as a practitioner Taking three broad sets of tasks of supervision as an organising frame the book weaves examples of professional experience with current research and other reflective writing From a broadly humanistic perspective it examines the developmental journey of a supervisor interested in the overlap of the personal and the professional **Forms Of Ethical Thinking In Therapeutic Practice** Hill, Derek, Jones, Caroline, 2003-10-01 Most books about ethics focus either on the origins of ethics or on the application of ethical thinking to a single form of therapy This book sets out to span a range of very different forms of therapy and explores the similarities and the differences between the ethical thinking of the practitioners concerned By looking at ethical issues in different therapeutic settings the reader is challenged to reconsider the working assumptions which underpin familiar therapeutic practice *Pastoral Supervision: A Handbook* Jane Leach, Michael Paterson, 2015-07-31

Pastoral Supervision is increasingly sought out by people working in ministry It offers a safe space to reflect theologically and constructively on pastoral experience Pastoral Supervision A Handbook is the standard text for what is a growing discipline and endorsed by APSE the Association of Pastoral Supervisors and Educators which is now established as an

accrediting professional body for all involved in supervision in a Christian context Much has happened in the discipline since the first edition was published The second edition contains a new foreword a new introduction written by the authors a new chapter on the nuts and bolts of structuring a supervision session a new chapter on embodied active supervision literature updates and textual improvements to the extant chapters New Directions in Counselling Rowan Bayne,Jenny Bimrose,Ian Horton,2002-09-11 New Directions in Counselling responds to major changes currently affecting counselling A team of well known contributors identify the pressures forcing change taking into account national and European legislation and the drive from within counselling towards greater professionalism and accountability Part one considers the impact of accreditation National Vocational Qualifications NVQs developing Codes of Ethics and evaluating effectiveness Part two looks at new interventions for common problems such as smoking depression stress and abuse new settings for counselling including the workplace and medical practice and new techniques such as using narratives The final part discusses issues in training raising questions about the place of a feminist perspective and whether there are still myths about counselling which need to be challenged New Directions in Counselling makes a timely response to questions affecting all counsellors whether in training or practice
