Black History For Beginners Denise Dennis,2007-08-21 What is Black History Did you know what blacks were in Cortez s crew in Mexico with Pizarro in Peru and Alvarado in Quito that when Balboa discovered the Pacific Ocean 30 black people were with him that when Alarcon and Coronado conquered Mexico black people were with them too Any misunderstandings between blacks and whites in today s society tend to stem from the misconceptions about blacks that have been allowed to thrive throughout the ages The only way to help abolish stereotypes is to help present a more complete picture of the black people throughout history *Black History For Beginners* covers a rich but often ignored history and chronicles the black struggle from capture and enslavement in Africa through the Civil Rights movement and up

to today and the new and different kinds of struggles that black people face today **Paul Robeson For Beginners** Paul Von Blum,2013-12-17 Paul Robeson despite being one of the greatest Renaissance figures in American history still remains in relative anonymity An exceptional scholar lawyer athlete stage and screen actor linguist singer civil rights and political activist he performed brilliantly in every professional enterprise he undertook Any serious treatment of civil rights history and radical politics as well as American sports musical theatrical and film history must consider the enormous contributions of Paul Robeson And yet Paul Robeson remains virtually unknown by millions of educated Americans People typically know him for only one if any of the major successes of his life the concert singer best known for Old Man River the star of Shakespeare s Othello on Broadway in the early 1940s the political activist blacklisted for his radical views and activism during the era of McCarthyism in the 1950s Paul Robeson For Beginners demystifies and bestows light and long overdue credence to the life of this extraordinary American **The Bengal Directory and Annual Register**

Gender and Judging Ulrike Schultz,Gisela Shaw,2013-07-10 Does gender make a difference to the way the judiciary works and should work Or is gender blindness a built in prerequisite of judicial objectivity If gender does make a difference how might this be defined These are the key questions posed in this collection of essays by some 30 authors from the following countries Argentina Cambodia Canada England France Germany India Israel Italy Ivory Coast Japan Kenya the Netherlands the Philippines South Africa Switzerland Syria and the United States The contributions draw on various theoretical approaches including gender feminist and sociological theories The book s pressing topicality is underlined by the fact that well into the modern era male opposition to women s admission to and progress within the judicial profession has been largely based on the argument that their very gender programmes women to show empathy partiality and gendered prejudice in short essential qualities running directly counter to the need for judicial objectivity It took until the last century for women to begin to break down such seemingly insurmountable barriers And even now there are a number of countries where even this first step is still waiting to happen In all of them there remains a more or less pronounced glass ceiling to women s judicial careers
