## **Supreme Harmony Of All The Trinitarian Theology Of Jonathan Edwards:**

"The Supreme Harmony of All" Amy Plantinga Pauw, 2002 Jonathan Edwards lived in an age in which the doctrine of the Trinity was sometimes openly repudiated and more often quietly ignored But as this important book shows Edwards in fact took care to creatively fashion the Trinity into the centerpiece of his Christian life and work Through her pursuit of Edwards s writings especially his lifelong intellectual diary Amy Plantinga Pauw traces the way Edwards established the basic outlines of his trinitarian thought when he was only twenty years old and how the doctrine continued to run like a subterranean river throughout his famed career as a pastor and teacher Recognizing the centrality of the Trinity in Edwards s thought both nuances our understanding of his Puritan inheritance and challenges the narrowness of Edwards s enduring legacy as the preacher of Sinners in the Hands of an Angry God Jonathan Edwards's Theology: A Reinterpretation Kyle C. Strobel, 2012-12-27 This volume provides an interpretative key to Jonathan Edwards s theology developed from within his own doctrinal constructs Strobeloffers a dogmatic exposition of Edwards s theology by unveiling the trinitarianarchitecture of his thought Building upon this analysis Strobel applies hisconstruct to reinterpret three key areas of redemption debated widely in these condary literature spiritual knowledge regeneration and religious affection. In order to achieve this purpose Strobel's approach istheological rather than philosophical employing Edwards s self confession as aReformed theologian to guide his analysis In advancing a theological reading of Edwards Strobel focuses on the systematic nature of Edward's theology ordering it according to his doctrinal affirmations This necessitates as manyEdwards scholars now affirm a primary focus on Edwards s trinitarian theology where the Trinity serves as the keyontological principle which orders the whole of his doctrinal construction Bygrounding the interpretive key in Edwards s understanding of the Trinity Strobel s idiosyncratic exposition of his doctrine of the Trinity serves torecast Edwards s theology in a new light Total Atonement W. Ross Hastings, 2019-10-09 Total Atonement re imagines the apprehended mystery of the atonement in light of the triune nature of God and the person and work of the incarnate Christ W Ross Hastings proposes participation as a theory or framework of atonement that holds all other models within it He argues that God's participation in humanity in order that humans might participate in God invites a total approach to the mystery of the atonement that is one that involves the whole Trinity the whole person and history of Christ and all the biblical motifs and theological models of atonement including penal substitution properly nuanced to overcome its caricatures Christus victor satisfaction vicarious life and moral exemplar Hastings re examines the scope of the atonement in light of these Trinitarian incarnational realities The Unified Operations of the Human Soul Jeffrey C. Waddington, 2015-07-24 This book endeavors to examine and critically assess the theological anthropology of Jonathan Edwards with a view to considering how this anthropology coheres with his apologetic methodology Specifically the question has been raised whether Edwards doctrine of man is consistent with the picture painted of Jonathan Edwards by John Gerstner that he was the epitome of the classical apologist It is argued that Edwards

practiced an eclectic apologetic sans apologetic self awareness In other words Edwards was a child of his training and time Historical Dictionary of the Puritans Charles Pastoor, Galen K.
