Descorchados 2024 Guide to the wines of Argentina, Brazil, Bolivia, Chile, Peru & Uruguay Patricio Tapia, 2024-07-31
Descorchados is celebrating its 25th anniversary. It began as a guide to Chilean wines and as of 2010 it has covered the wines of South America in what is now the region's most complete wine guide. This year we have tasted 5 159 wines of which we have recommended 4 130 from Argentina, Bolivia, Brazil, Chile, Peru and Uruguay in this edition, thereby presenting a wide angle HD photograph of South America's current wine scene. In Descorchados 2023 you'll find reviews of more than 600 wineries and their recommended wines as well as the latest news about each country and detailed maps of their primary terroirs plus rankings of the best wines listed by variety and origin as well as the best values for money that we have found in our tastings this year. Descorchados is an essential tool for those who want to know more about the reality of South American wine and the people who are the major driving forces behind it.

Parker's Wine Buyer's Guide, 7th Edition Robert M. Parker, 2008-10-07. Featuring a fresh layout, revised maps and more detail than ever before, the seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike the ultimate resource to the world's best wines. Understanding that buyers on every level appreciate a good deal, Parker separates overvalued bottles from undervalued with wine prices instantly shifting according to his evaluations. Indifferent to the wine's pedigree, Parker's eminent 100 point rating system allows for independent, consumer-oriented inside information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina and Chile as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential and practical overviews of regions and grapes. Altogether an indispensable resource from the man the Los Angeles Times calls the most powerful critic of any kind.
