the Saint is a true story of a family's triumph over adversity during The Great Depression and World War II. It is an important part of history. It is also a mesmerizing story of a wonderful mother who taught her three children morals and manners and was sometimes thought of as a saint and a father who was anything but a saint though his religious background gnawed at his very soul. It is a story of a man who tried to juggle three families at the same time and found out that it cannot be done. A man who lied and cheated and made his children victims of his lies. It is also a spiritual story of a daughter's forgiveness of the lies he told which is a criteria for complete and peaceful existence.

From The New York Times's Jeremy Egner, the definitive book on Ted Lasso. When Ted Lasso first aired in 2020, nobody including those who had worked on it knew how a show inspired by an ad centered around soccer, filled mostly with unknown actors and led by a wondrously mustachioed nice guy, would be received. Eleven Emmys and one Peabody Award later, it's safe to say that the show's status as a pop culture phenomenon is secure. In Believe, entertainment journalist and Ted Lasso fan Jeremy Egner traces the show's creation and legacy through the words of the people at its center. Drawing on dozens of interviews from key cast, creators, and more, Believe takes readers from the first silly NBC Premier League commercial to the pitch to Apple executives, then into the show's writers' room, through the brilliant international casting, and on to the unforgettable set and locations of the show itself. Brimming with careful reporting and written to match the show's heart and humor, Believe tells a story of teamwork, of hidden talent, of a group of friends looking around at the world's increasingly nasty discourse and deciding that maybe simple decency still has the power to bring us together. A story about what happens when you dare to believe. **The S.H.A.D.O.W.'s Of Sedona**, Mark A. Herod, 2016-12-14.
