Surfers Haunting For Beginners:

Haunted Halls Elizabeth Tucker, 2009-10-20 Why do so many American college students tell stories about encounters with ghosts In *Haunted Halls* the first book length interpretive study of college ghostlore Elizabeth Tucker takes the reader back to school to get acquainted with a wide range of college spirits Some of the best known ghosts that she discusses are Emory University's Dooley who can disband classes by shooting professors with his water pistol Mansfield University's Sara who threw herself down a flight of stairs after being rejected by her boyfriend and Huntingdon College's Red Lady who slit her wrists while dressed in a red robe Gettysburg College students have collided with ghosts of soldiers while students at St Mary of the Woods College have reported frightening glimpses of the Faceless Nun Tucker presents campus ghostlore from the mid 1960s to 2006 with special attention to stories told by twenty first century students through e mail and instant messages Her approach combines social psychological and cultural analysis with close attention to students own explanations of the significance of spectral phenomena As metaphors of disorder insanity and school spirit college ghosts convey multiple meanings Their colorful stories warn students about the dangers of overindulgence as well as the pitfalls of potentially horrifying relationships Besides offering insight into students initiation into campus life college ghost stories make important statements about injustices suffered by Native Americans African Americans and others

Surfing the Waves of Identity Yoon Mi Sohn, 2025-09-13 Despite the rich diversity of Asia and its cultures Asian Americans have often been viewed as a monolithic group This book explores the diverse notions of being Asian and Asian American by examining socio political cultural and historical changes specifically through the lens of evolving representations of Asian Americans Using a chronological approach to Asian American dramatists works it traces the origins and impacts of racist stereotypes their variations and resurgence of archetypal stereotypes over time By analyzing Asian American representation the book offers nuanced and thought provoking perspectives on the evolving portrayals of Asian Americans in U S culture In this sense the book is a quest to understand the current U S American consciousness and how it has viewed and stereotyped Asian American others
