had become a semipermanent recluse and a casualty of his own excess Still the Beach Boys continued through controversy conflict and death rising again and again to find more popularity and more commercial peaks into the 1980s and beyond As the new millennium unfolds the Beach Boys are still here and continue to be a popular concert attraction and one of rock s most compelling and important stories In The Beach Boys FAQ Jon Stebbins explains how the band impacted music and pop culture This entertaining fast moving tome is accompanied by dozens of rare images making this volume a must have for fans
