For example Hui Nalu surfers successfully combated annexationists married white women ran lucrative businesses and dictated what non Hawaiians could and could not do in their surf even as the popular tourist driven media portrayed Hawaiian men as harmless and effeminate Decades later the media were labeling Hawaiian surfers as violent extremists who terrorized haole surfers on the North Shore Yet Hawaiians contested rewrote or creatively negotiated with these stereotypes in the waves The po ina nalu became a place where resistance proved historically meaningful and where colonial hierarchies and categories could be transposed 25 illus [Surfing](#) Ben R.
